Applications to Parliament — Private Bills

PUBLIC NOTICE

LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Standing Orders governing the submission of such Bills:

NOTE: The previous Standing Orders of the Legislative Assembly have been repealed and the following put into effect by Order of the House passed on Thursday, December 14th, 1978, and on Tuesday, May 13th, 1980.

Attention is drawn to the more important changes:—

- No time limit.
- No penalties for late filing.
- Required notice of advertising reduced to four weeks from six weeks.

PRIVATE BILLS

Filing Bill with Clerk

65. (a) Any person, group or corporation may apply for a Private Bill by filing with the Clerk of the House a copy of the Bill together with a fee of \$150.00.

Applicant to pay cost of printing

(b) Every applicant for a Private Bill shall pay the cost of printing the Bill, including the cost of printing the Act in the annual Statutes.

Other charges

(c) Where a Standing Order is suspended with reference to a Bill, a charge of \$50.00 shall be levied.

Additional fees

(d) Where a Bill incorporates a company, or increases the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable in the case of an incorporation or increase of capital under The Business Corporations Act, less the sum of \$150.00 already paid to the Clerk of the House.

(e) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:—

On amounts less than \$10,000.....	\$ 25
On amounts over \$10,000 and up to \$25,000	50
On amounts over \$25,000 and up to \$40,000	75
On amounts over \$40,000 and up to \$75,000	100

On amounts over \$75,000 and up to \$125,000	125
On amounts over \$125,000 and up to \$175,000	150
On amounts over \$175,000 and up to \$250,000	200
On amounts over \$250,000 and up to \$350,000	250
and an additional fee of \$50 for every \$100,000 over \$350,000.	

Publication of Standing Orders re Private Bills

(f) The Clerk of the House shall publish weekly in *The Ontario Gazette* the Standing Orders respecting applications for Private Bills.

Required notice of applications

(g) Notice of an application for a Private Bill shall be given before it is referred to a Standing Committee by publishing it once a week for at least four weeks in each of *The Ontario Gazette* and one newspaper circulated in the municipality most affected and the notice shall,

- (i) be signed by or on behalf of the applicant;
- (ii) clearly state the nature and object of the application;
- (iii) when the application refers to any proposed work, indicate generally the location of the work; and

Bills for debenture issues

- (iv) where the application is by a municipal corporation for authority to issue debentures, set out the particulars of the existing debenture debt and the amount of the rateable property of the municipality according to the last revised assessment roll of the corporation and in brief and general terms, the object for which the new issue of debentures is required.

Clerk reports to Standing Procedural Affairs Committee

66. (a) The Clerk of the House shall refer to the Standing Procedural Affairs Committee any application that, in his opinion, does not comply with the Standing Orders.

Declaration re advertising

(b) The applicants for a Private Bill shall lodge with the Clerk of the House a declaration proving publication of the notice.

Letters Patent

67. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Charter or Agreement, shall be attached to it.

Certificate of Minister of Revenue re Letters Patent

68. No Bill relating to the status of a corporation shall be considered by any Committee until there has been deposited with the Clerk of the House a certificate of the Minister of Revenue showing that all taxes payable under The Corporations Tax Act in respect of the corporation have been paid.

Reference to Standing Committee after first reading. Exceptions

69. Every Private Bill when read a first time, shall, unless it is an Estate Bill, or a Bill providing for

a consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a municipal corporation, stand referred to the appropriate Standing Committee, and any Petitions to the House for or against the Bill stand referred to any such Committee.

Certain Municipal Applications referred to Ontario Municipal Board

70. (a) A Private Bill of a municipal corporation providing for the consolidation of a floating debt, or the consolidation or renewal of debentures (other than local improvement debentures) stand referred to the Ontario Municipal Board after first reading.

Board to report

(b) The Board, after due enquiry, shall report to the House whether or not it is reasonable that the Bill, or that part thereof relating to the matters referred to in clause (a), should pass and what, if any, alterations should be made in the Bill.

Report to Clerk

(c) A report shall be transmitted to the Clerk of the House.

Bill and report to Standing Committee

(d) The Bill and report shall stand referred to the appropriate Standing Committee.

Estate Bills referral

71. (a) Every Estate Bill or part of a Bill that contains an Estate Bill provision stands referred to the Commissioners of Estate Bills after first reading.

Report of Commissioners

(b) The Commissioners of Estate Bills, or any two of them, shall report their opinion on the Bill or the part thereof that has been submitted to them, and whether, presuming the allegations contained in the Preamble to be proven to the satisfaction of the House, it is reasonable for the Bill or the part thereof to pass and what, if any, alterations are necessary.

Report sent to Clerk

(c) A report of the Commissioners of Estate Bills shall be transmitted to the Clerk of the House.

Effect of adverse report

(d) Where the Commissioners of Estate Bills report that, in their opinion, it is not reasonable that the Bill or the part thereof submitted to them pass into law, the Bill or the part thereof shall not be further considered.

Bill and report to Committee

(e) Where the Bill or the part thereof submitted to the Commissioners of Estate Bills is reported favourably by the Commissioners, the Bill and the report shall stand referred to the appropriate Standing Committee and where only part of a Bill is submitted to the Commissioners and the Commissioners report that, in their opinion, it is not reasonable that the part pass into law, the Bill, except for the part to which the report applies, shall stand referred to the appropriate Committee.

Notice re Hearing by Standing Committee

72. (a) The Clerk of the House shall post on all notice boards five days notice of the date on which any Private Bill is to be considered by a Committee and the notice shall be published in the Notice Paper.

Notice of Next Day Meetings on Private Bills

(b) The Clerk shall also publish in the Notice Paper a notice of any meeting of a Committee to consider Private Bills to be held on the following day.

Consent of interested persons

73. Any person whose interest or property may be affected by a Private Bill, when required, shall appear before the Committee considering the Bill to express his consent or objection, or may consent in writing, proof of which may be demanded by the Committee.

On Order Paper after report

74. Private Bills when reported by Standing Committees shall be placed on the Order Paper for second reading.

Bills initialled and signed by Chairman

75. (a) The Chairman of a Committee considering a Private Bill shall initial each section of the Bill as it is passed and sign the Bill.

Amendments

(b) Amendments shall be clearly indicated in the signed copy, and the amendments or additions shall be initialled by the Chairman.

Reprinting amended Bills

76. Private Bills amended by a Committee or the Commissioners may be reprinted before further consideration as the Clerk of the House may direct and the applicant shall pay the cost of printing the Bill.

Referral after second reading

77. Private Bills, after second reading, shall be ordered for third reading, unless specially ordered referred to the Committee of the Whole House.

Notice required to dispense with Standing Orders

78. Except by unanimous consent of the House given in case of urgent and pressing necessity, no motion may be made to dispense with any Standing Order relating to Private Bills without due notice thereof.

Private Bill Register

79. A Private Bill Register shall be kept in the office of the Clerk of the House, in which shall be entered, by the Clerk appointed for that purpose, the name, description, and place of residence of the parties applying for the Bill, or of their agent, and all the proceedings thereon, such register to be open to public inspection daily, during office hours.

Parliamentary Agents

80. (a) Every Parliamentary Agent conducting proceedings before the House is personally responsi-

ble to the House and to the Speaker for the observance of the Standing Orders and Practices of Parliament, and also for the payment of all fees and charges.

Misconduct of Agent

(b) Any agent who wilfully acts in violation of the Standing Orders and Practices of Parliament,

or who wilfully misconducts himself in prosecuting any proceedings before the House, is liable to an absolute or temporary prohibition to practise as a Parliamentary Agent, at the pleasure of the Speaker.

Government Notice—Under The Mining Act

LANDS AND/OR MINING RIGHTS TO BE FORFEITED FOR ACREAGE TAX ARREARS

PURSUANT to the provisions of *The Mining Act*, R.S.O. 1970, Chapter 274, Subsection 2, Section 668, the following list of lands and mining rights in respect of which acreage tax, penalties and costs to December 31st, 1980, imposed by the said Act, are two years or more in default, notice is hereby given that unless the amount due as shown is paid on or before December 31st, 1981, on the day following shall be forfeited to and vested in the Crown, but shall not be open for prospecting, staking out, sale or lease until published in one issue of THE ONTARIO GAZETTE. (This is not a tax sale. The lands cannot be purchased by paying the taxes).

Those lands and mining rights forfeited to and vested in the Crown and published in one issue of THE ONTARIO GAZETTE during the month of May, 1982, shall be open for prospecting, staking out, sale or lease at and after 7 o'clock standard time in the forenoon of June 1st, 1982.

Communications regarding this matter should be directed to the undersigned at the Whitney Block, Parliament Buildings, Toronto.

W. T. FOSTER,
Deputy Minister of Natural Resources.

PUBLIC NOTICE

LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Standing Orders governing the submission of such Bills:

NOTE: The previous Standing Orders of the Legislative Assembly have been repealed and the following put into effect by Order of the House passed on Thursday, December 14th, 1978, and on Tuesday, May 13th, 1980.

Attention is drawn to the more important changes:—

— No time limit.

— No penalties for late filing.

— Required notice of advertising reduced to four weeks from six weeks.

PRIVATE BILLS

Filing Bill with Clerk

65. (a) Any person, group or corporation may apply for a Private Bill by filing with the Clerk of the House a copy of the Bill together with a fee of \$150.00.

Applicant to pay cost of printing

(b) Every applicant for a Private Bill shall pay the cost of printing the Bill, including the cost of printing the Act in the annual Statutes.

Other charges

(c) Where a Standing Order is suspended with reference to a Bill, a charge of \$50.00 shall be levied.

Additional fees

(d) Where a Bill incorporates a company, or increases the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable in the case of an incorporation or increase of capital under The Business Corporations Act, less the sum of \$150.00 already paid to the Clerk of the House.

(e) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:—

On amounts less than \$10,000.....	\$ 25
On amounts over \$10,000 and up to \$25,000	50
On amounts over \$25,000 and up to \$40,000	75

On amounts over \$75,000 and up to \$125,000	125
On amounts over \$125,000 and up to \$175,000	150
On amounts over \$175,000 and up to \$250,000	200
On amounts over \$250,000 and up to \$350,000	250
and an additional fee of \$50 for every \$100,000 over \$350,000.	

Publication of Standing Orders re Private Bills

(f) The Clerk of the House shall publish weekly in *The Ontario Gazette* the Standing Orders respecting applications for Private Bills.

Required notice of applications

(g) Notice of an application for a Private Bill shall be given before it is referred to a Standing Committee by publishing it once a week for at least four weeks in each of *The Ontario Gazette* and one newspaper circulated in the municipality most affected and the notice shall,

(i) be signed by or on behalf of the applicant;

(ii) clearly state the nature and object of the application;

(iii) when the application refers to any proposed work, indicate generally the location of the work; and

Bills for debenture issues

(iv) where the application is by a municipal corporation for authority to issue debentures, set out the particulars of the existing debenture debt and the amount of the rateable property of the municipality according to the last revised assessment roll of the corporation and in brief and general terms, the object for which the new issue of debentures is required.

Clerk reports to Standing Procedural Affairs Committee

66. (a) The Clerk of the House shall refer to the Standing Procedural Affairs Committee any application that, in his opinion, does not comply with the Standing Orders.

Declaration re advertising

(b) The applicants for a Private Bill shall lodge with the Clerk of the House a declaration proving publication of the notice.

Letters Patent

67. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Charter or Agreement, shall be attached to it.

Certificate of Minister of Revenue re Letters Patent

68. No Bill relating to the status of a corporation shall be considered by any Committee until there has been deposited with the Clerk of the House a certificate of the Minister of Revenue showing that all taxes payable under The Corporations Tax Act in respect of the corporation have been paid.

Reference to Standing Committee after first reading. Exceptions

69. Every Private Bill when read a first time, shall, unless it is an Estate Bill, or a Bill providing for

a consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a municipal corporation, stand referred to the appropriate Standing Committee, and any Petitions to the House for or against the Bill stand referred to any such Committee.

Certain Municipal Applications referred to Ontario Municipal Board

70. (a) A Private Bill of a municipal corporation providing for the consolidation of a floating debt, or the consolidation or renewal of debentures (other than local improvement debentures) stand referred to the Ontario Municipal Board after first reading.

Board to report

(b) The Board, after due enquiry, shall report to the House whether or not it is reasonable that the Bill, or that part thereof relating to the matters referred to in clause (a), should pass and what, if any, alterations should be made in the Bill.

Report to Clerk

(c) A report shall be transmitted to the Clerk of the House.

Bill and report to Standing Committee

(d) The Bill and report shall stand referred to the appropriate Standing Committee.

Estate Bills referral

71. (a) Every Estate Bill or part of a Bill that contains an Estate Bill provision stands referred to the Commissioners of Estate Bills after first reading.

Report of Commissioners

(b) The Commissioners of Estate Bills, or any two of them, shall report their opinion on the Bill or the part thereof that has been submitted to them, and whether, presuming the allegations contained in the Preamble to be proven to the satisfaction of the House, it is reasonable for the Bill or the part thereof to pass and what, if any, alterations are necessary.

Report sent to Clerk

(c) A report of the Commissioners of Estate Bills shall be transmitted to the Clerk of the House.

Effect of adverse report

(d) Where the Commissioners of Estate Bills report that, in their opinion, it is not reasonable that the Bill or the part thereof submitted to them pass into law, the Bill or the part thereof shall not be further considered.

Bill and report to Committee

(e) Where the Bill or the part thereof submitted to the Commissioners of Estate Bills is reported favourably by the Commissioners, the Bill and the report shall stand referred to the appropriate Standing Committee and where only part of a Bill is submitted to the Commissioners and the Commissioners report that, in their opinion, it is not reasonable that the part pass into law, the Bill, except for the part to which the report applies, shall stand referred to the appropriate Committee.

Notice re Hearing by Standing Committee

72. (a) The Clerk of the House shall post on all notice boards five days notice of the date on which any Private Bill is to be considered by a Committee and the notice shall be published in the Notice Paper.

Notice of Next Day Meetings on Private Bills

(b) The Clerk shall also publish in the Notice Paper a notice of any meeting of a Committee to consider Private Bills to be held on the following day.

Consent of interested persons

73. Any person whose interest or property may be affected by a Private Bill, when required, shall appear before the Committee considering the Bill to express his consent or objection, or may consent in writing, proof of which may be demanded by the Committee.

On Order Paper after report

74. Private Bills when reported by Standing Committees shall be placed on the Order Paper for second reading.

Bills initialled and signed by Chairman

75. (a) The Chairman of a Committee considering a Private Bill shall initial each section of the Bill as it is passed and sign the Bill.

Amendments

(b) Amendments shall be clearly indicated in the signed copy, and the amendments or additions shall be initialled by the Chairman.

Reprinting amended Bills

76. Private Bills amended by a Committee or the Commissioners may be reprinted before further consideration as the Clerk of the House may direct and the applicant shall pay the cost of printing the Bill.

Referral after second reading

77. Private Bills, after second reading, shall be ordered for third reading, unless specially ordered referred to the Committee of the Whole House.

Notice required to dispense with Standing Orders

78. Except by unanimous consent of the House given in case of urgent and pressing necessity, no motion may be made to dispense with any Standing Order relating to Private Bills without due notice thereof.

Private Bill Register

79. A Private Bill Register shall be kept in the office of the Clerk of the House, in which shall be entered, by the Clerk appointed for that purpose, the name, description, and place of residence of the parties applying for the Bill, or of their agent, and all the proceedings thereon, such register to be open to public inspection daily, during office hours.

Parliamentary Agents

80. (a) Every Parliamentary Agent conducting proceedings before the House is personally responsi-

ble to the House and to the Speaker for the observance of the Standing Orders and Practices of Parliament, and also for the payment of all fees and charges.

Misconduct of Agent

(b) Any agent who wilfully acts in violation of the Standing Orders and Practices of Parliament,

or who wilfully misconducts himself in prosecuting any proceedings before the House, is liable to an absolute or temporary prohibition to practise as a Parliamentary Agent, at the pleasure of the Speaker.

THE HIGHWAY TRAFFIC ACT

O. Reg. 359/81.

Demerit Point System.

Made—July 10th, 1980.

Filed—June 1st, 1981.

REGULATION MADE UNDER THE HIGHWAY TRAFFIC ACT

DEMERIT POINT SYSTEM

INTERPRETATION

1. In this Regulation,

(a) "accumulated demerit points" means the total demerit points in a person's record acquired as a result of offences committed within any period of two years less any points deducted for that period under this Regulation;

(b) "Class L driver's licence" means a Class L driver's licence as prescribed in Ontario Regulation 906/76;

(c) "Class R driver's licence" means a Class R driver's licence as prescribed in Ontario Regulation 906/76;

(d) "probationary driver" means a person who is classed as such under the provisions of this Regulation;

(e) "valid driver's licence" means a driver's licence that is not expired, cancelled or under suspension. O. Reg. 359/81, s. 1.

NON-PROBATIONARY DRIVERS

2. Where a person is convicted of an offence under a provision of an Act, regulation or municipal by-law set out in column 1 of the Table, committed while the person was not a probationary driver, and if the penalty imposed by the court for the conviction does not include a period of suspension of his driver's licence, the Registrar shall record in respect of the person, as of the date of commission of the offence, the number of demerit points set opposite thereto in column 2.

O. Reg. 359/81, s. 2.

3. Where the accumulated demerit points of a person who is not a probationary driver total six or more but less than nine, the Registrar shall mail a notice to the person at his latest address appearing on the records of the Ministry, of the number of accumulated demerit points, but failure to give notice under this section does not render ineffective any further proceeding under this Regulation. O. Reg. 359/81, s. 3.

4. Where the accumulated demerit points of a person who is not a probationary driver total nine or more but less than fifteen, the Registrar may require the person to attend before an official of the Ministry for an interview and to furnish such information, evidence or material as is required to show cause why his driver's licence should not be suspended. O. Reg. 359/81, s. 4.

5. Where a person fails to attend for an interview as required by the Registrar under section 4, the Minister may, after giving notice, suspend the driver's licence of the person. O. Reg. 359/81, s. 5.

6. Where the Minister is of the opinion that a person has failed to show cause under section 4 why his driver's licence should not be suspended, the Minister may, after giving notice, suspend the driver's licence of the person and the licence shall not be reinstated until such period as the Minister considers advisable has elapsed from the date the licence was surrendered for the purpose of suspension under this section, or, two years have elapsed from the date the licence was suspended under this section, whichever occurs first. O. Reg. 359/81, s. 6.

7.—(1) Where a person's accumulated demerit points in a period during which he was not a probationary driver total fifteen or more, the Registrar shall, after giving notice, suspend the driver's licence of the person and the licence shall not be reinstated until,

- (a) in the case of a first suspension for accumulation of demerit points, thirty days have elapsed from the date the licence was surrendered for the purpose of suspension under this section, or, two years have elapsed from the date the licence was suspended under this section, whichever occurs first; or
- (b) in the case of a subsequent suspension for accumulation of demerit points, six months have elapsed from the date the licence was surrendered for the purpose of suspension under this section, or, two years have elapsed from the date the licence was suspended under this section, whichever occurs first.

(2) For the purpose of clause (1) (b), a suspension for accumulation of demerit points is a subsequent suspension only if the suspension occurs as a result of a conviction for an offence committed within two years after the expiry of a prior suspension under this section for accumulation of demerit points.

(3) Where a suspension is imposed under this section on a person who at the time of the suspension is not a probationary driver, upon the effective date of the suspension the person's accumulated demerit points for all previous periods shall be reduced to seven and the points retained as accumulated demerit points shall be those recorded in respect of the most recently committed offences.

(4) Where a suspension is imposed under this section on a person who at the time of the suspension is a probationary driver, upon the effective date of the suspension the person's accumulated demerit points for all previous periods shall be reduced to zero. O. Reg. 359/81, s. 7.

PROBATIONARY DRIVERS

8.—(1) Every driver of a motor vehicle on a highway is classed as a probationary driver unless he has held,

- (a) at any time within the past three years, a valid driver's licence, other than a Class L or R driver's licence, issued under the Act;
- (b) for a total of at least twenty-four months within the past three years, a valid driver's licence, other than the equivalent of a Class L or R driver's licence, issued by a territory or province of Canada, other than Ontario, or by a state of the United States of America; or
- (c) for a total of at least twenty-four months within the past three years, a valid Canadian Forces Europe Operator's licence, other than the equivalent of a Class L or R driver's licence,

and he shall remain classed as a probationary driver until he has satisfied the conditions set out in section 13.

(2) Subsection (1) does not apply to,

- (a) the Governor General;
- (b) the Lieutenant Governor;
- (c) a representative of a foreign government who has taken a post in Ontario in the capacity of,
 - (i) ambassador or high commissioner,
 - (ii) minister,
 - (iii) counsellor,
 - (iv) secretary,
 - (v) attaché,
 - (vi) consul-general, consul or vice-consul, or

(vii) trade commissioner or assistant trade commissioner,

or the spouse of the representative. O. Reg. 359/81, s. 8.

9.—(1) Where a person becomes a probationary driver under this Regulation, the person's accumulated demerit points carried from the day on which he becomes a probationary driver shall be,

- (a) reduced to zero, if his accumulated demerit points, if any, total nine or less; or
- (b) reduced by nine points, if his accumulated demerit points total more than nine, and in such case the points retained as accumulated demerit points shall be those recorded in respect of the most recently committed offences.

(2) Upon a person becoming a probationary driver under this Regulation, other than as a result of the operation of subsection 13 (7) or (8), any probationary credits that the person may previously have accumulated are revoked. O. Reg. 359/81, s. 9.

10. Where a person is convicted of an offence under a provision of an Act, regulation or municipal by-law set out in column 1 of the Table committed while the person was a probationary driver, and if the penalty imposed by the court for the conviction does not include a period of suspension of his driver's licence, the Registrar shall record in respect of the person, as of the date of commission of the offence, the number of demerit points set opposite thereto in column 2. O. Reg. 359/81, s. 10.

11. On the first occasion in any probationary period that demerit points are recorded on a probationary driver's record, the Registrar shall mail a notice to the driver at his latest address appearing on the records of the Ministry, setting out the number of accumulated demerit points that the driver has and the circumstances under which the driver's licence may be suspended, but failure to give notice under this section does not render ineffective any further proceeding under this Regulation. O. Reg. 359/81, s. 11.

12.—(1) Where a person's accumulated demerit points in a period during which he was a probationary driver total six or more, the Registrar shall, after giving notice, suspend the driver's licence of the person and the licence shall not be reinstated until thirty days have elapsed from the date the licence was surrendered for the purpose of suspension under this section, or, two years have elapsed from the date the licence was suspended under this section, whichever occurs first.

(2) Where a suspension is imposed under this section on a person who at the time of the suspension is a probationary driver, upon the effective date of the suspension the person's accumulated demerit points for all previous periods shall be reduced to zero.

(3) Where a suspension is imposed under this section on a person who at the time of the suspension is not a probationary driver, upon the effective date of the suspension the person's accumulated demerit points for all previous periods shall be reduced to seven and the points retained as accumulated demerit points shall be those recorded in respect of the most recently committed offences. O. Reg. 359/81, s. 12.

13.—(1) A probationary driver ceases to be probationary upon accumulating two probationary credits.

(2) A probationary driver is entitled to one probationary credit for each probationary period during which he,

- (a) held, for a total of twelve months, a valid driver's licence, other than a Class L or R driver's licence, issued under the Act; and
- (b) did not commit any offence, the conviction for which resulted in the suspension of his driver's licence or would have resulted in the suspension of his driver's licence had his accumulated demerit points not been reduced by the Registrar under section 7 or 12.

(3) A probationary period for a probationary driver is twelve months but where the driver's licence of a probationary driver is suspended in a probationary period,

- (a) under subsection 7 (1), clause 13 (4) (b), section 26a, section 27 for failure to meet medical standards, or section 138 of the Act; or
- (b) under *The Motor Vehicle Accident Claims Act* or *The Compulsory Automobile Insurance Act, 1979*,

the suspension shall not disentitle the probationary driver to a probationary credit under subsection (2) for the probationary period in which the suspension takes place, but the period shall be extended by a length of time equal to the duration of the suspension and entitlement to a probationary credit shall depend upon compliance with subsection (2) for the period as extended.

(4) Where the probationary driver has his driver's licence suspended, for any reason other than a reason set out in subsection (3), a new probationary period shall start on the day after the day the suspension expires.

(5) Where a probationary driver with one probationary credit is convicted of an offence committed within the period for which he acquired his credit, and the conviction for the offence results in the suspension of his driver's licence for any reason other than a reason set out in subsection (3), the credit for that period shall be revoked unless, during the period from the commission of the offence until the effective date of the suspension, the probationary driver has met the requirements as set out in subsection (2).

(6) Where a probationary driver with one probationary credit is convicted of an offence committed within the period for which he acquired his credit, and the conviction for the offence would have resulted in the suspension of his driver's licence had his accumulated demerit points not been reduced by the Registrar under section 12, the credit for that period shall be revoked unless, during the period from the commission of the offence until the effective date of the demerit point reduction, the probationary driver has met the requirements as set out in subsection (2).

(7) Where a person who has ceased to be a probationary driver in accordance with subsection (1) is convicted of an offence committed within a period for which he acquired a probationary credit and the conviction for the offence results in the suspension of his driver's licence for any reason other than a reason set out in subsection (3),

- (a) the credit for that period shall be revoked;
- (b) the person shall again be classed as a probationary driver; and
- (c) a new probationary period shall start on the day after the day the suspension expires,

unless, during the period from the commission of the offence until the effective date of the suspension but excluding any period for which a probationary credit has been awarded, the probationary driver has met the requirements as set out in subsection (2).

(8) Where a person who has ceased to be a probationary driver in accordance with subsection (1) is convicted of an offence committed within a period for which he acquired a probationary credit and the conviction for the offence would have resulted in the suspension of the person's driver's licence had his accumulated demerit points not been reduced by the Registrar under section 7 or 12,

- (a) the credit for that period shall be revoked;
- (b) the person shall again be classed as a probationary driver; and
- (c) a new probationary period shall start on the twelfth day after the day the said conviction is registered on the person's record,

unless, during the period from the commission of the offence until the effective date of the demerit point reduction, but excluding any period for which a probationary credit has been awarded, the probationary driver has met the requirements as set out in subsection (2).

(9) Where subsection (5), (6), (7) or (8) applies, demerit points accumulated as a result of offences committed prior to and including the offence referred to therein shall not be included in determining whether a probationary driver has met the requirements as set out in subsection (2) for the period from the commis-

sion of the offence until the effective date of the suspension or until the effective date of the demerit point reduction, as the case may be. O. Reg. 359/81, s. 13.

GENERAL

14. Where a person is convicted of two or more offences arising out of the same circumstances and,

- (a) if the penalty imposed by the court in respect of any of the convictions includes a period of suspension of the person's driver's licence, no demerit points shall be recorded in respect of any of the convictions; or
- (b) if the penalty imposed by the court does not include a period of suspension of the person's driver's licence in respect of any of the convictions, only demerit points for the conviction for which the greatest number of points is imposed shall be recorded and, if the greatest number of points is equal for two or more convictions, points shall be recorded for one conviction only. O. Reg. 359/81, s. 14.

15. Where a resident of Ontario is convicted or forfeits bail in another province or territory of Canada or in one of the states of the United States of America for an offence that, in the opinion of the Registrar, is in substance and effect equivalent to an offence for which points would be recorded upon conviction in Ontario, the Registrar may record the demerit points for the conviction in the same manner as if the conviction had been made or the bail forfeited in Ontario for the equivalent offence. O. Reg. 359/81, s. 15.

16.—(1) Where a person convicted of an offence set out in column 1 of the Table enters an appeal against the conviction and notice of the appeal is served on the Registrar, the conviction and demerit points related thereto shall not be entered on the record of the person unless the conviction is sustained on appeal.

(2) Where a conviction referred to in subsection (1) and related demerit points have been recorded prior to service of notice of an appeal on the Registrar, the conviction and demerit points shall be removed from the record, and any suspension imposed as a result of the conviction shall be stayed, as of the date notice is served on the Registrar, unless the conviction is sustained on appeal. O. Reg. 359/81, s. 16.

17. Where a driver's licence is suspended under this Regulation, the period of suspension is concurrent with the unexpired portion of any other suspension under this or any other authority. O. Reg. 359/81, s. 17.

18. The short descriptions in column 3 of the Table indicate, for convenience of reference only, the general nature of offences under the provisions in column 1 of the Table and shall not be construed to limit the offences for which demerit points are imposed. O. Reg. 359/81, s. 18.

19.—(1) Any notice of suspension required to be given by the Registrar or the Minister under this Regulation may be given by sending it by registered mail to the person to whom the notice is required to be given at his latest address appearing on the records of the Ministry, and notice given in accordance with this section shall be deemed to be sufficient.

(2) Where a driver's licence is suspended, the Registrar shall state the effective date of the suspension in the notice. O. Reg. 359/81, s. 19.

20.—(1) Where a person is convicted of an offence committed prior to the coming into force of this Regulation and, as a result thereof, the person's accumulated demerit points would result in a suspension under this Regulation, no suspension shall be imposed unless a suspension would also have been imposed under Regulation 413 of Revised Regulations of

Ontario, 1970 as it existed prior to the coming into force of this Regulation.

(2) No suspension under this Regulation for accumulation of demerit points shall be imposed during the six months after the coming into force of this Regulation unless a suspension would also have been imposed under Regulation 413 of Revised Regulations of Ontario, 1970 as it existed prior to the coming into force of this Regulation.

(3) Subsection (2) does not apply to probationary drivers. O. Reg. 359/81, s. 20.

21. Regulation 413 of Revised Regulations of Ontario, 1970 and Ontario Regulations 367/72, 93/73, 616/77, 81/79, 393/79, 810/79, 38/80 and 697/80 are revoked. O. Reg. 359/81, s. 21.

ORDER MADE UNDER THE PLANNING ACT

RESTRICTED AREAS—DISTRICT OF THUNDER BAY, GEOGRAPHIC TOWNSHIPS OF ASHMORE, ERRINGTON, FULFORD AND McQUESTEN

INTERPRETATION

1. In this Order,

1. "accessory", when used to describe a use, building or structure, means a use, building or structure that is normally incidental or subordinate to the principal use, building or structure located on the same lot;
2. "agricultural use" means a use of land, buildings or structures for the purpose of forestry, field crops, fruit farming, market gardening, dairying, animal husbandry, poultry raising, beekeeping and such uses as are customarily and normally related to agriculture;
3. "automobile service station" means a place where,
 - i. gasoline and oil are kept for retail sale and sold by retail,
 - ii. only minor and emergency repairs and services may be performed, and
 - iii. grease, anti-freeze, tires and automobile parts may be sold as incidental to the above operations;
4. "commercial use" means the use of land, buildings or structures for the purpose of buying and selling commodities or supplying services;

5. "dwelling unit" means one or more habitable rooms occupied or capable of being occupied as an independent and separate housekeeping establishment in which separate kitchen and sanitary facilities are provided with a private entrance from outside the building or from a common hallway or stairway inside the building;
6. "front lot line" means the lot line that divides a lot from a street, right of way, Crown shoreline reserve or high-water mark of a river or lake, and
 - i. in the case of a corner lot, the shorter lot line that abuts a street, right of way, Crown shoreline reserve or high water mark of a river or lake shall be the front lot line, and
 - ii. where a lot abuts both a street and the highwater mark of a river or lake or a Crown shoreline reserve, the lot line abutting the high water mark or Crown shoreline reserve shall be the front lot line;
7. "front yard" means a yard extending across the full width of a lot between the front lot line and the nearest main wall of the main building or structure on the lot;
8. "garage" means a building accessory to a single dwelling or seasonal dwelling used primarily for the storage of one or more vehicles but does not include a garage used for commercial purposes;
9. "gross floor area" means the aggregate of the horizontal areas of each floor, whether above or below grade, measured between the exterior faces of the exterior walls of the building or structure;
10. "ground floor area" means the area of the lowest storey of a building or structure, excluding any basement or cellar, which area is measured between the exterior faces of the exterior walls of the floor level of the said storey;
11. "guest cabin" means a building, without cooking facilities, that is accessory to a seasonal dwelling, and used only for purposes of sleeping accommodation;
12. "height" means the vertical distance between the average elevation of the finished surface of the ground at the front of the building and the highest point of the roof surface;
13. "home occupation" means any occupation for gain or support conducted entirely within a single dwelling unit by the occupants of the dwelling unit;

14. "hotel" means an establishment catering to the needs of the travelling public by the supply of food and by the furnishing of sleeping accommodation of not less than six bedrooms;
15. "industrial use" means the use of any land, building or structure for the purpose of manufacturing, assembling, finishing, treating, altering, repairing, warehousing, storing, adaption or sale of any goods, substance, article or thing or any part thereof, and the storage of building and construction equipment and materials;
16. "industrial extractive use" means the use of land for the extraction of mineral aggregates including sand, gravel, shale, clay and bed-rock suitable for the production of crushed stone, building stone, cement products and other similar materials;
17. "lot" means a parcel of land,
 - i. described in a deed or other document legally capable of conveying land, or
 - ii. shown as a lot or block on a registered plan of subdivision;
18. "lot area" means the total horizontal area within the lot lines of a lot;
19. "lot coverage" means the percentage of the lot area covered by the ground floor area of all buildings or structures situated on the lot;
20. "lot frontage" means the horizontal distance between the side lot lines of a lot and where such lot lines are not parallel, the lot frontage shall be the distance between the side lot lines measured on a line parallel to the front lot line and 7.5 metres distant therefrom;
21. "marina" means an establishment where boats are stored for rent or hire and where boats, boat motors and boat accessories are sold, repaired or refueled;
22. "parking space" means an area set aside for the purpose of the parking of vehicles with access to a street or to a private lane that has access to a street;
23. "pit" means land from which unconsolidated aggregate may be excavated, but does not include an excavation for a building or structure;
24. "public access point" means public land designated by the Crown and developed and maintained as a public access to a water body;
25. "public building" means any building or structure owned or leased by a municipal corporation, the Province of Ontario or the Government of Canada and in which government activities are carried out;
26. "public utility" means a water works or water supply system, sewage works, electrical power or energy generating transmission or distribution system, street lighting system, natural or artificial gas works or supply system, a telephone system and includes any lands, buildings or equipment required for the administration or operation of any such system;
27. "quarry" means land from which consolidated aggregate may be excavated but does not include an excavation for a building or structure;
28. "rear lot line" means the lot line opposite the front lot line;
29. "rear yard" means a yard extending across the full width of a lot between the rear lot line and the nearest main wall of the main building on the lot;
30. "seasonal dwelling" means a single dwelling to be used for recreation, and that is not occupied or intended to be occupied as a permanent residence or home;
31. "side lot line" means a lot line other than a front or rear lot line;
32. "side yard" means a yard between the nearest main wall of the main building or structure and the side lot line extending from the front yard to the rear yard;
33. "single dwelling" means a separate building containing only one dwelling unit;
34. "street" means a public highway that is a principal means of access to abutting lots that is under the jurisdiction of the Province of Ontario or a local roads board, or is a road within a registered plan of subdivision;
35. "waste disposal site" means land approved by the Ministry of the Environment upon, into or in which waste may be deposited or processed;
36. "wayside pit or quarry" means a temporary source of consolidated or unconsolidated aggregate opened by or for a public road authority, including a local roads board, for a purpose of a particular project of public road construction;
37. "yard" means a space open from the ground to the sky on the lot on which a building is situate unoccupied except for such accessory buildings as are specifically permitted in the Order. O. Reg. 364/81, s. 1.

APPLICATION

2. This Order applies to all the lands in the geographic Townships of Ashmore, Errington, Fulford and McQuesten in the Territorial District of Thunder Bay. O. Reg. 364/81, s. 2.

PART I

GENERAL

3. No land to which this Order applies shall hereafter be used and no building or structure shall hereafter be erected or used except in accordance with the terms of this Order, but nothing in this Order prevents the use of any land, building or structure for a purpose prohibited by this Order if such land, building or structure was lawfully used for such purpose on the day this Order comes into force. O. Reg. 364/81, s. 3.

CLASSIFICATION OF ZONES

4.—(1) For the purposes of this Order, all of the lands in the geographic Townships of Ashmore, Errington, Fulford and McQuesten are divided into the zones listed in the following Table as shown on maps filed with the Plans Administration Division of the Ministry of Housing at Toronto as Numbers 33, 34, 35, 36, 37, 38, 39, 40 and 41, the said zones being designated on the maps as set out in the Table:

TABLE

Name of Zone	Zone Symbol on Map
Rural	RU
Rural Residential	RR
Seasonal Residential	SR
General Commercial	CG
Resort Commercial	CR
Trailer Commercial	CT
Airport Commercial	CA
General Industrial	M
Extractive Industrial	ME
Environmental Protection	EP
Waste Disposal	WD

(2) Land designated on a map by a zone symbol followed by a dash and a number is subject to the provisions of this Order that relate to such designation. O. Reg. 364/81, s. 4.

LOTS HAVING INSUFFICIENT FRONTAGE OR AREA

5. Where a lot with less than the minimum frontage or area required by this Order exists prior to this Order coming into effect, this Order does not prohibit uses permitted in the zone designation if all other provisions of this Order are complied with. O. Reg. 364/81, s. 5.

NUMBER OF DWELLINGS PER LOT

6. Unless otherwise provided in this Order, not more than one single dwelling is permitted on a lot in any zone where single dwellings or seasonal dwellings are permitted. O. Reg. 364/81, s. 6.

EXISTING BUILDINGS

7. Where a building had been erected prior to the date this Order comes into force on a lot having less than,

- (a) the minimum frontage or area; or
- (b) the minimum front yard, side yard or rear yard,

required by this Order, the building may be extended, enlarged, repaired or renovated if there is no further reduction in any yard that is less than the minimum prescribed by this Order and all other requirements of this Order are met. O. Reg. 364/81, s. 7.

BUILDING REPAIR AND RECONSTRUCTION

8.—(1) Nothing in this Order prevents the reconstruction of any building or structure that is damaged or destroyed by causes beyond the control of the owner if the dimensions of the original building or structure are not increased or its original use altered.

(2) Nothing in this Order prevents the strengthening or restoration to a safe condition of any building or structure or part of any such building or structure. O. Reg. 364/81, s. 8.

MINIMUM BUILDING REQUIREMENTS FOR HUMAN HABITATION

9. No building shall be used for human habitation until,

- (a) the main walls and roofs have been erected;
- (b) the external siding and roofing have been completed; and
- (c) water, sanitary and heating facilities have been installed and are able to be operated. O. Reg. 364/81, s. 9.

ACCESSORY BUILDINGS AND STRUCTURES

10.—(1) Accessory uses, buildings and structures are permitted in any zone.

(2) No building or structure may be used as a building or structure accessory to a dwelling unit except a boathouse, steam bath, storage or tool shed, garage, swimming pool or greenhouse.

(3) Unless otherwise provided in this Order, accessory buildings and structures shall,

- (a) be erected only in the rear and side yards;
- (b) be located not less than one metre from a side lot line and not less than one metre from the rear lot line;
- (c) not be closer to the front lot line than the principal building or structure on the same lot;
- (d) except in the case of a guest cabin, not be used for human habitation;
- (e) not exceed 10 per cent in total lot coverage; and
- (f) not exceed 5 metres in height.

(4) Notwithstanding clauses (3) (a), (b) and (c), where a lot abuts navigable water, a boathouse, dock or wharf, as an accessory building or structure, may be erected up to that portion of the lot line that abuts the water. O. Reg. 364/81, s. 10.

THE MINISTRY OF NATURAL RESOURCES ACT, 1972

O. Reg. 368/81.
Assignment of Powers and Duties
of Minister.
Made—May 28th, 1981.
Filed—June 2nd, 1981.

REGULATION MADE UNDER THE MINISTRY OF NATURAL RESOURCES ACT, 1972

ASSIGNMENT OF POWERS AND DUTIES OF MINISTER

1. The Mining and Lands Commissioner is assigned the powers and duties conferred on the Minister of Natural Resources under subsection 27 (2c) of the *Conservation Authorities Act* to hear and determine,

- (a) the appeal of Edith and Rita Martin against the decision of The Rideau Valley Conservation Authority made on the 24th day of November, 1980 denying their application to place fill on Lot 26, Broken Front Concession in the Township of Osgoode in The Regional Municipality of Ottawa-Carleton; and
- (b) the appeal of W. Takahashi against the decision of The Metropolitan Toronto and Region Conservation Authority made on the 28th day of January, 1981 denying his application to place fill on premises known municipally as 11 Campbell Court in that part of the Town of Markham in The Regional Municipality of York that was formerly the Police Village of Unionville. Filed—June 2nd, 1981.

REGULATION TO AMEND ONTARIO REGULATION 101/72 MADE UNDER THE PLANNING ACT

1. Ontario Regulation 101/72 is amended by adding thereto the following section:

15. Notwithstanding any other provision of this Order, the land described in Schedule 1 may be used for the erection and use thereon of a single-family dwelling and buildings and structures accessory thereto provided the following requirements are met:

Minimum distance of all buildings and structures from the road allowance between concessions 9 and 10	9 metres
Minimum side yards	6 metres

Minimum distance of all buildings and structures from the road allowance between the Townships of Whitchurch-Stouffville and Uxbridge 12 metres

Maximum height of dwelling two and one-half storeys

O. Reg. 369/81, s. 1.

2. The said Regulation is further amended by adding thereto the following Schedule:

Schedule 1

That parcel of land situate in the Town of Whitchurch-Stouffville in The Regional Municipality of York, being that part of Lot 13 in Concession X more particularly described as follows:

Premising that the north 17° 38' west of the easterly limit of the said Lot 13 governs all bearings mentioned herein;

Beginning at an iron bar marking the southwest angle of the said Lot 13;

Thence north 8° 50' 30" west along the westerly limit of the said Lot 30 feet;

Thence north 72° 24' east 10.12 feet to an iron bar in a line drawn parallel to the westerly limit of the said Lot 13 at a perpendicular distance of 10 feet measured easterly therefrom, the said iron bar being the place of beginning of the herein described parcel of land;

Thence north 8° 50' 30" west along the said line drawn parallel to the westerly limit of the said Lot 187.05 feet to an iron bar;

Thence north 72° 20' east 121.37 feet to an iron bar in the easterly limit of the said Lot;

Thence south 17° 38' east along the easterly limit of the said Lot 185 feet to an iron bar;

Thence south 72° 24' west 149.98 feet to the place of beginning. O. Reg. 369/81, s. 2.

THE ENVIRONMENTAL ASSESSMENT ACT, 1975

O. Reg. 373/81.

Exemption—Ministry of Natural Resources—MNR-35.

Made—May 28th, 1981.

Approved—May 28th, 1981.

Filed—June 3rd, 1981.

ORDER MADE UNDER THE ENVIRONMENTAL ASSESSMENT ACT, 1975

EXEMPTION—MINISTRY OF NATURAL RESOURCES—MNR-35

Having received a request from the Minister of Natural Resources that an undertaking, namely:

Seismic survey activities of the Ontario Geological Survey which include the use of explosives as wave generation sources,

be exempt from the application of the Act pursuant to Section 30; and

Having been advised that if the undertaking is subject to the application of the Act, the following injury, damage or interference with the persons and property indicated will occur:

- A. The Crown and the public will be interfered with by the delay in implementing scheduled seismic survey activities which would result from the undertaking being subject to the application of the Act prior to completion and approval to proceed with respect to a class Environmental Assessment for the undertaking being granted.

Having weighed such injury, damage, or interference against the betterment of the people of the whole or any part of Ontario by the protection, conservation and wise management in Ontario of the environment which would result from the undertaking being subject to the application of the Act;

The undersigned is of the opinion that it is in the public interest to order and orders that the undertaking is exempt from the application of the Act for the following reasons:

- A. The Ministry of Natural Resources has indicated that only one activity comprising the undertaking is anticipated during the term of this order. This activity consists of a research project described in material filed by the Ministry of Natural Resources in connection with the request for this order and that the project is not expected to result in significant adverse environmental effects;
- B. The Ministry of Natural Resources is in the process of preparing a Class EA for this undertaking;
- C. The Ministry of Natural Resources has indicated that it intends to carry out the activity referred to in reason A in accordance with the Class Environmental Assessment which is being prepared for that activity on a trial basis.

This exemption is subject to the following terms and conditions:

1. Prior to the commencement of the undertaking, the responsible Ministry of Natural Resources District Manager will ensure that notice is given to the appropriate local office of the Ministry of the Environment and the affected public of all activities carried out under this exemption.
2. Prior to commencement, any approvals required under the *Environmental Protection Act, 1971* will be obtained. Approvals under the *Ontario Water Resources Act* will

be obtained prior to commencement as though the *Ontario Water Resources Act* bound the Crown.

3. The Ministry of Natural Resources shall ensure at all project locations that site garbage is removed and that wasted machine oils, fuels and maintenance residues are disposed of in an environmentally acceptable manner.
4. Where the implementation of the undertaking requires some activity for which an environmental assessment has been done and approval to proceed received, be conducted, that activity will be carried out in accordance with the environmental assessment and approval to proceed.
5. This exemption shall terminate on December 31, 1982 or any time prior, once approval to proceed with respect to the Class Environmental Assessment has been granted.
6. Documentation for the trial referred to in reason C above, shall be filed with the Environmental Approvals Branch of the Ministry of the Environment and placed into the public record of Environmental Assessments and made available for public scrutiny in the appropriate Ministry of Natural Resources District Office.

This order comes into force and has effect on and after the date upon which it is signed. O. Reg. 373/81.

THE ENVIRONMENTAL PROTECTION ACT, 1971

O. Reg. 374/81.

Sewage Systems.

Made—May 28th, 1981.

Filed—June 3rd, 1981.

REGULATION MADE UNDER THE ENVIRONMENTAL PROTECTION ACT, 1971

SEWAGE SYSTEMS

INTERPRETATION

1. In this Regulation,

- (a) "absorption trench" means an excavation in the soil being part of a leaching bed in which

a distribution pipe will be or is laid and which allows leaching;

- (b) "Standard CAN3-B66" means the standards for prefabricated septic tanks and sewage holding tanks published in August, 1979 as CAN3-B66-M79 by the Canadian Standards Association;
- (c) "distribution box" means a device for ensuring that effluent from a septic tank or sewage treatment plant is distributed in equal amounts to each line of distribution pipe in a leaching bed;
- (d) "distribution pipe" means a line or lines of perforated or open jointed pipe or tile installed in a leaching bed for the purpose of distributing effluent from a septic tank or proprietary aerobic sewage treatment plant to the soil in the leaching bed;
- (e) "earth pit privy" means a latrine consisting of an excavation in the ground surmounted by a superstructure;
- (f) "ground water" means water below the surface of the ground occupying a zone of the earth's mantle that is saturated with water;
- (g) "ground water table" means the elevation of the upper surface of the ground water existing in the area of the sewage system;
- (h) "hailed sewage" means sewage that,
 - (i) is not finally disposed of at the site where it is produced and is not carried away by a sewer approved under the *Ontario Water Resources Act*, and
 - (ii) is stored or retained at the site where it is produced for periodic collection, handling, treatment, transportation, storage or processing prior to final disposal at a place other than where it was produced,
 and includes sewage that is removed from a sewage system for purposes of cleaning or maintaining the system but does not include the sewage in a sewer collection system that transfers the sewage from the site where it is produced to a Class 4, 5 or 6 sewage system located on a separate property;
- (i) "hailed sewage system" means works, installations, equipment, operations and land used in connection with the collection, handling, treatment, transportation, storage, processing and disposal of hailed sewage but does not include,
 - (i) equipment used for the storage or retention of sewage at the site where it is produced, or

- (ii) a sewage works approved under section 42 of the *Ontario Water Resources Act* or a predecessor thereof or a waste disposal site for which a certificate of approval has been issued under Part V of the Act;
- (j) "header line" means a line of pipe with watertight joints installed in a sewage system for the purpose of distributing effluent from a septic tank or proprietary aerobic sewage treatment plant to the distribution pipe in a leaching bed;
- (k) "high ground water table" means the highest elevation at which there is physical evidence that the soil has been saturated with water;
- (l) "irrigation" means the disposal of hauled sewage by depositing it in a shallow trench, furrow or other shallow excavation in the ground and subsequently covering it with earth;
- (m) "leaching" means dispersal of liquid by downward or lateral drainage or both into permeable soil;
- (n) "leaching bed" means the soil absorption system constructed as absorption trenches or as a filter bed, located wholly in ground or raised or partly raised above ground as required by local conditions, to which effluent from a septic tank or proprietary aerobic sewage treatment plant is applied for treatment and disposal and that is composed of,
- (i) the soil that is contained between the surface to which the sewage is applied and the bottom of the leaching bed,
 - (ii) the distribution pipe and the stone or gravel layer in which such pipe is located, and
 - (iii) the backfill above the distribution pipe, including the topsoil and sodding or other anti-erosion measure, and the side slopes of any portion elevated above the natural ground elevation;
- (o) "pail privy" means a latrine in which the receptacle for human waste consists of a removable container surmounted by a superstructure;
- (p) "percolation time" means the average time in minutes that is required for water to drop one centimetre during a soil percolation test as determined by the test or by other means;
- (q) "portable privy" means a portable latrine in which the receptacle for human body waste and the superstructure are combined structurally into one unit;
- (r) "proprietary aerobic sewage treatment plant" means a unit that is available commercially and that consists of one or more watertight vaults or compartments in which sewage is collected for the purpose of removing scum, grease and solids from the liquid and in which sewage is brought into contact with air to cause oxidation of the sewage and that discharges effluent for further treatment or for disposal into the soil;
- (s) "septic tank" means a watertight vault in which sewage is collected for the purpose of removing scum, grease and solids from the liquid without the addition of air and anaerobic digestion of the sewage takes place and that discharges effluent for further treatment or for disposal into the soil;
- (t) "sewage" means,
- (i) waste of domestic origin which is human body waste, toilet or other bathroom waste, waste from other showers and tubs, liquid or water borne culinary and sink waste or laundry waste, and
 - (ii) such other waste,
 - (A) as is suitable for treatment in a sewage system regulated under Part VII of the Act, or
 - (B) with respect to which a certificate of approval has been issued under section 58 of the Act;
- (u) "surface water" means water on the surface of the ground;
- (v) "trade size" means any size designation traditionally used by the trade but restricted to products or classes of products manufactured to a standard or specification so that the designated trade size may be referred to an industry accepted table or chart which then provides the true dimensions of the product in question;
- (w) "vehicle" includes a plane, train, ship and boat or other vessel; and
- (x) "working capacity" means the volume of liquid that a septic tank or holding tank is capable of holding without overflowing while it is in its working position but does not include the volume of liquid contained in a compartment in which a pump or siphon is installed. O. Reg. 374/81, s. 1.

CLASSIFICATION OF SEWAGE SYSTEMS

2.—(1) The following are classified as sewage systems for purposes of Part VII of the Act:

1. Class 1 — a chemical toilet, an incinerating toilet, a recirculating toilet, a self-contained portable toilet and all forms of privy including a portable privy, an earth pit privy, a pail privy, a privy vault and a composting toilet system.
2. Class 2 — a leaching pit.
3. Class 3 — a cesspool.
4. Class 4 — a septic tank system.
5. Class 5 — a sewage system which requires or uses a holding tank for the storage or retention of hauled sewage at the site where it is produced prior to its collection by a Class 7 sewage system.
6. Class 6 — a sewage system in which sewage is treated in a proprietary aerobic sewage treatment plant.
7. Class 7 — a hauled sewage system.
8. Class 8 — a sewage system in or on any vehicle except when it is used as part of a hauled sewage system.
9. Class 9 — a sewage works located in whole or in part in or on land on the title of which has been registered in the proper land registry office an instrument referred to in section 23 of the *Ontario Water Resources Act* granting, creating or containing a right or interest in, over, above, upon, across, along, through, under or affecting any land or any covenant or condition relating thereto affecting the construction, installation, establishment, enlargement, extension, alteration, operation, maintenance, cleaning, emptying or disinfection of the sewage system.

(2) A Class 4, 5 or 6 sewage system that is designed to be capable of handling sewage flows in excess of 4,500 litres per day is also classified as a Class A sewage system. O. Reg. 374/81, s. 2.

EXEMPTIONS

3.—(1) A Class 1 sewage system for which an application for a certificate of approval is not submitted is exempt from the provisions of sections 57 and 59a of the Act.

(2) A person who has received a certificate of approval in respect of a Class 1, 2 or 3 sewage system and who constructs, installs or establishes the sewage

system in accordance with his application, except as it may be modified by the certificate of approval, and in accordance with the terms and conditions on the certificate of approval and otherwise complies with the Act and this Regulation is exempt from the provisions of section 59a of the Act.

(3) A Class 8 sewage system is exempt from the provisions of this Regulation except for subsection 4 (2) and from the provisions of Part VII of the Act except for section 62.

(4) A Class 9 sewage system is exempt from the provisions of section 56a of the Act but only to the extent necessary for section 23 of the *Ontario Water Resources Act* to continue to operate with respect to the instruments referred to in paragraph 9 of subsection 2 (1). O. Reg. 374/81, s. 3.

STANDARDS COMMON TO SEWAGE SYSTEMS

4.—(1) No person shall construct, operate or maintain a sewage system to which Part VII of the Act and this Regulation apply except in accordance with the standards prescribed in this Regulation or as otherwise provided in a certificate of approval issued under section 58 of the Act, a term or condition made under clause 59 (c) of the Act, a permit issued under section 59a of the Act or an order issued under section 60 of the Act.

(2) The following are prescribed as standards for the construction, operation and maintenance of all sewage systems:

1. Except for a Class 7 sewage system, the sewage system or any part thereof shall not emit, discharge or deposit sewage or effluent onto the surface of the ground.
2. Sewage or effluent shall not emit, discharge, seep, leak or otherwise escape from the sewage system or any part thereof into a piped water supply, well water supply, a watercourse, ground water or surface water.
3. Sewage or effluent shall not emit, discharge, seep, leak or otherwise escape from the sewage system or any part thereof other than from a place or part of the sewage system where the system is designed or intended to discharge sewage or effluent.
4. Insects and animal life shall be prevented from gaining access to sewage contained in the sewage system.
5. No sewage system or any part thereof shall emit, discharge, deposit or allow the emission, discharge or deposit of micro organisms of intestinal origin into the natural environment in such a manner as may be a hazard to health.

6. No gas shall emit, discharge or otherwise escape from the sewage system into any building or structure except in the manner in which the sewage system was designed or intended to emit or discharge gas.

7. No connections to the sewage system from non-sewage waste water sources shall be made.

8. The operator of the sewage system shall keep it maintained at all times so that its construction remains in accordance with the certificate of approval and any order made under the Act.

(3) Paragraph 2 of subsection (2) does not apply to prevent the operation of a sewage system designed and operated so that properly treated effluent is discharged into the soil.

(4) A sewage system that does not function in the manner that it was designed and that is not being corrected under arrangements made by the owner is classified as a malfunctioning system.

(5) A malfunctioning system shall not be operated unless a full report of the problem has been made to the Director. O. Reg. 374/81, s. 4.

5.—(1) A sewage system constructed after the 16th day of April, 1974 shall be located so that it is wholly contained within the parcel of land on which the structures, in connection with which the sewage system is to be used, are located.

(2) Subsection (1) does not apply to,

(a) a Class 7 sewage system;

(b) a sewage system owned and operated by the Crown, a municipality, or an organization acceptable to the Director, created for the purpose of operating a sewage system;

(c) a sewage system or that part of a sewage system located on a parcel of land that is subject to a registered easement or other registered interest in land permitting its maintenance, repair and replacement in favour of the parcel of land on which the structure being served by the sewage system is located; or

(d) a sewage system or that part of a sewage system located on land that is owned by Her Majesty the Queen in right of the Province of Ontario or is a public road allowance with the written approval of the authority having jurisdiction over such land or road allowance.

(3) A sewage system of a type set out in column 1 of Table 1 shall be located so that no part thereof is closer to an item described in the heading of column 2, col-

umn 3 or column 4 of Table 1, than the horizontal distance set out opposite the name of such type of sewage system in such column. O. Reg. 374/81, s. 5.

CONSTRUCTION AND OPERATION STANDARDS

Tanks

6.—(1) The following are prescribed as standards for any tank used in a sewage system for collecting, treating, holding or storing sewage:

1. The tank shall conform to the requirements of Standard CAN3-B66, except as otherwise provided in this Regulation.

2. The tank, unless it is a septic tank in a Class 4 sewage system or a sewage holding tank in a Class 5 sewage system, need not conform to the requirements of Standard CAN3-B66 except those respecting material standards, access, workmanship and construction methods and practices.

3. Access openings shall be located to facilitate the pumping of all compartments and the servicing of the inlet and outlet of each compartment not accessible by the removal of the tank top or part thereof.

(2) Subsection (1) does not apply to a tank that is used as part of a Class 7 sewage system and mounted on a vehicle or that is an integral part of a prefabricated Class 1 sewage system.

(3) A tank regulated by subsection (1) shall not be covered by earth or other fill material having a depth greater than the maximum depth of burial that the tank is designed to withstand.

(4) A prefabricated septic tank in a Class 4 sewage system or a prefabricated sewage holding tank in a Class 5 sewage system installed in Ontario shall bear the manufacturer's mark indicating that the tank complies with the requirements of this Regulation and shall bear the standards mark of,

(a) the Canadian Standards Association;

(b) the Underwriters' Laboratories of Canada; or

(c) an organization accredited by the Standards Council of Canada for certifying products of a type that include such tanks,

indicating that it complies with this Regulation.

(5) Where a report in respect of a prefabricated septic or sewage holding tank prepared in accordance with subsection (8), based on inspections performed not more than twelve months before the tank was constructed, is filed with and accepted by the head of the Pollution Control Branch of the Ministry, the tank shall be deemed to comply with the provision of subsection (4) requiring a standards mark.

(6) The records of the concrete cylinder tests prescribed in Standard CAN3-B66 for the manufacture of prefabricated concrete tanks shall be preserved for inspection by the certifying agency or by the engineer preparing the report referred to in subsection (5).

(7) In this section "engineer" means a person who is a member of the Association of Professional Engineers of the Province of Ontario who is qualified to make the tests and give the opinion required by subsection (8), and if the tanks with respect to which the report is prepared are not manufactured in Ontario, includes a professional engineer who meets similar qualifications in the province or state in which the tanks are manufactured.

(8) The report referred to in subsection (5) shall be prepared, filed and accepted in accordance with the following rules:

1. The report shall,

- i. be prepared by an engineer,
- ii. state the qualifications of the engineer who prepared the report,
- iii. if the engineer who prepared the report is not a member of the Association of Professional Engineers of the Province of Ontario, include a copy of a certificate or letter of the governing body of the professional engineers in the jurisdiction in which the tanks with respect to which the report is prepared are manufactured indicating that the person meets qualifications equivalent to those required for membership in the Association of Professional Engineers of the Province of Ontario,
- iv. state that the engineer who prepared the report has no direct or indirect financial connection as an owner, employee or otherwise with the manufacturer of the tanks with respect to which the report is prepared other than for the preparation of the reports and except for such other services as an engineer provides that are mentioned in the report,
- v. state that the engineer who prepared the report has inspected the plant in which the tanks being reported on are manufactured and the concrete cylinder strength test records mentioned in subsection (6) and has selected at random, inspected and tested a representative tank of each model to which the report relates,
- vi. state the tests that have been performed on each tank, which tests shall

include the strength and leakage tests prescribed by Canadian Standards Association Standard CAN3-B66,

- vii. state that the engineer who prepared the report has performed such tests as are necessary to form an opinion and that he is of the opinion that each tank tested met the standards prescribed by this Regulation, that the plant, equipment and system of production are capable of producing such tanks and that he has no reason to believe that any tanks of the models and sizes his report relates to that are being made in the plant do not meet the standards prescribed by this Regulation, with such exceptions as are specified in the report,
 - viii. specify the tanks, models and sizes of each model to which the report relates,
 - ix. include scaled or dimensioned drawings showing the plan and elevations of each model of tank to which the report relates, and
 - x. include a general description of the plant, its location and the equipment used for making the tanks.
2. The engineer preparing a report shall make the inspections and tests necessary for the report as often as he considers necessary.
 3. Subject to subparagraph vii of paragraph 1, the engineer preparing a report need not carry out strength and leakage tests on each size of a model of tank to which his report relates.
 4. Where a report is not the first report submitted under this section by the engineer who prepared it with respect to the models and sizes of tanks of the manufacturer that the report relates to, it may, instead of the requirements of paragraph 1, state when the tests and inspections on which it is based were performed, those tests not conducted and judged not necessary in order to report continued compliance with this Regulation and such other matters referred to in paragraph 1 as have changed from the previous report. O. Reg. 374/81, s. 6.

Class 1 Sewage Systems

7.—(1) The following are prescribed as standards for the operation of a Class 1 sewage system:

1. Subject to paragraph 2, the sewage system shall receive or be used only for the disposal of human body waste.

2. If the sewage system has been specifically designed for the biological decomposition of non-waterborne biodegradable kitchen wastes or requires the addition of small quantities of plant matter to improve the decomposition of human body waste, it may receive such wastes in addition to human body waste.

(2) All forms of privy shall be provided with an enclosed superstructure that,

- (a) shall be constructed of strong durable weatherproof materials;
- (b) has a solid floor supported by a sill constructed of treated timber, masonry or other material of at least equal strength and durability;
- (c) unless it is equipped solely as a urinal, is equipped with one or more seats each having a cover and being supported by an enclosed bench or riser which is lined with an impervious material on all interior vertical surfaces;
- (d) is equipped with a self-closing door;
- (e) has one or more openings for purposes of ventilation, all of which are screened;
- (f) has a ventilation duct that is screened at the top end and that extends from the under side of the bench or riser to a point above the roof of the superstructure; and
- (g) shall not have any openings for the reception of human body waste, other than urinals and those constructed in accordance with clause (c).

(3) The following are prescribed as standards for the construction of an earth pit privy:

1. The bottom of the pit shall be at least 0.5 metres above the high ground water table.
2. The sides of the pit shall be reinforced so as to prevent the collapse thereof.
3. The pit shall be surrounded on all sides and on its bottom by not less than 0.6 metres of earth.
4. The surface of the ground in the area surrounding the pit shall be so graded that surface drainage in the area of the pit will be diverted away from the pit.
5. The earth around the base of the sides of the superstructure of the earth pit privy shall be raised or mounded to a height of at least 0.15 metres above ground level.

(4) The following are prescribed as standards for the construction of a privy-vault or a pail privy:

1. The container or structure which is to be used for the holding or storage of sewage shall be watertight and made of a material which can be easily cleaned.
2. The earth around the base of the sides of the superstructure shall be raised or mounded to a height of at least 0.15 metres above ground level.
3. The surface of the ground in the area of the privy-vault or pail privy shall be so graded that surface drainage will be diverted away from the privy.

(5) The following are prescribed as standards for the construction of a portable privy:

1. It shall have a watertight receptacle which shall be suitable for the holding and storage of any sewage deposited therein.
2. The receptacle for the holding and storage of sewage shall be designed and constructed in such a manner as to allow it to be easily cleaned and emptied.
3. It shall be constructed of such material and in such a manner that it can withstand the stresses to which it will be subjected during its transportation to and from sites where it is to be used and during loading and unloading from vehicles used for the transportation of the portable privy to and from sites where it is to be used. O. Reg. 374/81, s. 7.

Class 2 Sewage Systems—Leaching Pits

8.—(1) A prescribed standard for the operation of a Class 2 sewage system is that it shall be used only for the disposal of sewage other than human body waste.

(2) The following are prescribed as standards for the construction of a Class 2 sewage system:

1. The bottom of the pit shall be at least 0.5 metres above the high ground water table.
2. The pit shall be constructed in such a manner as to prevent the collapse of its sidewalls.
3. Any material used to support or form the sidewalls of the pit shall be an open jointed material of a type that will permit leaching from the pit.
4. The pit shall be provided with a tight, strong cover that shall remain over the pit except when it is necessary to remove it for purposes of adding sewage to or removing sewage from the pit or for purposes of maintenance of the pit.

5. The earth around the perimeter of the pit shall be raised or mounded to a height of at least 0.15 metres above ground level.
6. The surface of the ground in the area of the pit shall be so graded that surface drainage in the area will be diverted away from the pit.
7. The pit shall be surrounded on all sides and on its bottom by at least 0.6 metres of earth. O. Reg. 374/81, s. 8.

Class 3 Sewage Systems—Cesspools

9.—(1) A prescribed standard for the operation of a Class 3 sewage system is that it shall be used only for the disposal of the contents of a Class 1 sewage system or effluent that has passed through a leaching bed that was in use before the 16th day of April, 1974.

(2) The following are prescribed as standards for the construction of a Class 3 sewage system:

1. The bottom of the cesspool shall be at least 0.5 metres above the high ground water table.
2. The cesspool shall be constructed in such a manner as to prevent the collapse of its sidewalls.
3. Any material used to support or form the sidewalls of the cesspool shall be an open jointed material of a type that will permit leaching from the cesspool.
4. The cesspool shall be provided with a tight, strong cover that shall remain over the cesspool except when it is necessary to remove it for purposes of adding sewage to or removing sewage from the cesspool or for purposes of maintenance of the cesspool.
5. The earth around the perimeter of the cesspool shall be raised or mounded to a height of at least 0.15 metres above ground level.
6. The surface of the ground in the area of the cesspool shall be so graded that surface drainage in the area will be diverted away from the cesspool.
7. The cesspool shall be surrounded on all sides and on the bottom by at least 0.6 metres of earth. O. Reg. 374/81, s. 9.

Class 4 Sewage Systems—Septic Tank Systems

10.—(1) The following are prescribed as standards for the construction and installation of a Class 4 sewage system:

1. The septic tank shall conform to the requirements of section 6.

2. The working capacity of the septic tank shall in no case, be less than 2,700 litres and,

- i. where the septic tank system is to be used in connection with a private dwelling having the number of bedrooms itemized in column 1 of Table 2, shall be not less than the number of litres set out opposite thereto in column 2, or

- ii. where the septic tank system is to be used in connection with structures other than a private dwelling having five bedrooms or less, shall be not less than twice the daily sewage flow for daily sewage flows of 3,600 litres or less and not less than three-quarters of the daily sewage flow plus 4,500 litres for daily sewage flows in excess of 3,600 litres.

3. The septic tank shall be of such construction and design as will permit the collection and holding of sewage therein to a depth of not less than 120 centimetres except that a depth of not less than ninety centimetres is permissible where excavation in rock is necessary or to avoid rupture or displacement of the tank due to ground water pressure.

4. The septic tank shall be constructed in such a manner that any sewage flowing through the tank shall pass through at least two compartments for settling sewage.

5. The working capacity of the second compartment of a septic tank shall be approximately 50 per cent of the working capacity of the first compartment.

6. Partitions separating the septic tank into compartments shall extend at least fifteen centimetres above the liquid level at the outlet and there shall be one or more openings through or above the partition which openings shall have a total area of at least three times the area of the inlet pipe and be located between the ceiling and a level fifteen centimetres above the liquid level at the outlet to provide for the free flow of air between compartments.

7. Sewage may pass from one compartment to another of the septic tank system by means of either,

- i. a fixture similar to that described in Standard CAN3-B66 for outlet devices, or

- ii. through two or more openings through the partition located in a horizontal line and evenly spaced across the width of the partition,

centred at approximately 40 per cent of the liquid depth below the surface of the liquid, and having a total area of between three and five times that of the cross-sectional area of the inlet pipe.

8. Where the total length of distribution pipe required by subsection (3) is 150 metres or more, the sewage system shall have a pump or siphon, contained in a separate compartment that may be part of the tank structure, so designed and constructed that it will be capable of discharging from the compartment, within a time period not exceeding fifteen minutes, a volume of tank effluent not less than three-quarters of the total interior volume of the distribution pipe.
9. No person shall locate or cause or permit the location of a septic tank closer to an item set out in column 1 of Table 3 than the horizontal distance set out opposite thereto in column 2.

(2) The following are prescribed as standards for the construction of a leaching bed used in connection with a Class 4 sewage system:

1. No person shall locate or cause or permit the location of the leaching bed,
 - i. in an area that has an average slope that exceeds one unit vertically to four units horizontally,
 - ii. in soil that has a percolation time greater than fifty minutes or less than one minute,
 - iii. so that a distribution pipe installed therein or any part thereof is closer to an item set out in column 1 of Table 4 than the horizontal distance set out opposite thereto in column 2,
 - iv. where the effluent from the leaching bed would cause impairment of the ground water, or
 - v. where the area in or on which the leaching bed is to be constructed is subject to inundation or flooding by surface water.
2. The surface of the leaching bed shall be shaped to shed water and, together with the side slopes of any raised portion, shall be protected against erosion in such a manner as to not inhibit the evaporation and transpiration of waters from the soil and to not cause plugging of the distribution pipe.
3. The leaching bed shall not be covered with any impervious material.

4. The leaching bed shall be protected from compaction or any stress or pressure that may result in the impairment or destruction of any pipe or tile in the leaching bed.

(3) The following are prescribed as standards for the construction of a leaching bed, constructed by means of absorption trenches, that is used in connection with a Class 4 sewage system:

1. The leaching bed serving a private dwelling having the number of bedrooms set out in column 1 of Table 5 shall have a distribution pipe having a total length not less than that set out opposite such number in the column headed by the design percolation time for the soil in the leaching bed.
2. The leaching bed serving a building or structure other than a private dwelling shall have a total length of distribution pipe not less than the value determined by the formula,

$$L = QT/200$$

where L is the total length of distribution pipe expressed in metres, Q is the total daily sewage flow in litres and T is the design percolation time in minutes, but in no case shall the total length of distribution pipe be less than forty metres.

3. The absorption trenches shall be,
 - i. not more than thirty metres in length,
 - ii. approximately the same length,
 - iii. at least 0.5 metres in width,
 - iv. between 0.6 and 0.9 metres in depth,
 - v. centred at least 1.6 metres apart,
 - vi. set at an elevation such that the bottom of the trench shall be at all points at least 0.5 metres above high ground water table and at least 0.9 metres above the maximum elevation of rock or soil with a percolation time of greater than fifty minutes, and
 - vii. backfilled, after installation of distribution pipe in accordance with paragraph 4, with porous soil so as to ensure that after the soil settles the surface of the leaching bed will not form any depressions.
4. Distribution pipe used in the construction of a leaching bed shall be,
 - i. of not less than three inch diameter trade size for gravity flow systems or

one and one-quarter inch diameter trade size for pressurized systems,

- ii. placed or installed on a layer or covering at least 0.15 metres in depth and 0.5 metres in width comprised of stone that is either nineteen millimetre clear aggregate, washed to be free of fine material, or clean gravel screened to be between nineteen and fifty-three millimetres in size,
- iii. placed or installed with a uniform downward slope from the inlet with a drop of not less than thirty millimetres and not more than fifty millimetres for each ten metres of its length,
- iv. where it is open-jointed distribution pipe, installed in such a manner that there is an open space of not less than six and not more than twelve millimetres between each pipe or tile and that the upper half of every open space is covered with tar paper so as to prevent soil, gravel or other foreign matter from entering the distribution pipe through the open space, and
- v. covered with stone of the type used below the distribution pipe to a height of at least fifty millimetres above the top of the distribution pipe, which stone is then completely covered with untreated building paper, pea gravel, straw or other like material in such a manner as to prevent soil from entering the stone.

5. A leaching bed comprising absorption trenches may be constructed in imported soil provided that,

- i. there is unsaturated soil having a percolation time not less than one minute and not more than fifty minutes, to a depth of at least 0.25 metres over the area covered by the leaching bed and extending for at least fifteen metres beyond the outer distribution pipes in any direction in which the sewage entering the soil will move laterally,
- ii. where soil is added to meet the requirements of subparagraph i it shall be stabilized against erosion,
- iii. where the soil meeting the requirements of subparagraph i has percolation time greater than fifteen minutes, any soil added to it, except porous soil added as backfill above the stone layer in which the distribution pipe is located, has a percolation time not less than 75 per cent of the percolation

time of the soil meeting the requirements of subparagraph i,

- iv. the site to which the soil is added is generally clear of vegetation,
- v. the soil that is added is compacted in layers so as to avoid uneven settlement of the distribution pipes,
- vi. the surface of the soil that is added to form the leaching bed and is above the level of the surrounding ground is extended horizontally at least one metre beyond the centre line of any pipe or the end of any absorption trench or part thereof before sloping to ground level,
- vii. the sides of the added soil are sloped to ensure stability but are not steeper than one unit vertically to two units horizontally,
- viii. any distribution boxes, header lines, absorption trenches and distribution pipe are constructed or installed only after the soil that has been added to the site has been compacted in accordance with subparagraph v, and
- ix. the distances set out in column 2 of Table 4 are increased by two metres for each metre that the surface of the leaching bed is raised above ground level.

6. Soil added to meet the requirements of subparagraph i of paragraph 5 or to form the leaching bed, shall be regarded as part of the sewage system for the purposes of section 5.

(4) A leaching bed used in connection with a Class 4 sewage system may be constructed as a filter bed providing that,

- (a) the requirements of subsection (2), paragraphs 4 and 6 of subsection (3) and subparagraphs i, ii, iv, v, viii and ix of paragraph 5 of subsection (3) are met;
- (b) the average daily sewage load does not exceed 5,000 litres;
- (c) the effective area of the filter is such that the loading on the surface of the filter medium does not exceed seventy-five litres per square metre per day when the daily sewage flow does not exceed 3,000 litres and fifty litres per square metre per day when the daily sewage flow exceeds 3,000 litres;
- (d) no one filter has an area of more than fifty square metres;

- (e) the surface of the filter medium to which the sewage is applied is at least 0.5 metres above the high ground water table and at least 0.9 metres above the maximum elevation of rock or soil with a percolation time greater than fifty minutes;
- (f) the stone layer in which the distribution pipe is set is continuous over the surface of the filter medium to which the sewage is applied;
- (g) the lines of distribution pipe are evenly spaced over the surface of the filter medium to which the sewage is applied at a spacing not exceeding 1.2 metres;
- (h) the stone layer in which the distribution pipe is set extends at least 0.15 metres beyond the ends of any distribution pipe and at least one-half of the distribution pipe spacing beyond the centre line of the outermost pipe;
- (i) the filter medium has a minimum depth of 0.75 metres below the stone layer and is clean sand comprised of particles ranging in size between the limits of,
 - (i) an effective size of 0.25 millimetres with a uniformity coefficient not less than 3.5, and
 - (ii) an effective size of 2.5 millimetres with a uniformity coefficient not greater than 1.5;
- (j) the base of the filter medium extends at a thickness of at least 0.25 metres over an area meeting the requirements of the formula:

$$A = QT/850$$

where A is the area of contact in square metres between the base of the filter medium and the underlying soil, Q is the daily sewage flow in litres and T is the percolation time of the underlying soil;

- (k) the filter bed is overfilled with porous soil so as to ensure that after the soil settles the surface of the bed will be shaped to shed rain-water.

(5) The following are prescribed as standards for the operation of a Class 4 sewage system:

1. The owner of the sewage system shall arrange for the servicing and maintenance of all components of the sewage system as required to ensure its continued proper operation.
2. If the sewage system is a Class A sewage system, the owner shall at least once in every twelve months in which the system is used, have it inspected by a person licensed to

carry out servicing and repairs. O. Reg. 374/81, s. 10.

Class 5 Sewage Systems—Holding Tanks

11.—(1) The following are prescribed as the standards for the construction and operation of a Class 5 sewage system:

1. The sewage system shall be operated in connection with a Class 7 sewage system for which a certificate of approval has been issued under Part VII of the Act.
2. When the sewage system is filled with sewage the sewage system shall not be operated until such time as the sewage is removed from the sewage system in accordance with the Act and this Regulation.
3. The sewage system shall have an apparatus or device installed and kept operating to provide a warning that is visible or audible or both to indicate when the tank is nearing capacity and should be emptied, which apparatus or device shall be capable of adjustment to give warning at the sewage level in the tank that, in relation to the daily sewage flow, will provide a suitable advance warning to the building occupants considering the location of the system and the response time of the contracted Class 7 sewage system.

(2) The following are prescribed as standards for the construction of a holding tank that is to be used as part of a Class 5 sewage system:

1. The holding tank shall conform to the requirements of section 6.
2. The holding tank shall be capable of being fitted with that part of the warning device referred to in paragraph 3 of subsection (1) that is to be mounted on or in the tank.
3. The holding tank shall be of a design or construction that will allow it to be sealed in such a manner as to be capable of withstanding internal pressure as specified in Underwriters' Laboratories of Canada Standards ULC-S601-1973 and ULC-S603-1973.
4. The holding tank shall be of such design and construction as will allow the complete removal of solid matter that can be expected to settle in the holding tank.
5. The holding tank shall have an apparatus or device suitable for allowing the contents of the holding tank to drain from or be otherwise removed from the holding tank in accordance with the Act and this Regulation.
6. The working capacity of a holding tank shall not less than 9,000 litres.

(3) A holding tank that is part of a Class 1 sewage system is exempt from the requirements of paragraph 6 of subsection (2).

(4) To meet the requirements of paragraph 6 of subsection (2), two or more tanks may be used and, if they are connected in such a manner as will allow the sewage contained therein to flow between the tanks, they shall be deemed to be one holding tank, but the combined working capacity shall not include any portion of any tank that cannot be completely drained due to the manner in which the connections are made. O. Reg. 374/81, s. 11.

Class 6 Sewage Systems—Proprietary Aerobic Systems

12.—(1) The following are prescribed as standards for installation of a Class 6 sewage system:

1. No person shall locate or cause or permit the location of the proprietary aerobic sewage treatment plant closer to an item set out in column 1 of Table 3 than the horizontal distance set out opposite thereto in column 2.
2. A leaching bed constructed as part of the sewage system shall be located in accordance with the provisions of paragraph 1 of subsection 10 (2).
3. The sewage system shall comply with the requirements of paragraph 8 of subsection 10 (1).
4. The sewage system shall include an audible failure warning alarm located to warn occupants of the building served of a malfunction in the operation of the proprietary aerobic sewage treatment plant.

(2) The following are prescribed as standards for the construction of a leaching bed that is used in connection with a Class 6 sewage system:

1. The leaching bed, if constructed by means of absorption trenches, shall have, in any case, at least thirty metres of distribution pipe but,
 - i. if serving a private dwelling, it shall have distribution pipe of a total length not less than two-thirds of the length set out in the appropriate column of Table 5 showing the design percolation time for the soil in the leaching bed opposite the number of bedrooms set out in column 1 of Table 5, or
 - ii. if serving a structure other than a private dwelling, it shall have distribution pipe of a total length not less than the value determined by the formula:

$$L = QT/300$$

where L is the total length of distribution pipe expressed in metres, Q is the total daily sewage flow in litres and T is the design percolation time in minutes.

2. Where the leaching bed is constructed by means of absorption trenches, it shall conform to the provisions of subsection 10 (2) and paragraphs 3, 4, 5 and 6 of subsection 10 (3).
3. The leaching bed may be constructed as a filter bed where,
 - i. except as provided in subparagraphs ii and iii it conforms to the provisions of subsection 10 (4),
 - ii. the average daily sewage flow does not exceed 10,000 litres, and
 - iii. the effective area of the filter is such that the loading on the surface of the filter medium does not exceed 150 litres per square metre per day when the daily sewage flow does not exceed 6,000 litres and 100 litres per square metre per day when the daily sewage flow exceeds 6,000 litres.

(3) The manufacturer or distributor of a proprietary aerobic sewage treatment plant shall have, for each type and model of plant sold, printed literature that describes the plant in detail and provides complete instructions regarding the operation, servicing, and maintenance requirements of the plant and its related components necessary to ensure its continued proper operation in accordance with its design and specifications.

(4) The following are prescribed as standards for the construction, operation and maintenance of a Class 6 sewage system:

1. The proprietary aerobic sewage treatment plant and its related components shall be operated, serviced and maintained in accordance with the instructions referred to in subsection (3).
2. Servicing and maintenance shall be undertaken regularly and with a frequency necessary to ensure the proper operation of the plant and its components in accordance with its designs and specifications.

(5) A Class 6 sewage system shall not be constructed unless a copy of the literature described in subsection (3) is made available to the owner of the property on which the system is to be installed for retention by him.

(6) A Class 6 sewage system that is not a Class A sewage system shall not be operated unless the servicing and maintenance of the proprietary aerobic sewage

treatment plant and its related components are carried out by a person,

- (a) approved by the manufacturer; or
- (b) licensed under Part VII of the Act, whose licence has a condition authorizing him to service and maintain that type of proprietary aerobic sewage treatment plant,

and who has a copy of the literature described in subsection (3).

(7) A Class 6 sewage system that is a Class A sewage system shall not be operated unless there is a written agreement for its servicing and maintenance between the owner or operator and a person described in clause (6) (b) or an employee of the owner approved by the manufacturer for the servicing and maintenance of the proprietary aerobic sewage treatment plant and approved for that purpose in writing by the Director carries out the servicing and maintenance as part of his duties. O. Reg. 374/81, s. 12.

Class 7 Sewage Systems—Hauled Sewage Systems

13.—(1) The following are prescribed as standards for the operation of a Class 7 sewage system:

1. Every tank that is part of a Class 7 sewage system and that is used for the transportation of sewage shall have inscribed thereon in plain view the words "SEWAGE WASTE" in letters which are not less than 150 millimetres in height, unless the tank bears a company designation in letters of similar size that clearly indicates the nature of the contents.
2. A Class 7 sewage system or any part thereof that comes into contact with sewage shall not be used for the collection, handling, treatment, transportation, storage or processing of any material other than sewage or a material approved in writing by the Director.
3. Sewage shall not be emitted, discharged or deposited on the surface of the ground from a Class 7 sewage system except in accordance with,
 - i. terms and conditions providing for such emission, discharge or deposit, contained in a certificate of approval issued under section 58 of the Act and pursuant to a permit issued under section 59 of the Act, or
 - ii. an order issued under section 60 of the Act.

(2) Paragraph 2 of subsection (1) does not apply to prohibit a tank truck or trailer that has been used to haul sewage from being used to transport other liquids, exclusive of liquids for human or animal con-

sumption, providing that the tank and any parts that have contacted sewage are flushed and steam cleaned before it is used for such purposes and cleaned again before it is used again for hauling sewage.

(3) A person who holds a licence under section 61 of the Act for the operation of a Class 7 sewage system shall,

- (a) keep daily records of the premises from which sewage is collected and the amounts of sewage collected therefrom;
- (b) keep daily records of the disposal site or disposal sites at which the sewage is discharged or disposed of and the amounts of sewage discharged or disposed of at those sites;
- (c) on or before the 1st day of February of each year submit to the Director a written report, summarizing the information so recorded for each disposal site for the previous calendar year, and such other information as the Director may require; and
- (d) keep the daily records required by clauses (a) and (b) available for review by the Director as the Director may require for a period of one year after submission of the written report required by clause (c) or for such longer period as the Director notifies the licensee in writing. O. Reg. 374/81, s. 13.

LICENSING

14.—(1) A person engaged in the type of business set out in column 1 of Table 6 shall have the class of licence set out opposite thereto in column 2.

(2) The holder of one class of licence may, if he also holds the appropriate certificates of approval and permits, engage in the activity of the holder of the other class of licence which is incidental to the business carried on under the class of licence held.

(3) An application for a licence referred to in subsection (1) or for a renewal thereof shall be made to the Director.

(4) An application for renewal of a licence shall be made at least thirty days prior to the expiry of the licence being renewed.

(5) An applicant for a licence shall, if required by the Director, pass an examination administered by a person designated by the Director.

(6) Where the Director requires an applicant to pass an examination the Director shall ensure that the applicant is notified by registered mail of,

- (a) the date, time and place fixed for the examination; and

(b) any information or evidence in respect of the qualifications of the applicant to engage in the business that the Director may require him to produce.

(7) A notice referred to in subsection (6) shall be given at least seven days before the day fixed for the examination.

(8) Where a partnership or corporation is the applicant the application shall include the following information,

- (a) the names and addresses of all its partners, members, officers or directors, as the case may be;
- (b) the names of all its partners, directors of corporations or full-time employees of corporations, as the case may be, who are the persons who will be in charge of supervising the work to be carried out by the partnership or corporation; and
- (c) from among the names specified under clause (b) the name or names of its official representative or representatives whose duty it is to ensure that the Act and the Regulations are complied with,

and the applicant shall, whenever there is a change in the particulars given in its application, give notice of the change to the Director within thirty days after the effective date of the change.

(9) In the case of an application for a licence by a partnership or corporation the examination referred to in subsection (5) shall be taken by the official representative specified under clause (8) (c). O. Reg. 374/81, s. 14.

FEES

15.—(1) Except as provided in subsection (2), the fees to be paid in respect of the following matters are:

- 1. For a certificate of approval for the construction, installation, establishment, enlargement, extension or alteration of a Class 4, 5, 6 or 7 sewage system other than a Class A sewage system shall be that amount set out in column 2 of Table 7 opposite item 1.
- 2. For a certificate of approval for the construction, installation, establishment, enlargement, extension or alteration of a Class A sewage system shall be that amount set out in column 3 of Table 7 opposite item 1.
- 3. For the issuance of each licence under section 61 of the Act Nil
- 4. For the renewal of a licence issued under section 61 of the Act Nil
- 5. In the case of an application under section 29 of the *Planning Act*, for each parcel of land in respect of which the application is made Nil
- 6. In the case of an application under section 33 of the *Planning Act*, for each parcel of land in respect of which the application is made Nil

(2) In respect of a sewage system within the area under the jurisdiction of a municipality named in column 1 of Table 7, the fee to be paid for a certificate of approval issued by a municipality or a Director who is employed by a municipality for the construction, installation, establishment, enlargement, extension or alteration of,

- (a) a Class 4, 5, 6 or 7 sewage system other than a Class A sewage system shall be that amount set out in column 2 of Table 7 opposite the name of the municipality; and
- (b) a Class A sewage system shall be that amount set out in column 3 of Table 7 opposite the name of the municipality.

THE ENVIRONMENTAL ASSESSMENT ACT, 1975

O. Reg. 379/81.

Exemption—South Lake Simcoe Conservation
Authority—CA—SLS-1.

Made—May 21st, 1981.

Approved—May 21st, 1981.

Filed—June 4th, 1981.

ORDER MADE UNDER THE ENVIRONMENTAL ASSESSMENT ACT, 1975

EXEMPTION—SOUTH LAKE SIMCOE CONSERVATION AUTHORITY—CA—SLS-1

Having received a request from the South Lake Simcoe Conservation Authority that an undertaking, namely:

The program of upgrading and improving the Holland Marsh Dyke, west of Highway 400, by driving sheet piles into the top of the existing dyke and raising the existing dyke level by approximately 1.3 m to 221.9 m elevation (Geodetic Survey of Canada Datum) for the purpose of flood risk reduction to the community within the dyke area,

be exempt from the application of the Act pursuant to Section 30; and

Having been advised by the South Lake Simcoe Conservation Authority that if the undertaking is subject to the application of the Act, the following injury, damage or interference with the persons and property indicated will occur:

- A. The community within the dyked area will continue to be threatened with the loss of life, property and agricultural produce, which is grown and stored in this area, if existing lower dykes fail.

Having weighed such injury, damage, or interference against the betterment of the people of the whole

or any part of Ontario by the protection, conservation and wise management in Ontario of the environment which would result from the undertaking being subject to the application of the Act;

The undersigned is of the opinion that it is in the public interest to order and orders that the undertaking is exempt from the application of the Act for the following reasons:

- A. The proposed undertaking is necessary in order to provide flood protection facilities which can withstand the one hundred year return storm for this area. Designing for the one hundred year return storm is consistent with existing Government policy on flood protection. This undertaking has the support from The Regional Municipality of York, the Holland Marsh Drainage Commission, the Townships of West Gwillimbury and King, Town of Bradford, the Ministry of Natural Resources and the Ministry of Agriculture and Food;
- B. The driving of sheet piles into the top of the existing dyke does not present any conflict with the Municipal and Township construction policy and zoning by-laws;
- C. The proposed undertaking will have no significant adverse effects on the environment and the reasons are:
 - (i) The existing berms and canals of this area are all man-made and adjacent to an intensively managed agricultural area.
 - (ii) The sheet piles, which are to be driven into the dyke, do not come in contact with the water surface of the canals. Therefore, the proposed construction will have no effect on the water quality.
 - (iii) The existing surface of the dyke is either a gravelled or paved road. Therefore, no wildlife habitat will be affected by this improvement and upgrading program. The sheet piling may help to improve local water quality by preventing road dust and dirt, etc., from being washed directly into the canal.
 - (iv) Some willow trees may have to be removed between the road and the canal in order to install the sheet pile. On the whole, the majority of trees and vegetation will not be affected.

This exemption is subject to the following terms and conditions:

1. The proponent is to ensure that the construction of the undertaking will not disturb the toe of the dyke in the existing canal and that no work is carried out in the canal.
2. The proponent is to ensure that the construction specifications contain the pertinent sections of the Ministry of the Environment's publication, "*Environmental Considerations for the Planning and Construction of Provincial Water and Sewer Projects*" and that these safeguards are followed during construction.
3. The proponent will submit a report describing each phase of the construction program prior to the commencement of construction to the Environmental Approvals Branch of the Ministry of the Environment, the Ministry of Natural Resources, the Ministry of Agriculture and Food and the benefitting municipalities.
4. The proponent will prepare a design for a monitoring report and submit the design for approval to the Environmental Approvals Branch of the Ministry of the Environment before construction commences. The purpose of the monitoring report is to document the successes and failures of providing adequate protection and restoration to the environment during the construction of the undertaking. Monitoring reports will be submitted to the same Branch no later than one year after completion of each phase of construction.
5. The proponent shall ensure that the undertaking is implemented in accordance with the suggested sound level limits of the Model Municipal Noise Control By-Law Final Report, August, 1978 regarding Sound Level Limits—Specific Impulsive Sounds, Publication NPC-105, Section 5 (3) and regarding construction equipment in residential areas, publication NPC-115, with respect to any properties on which residences are located, measured in accordance with the procedures referred to in the Final Report.
6. The construction of the undertaking commences prior to December 31st, 1982 and that construction of at least 25 per cent of the undertaking be completed by January 1, 1984. O. Reg. 379/81.

TORONTO, SATURDAY, JUNE 27th, 1981

ANNOUNCEMENT

His Excellency the Governor General has been pleased to approve, on behalf of Her Majesty the Queen, a new flag for the Lieutenant-Governor of Ontario.

The description of this new flag is as follows:

"On a royal blue flag, two by width and three by length, the shield of the Arms of Ontario surrounded by a circlet of ten gold stylized maple leaves, representing the ten Provinces of Canada. Above all a St. Edward's Crown in proper colours, representing the Sovereign's representative in the Province."

The attached design refers.

AVIS

Son excellence le Gouverneur général a approuvé, au nom de Sa Majesté la Reine, un nouveau pavillon pour le Lieutenant-Gouverneur de l'Ontario, à savoir:

"Sur un champ bleu royal, dont les proportions sont de trois au battant et de deux au guindant, l'écu des armoiries de l'Ontario cerclé de dix feuilles d'érable d'or stylisées, représentant les dix provinces du Canada; le tout surmonté de la couronne de Saint Edouard au naturel, pour démontrer la dignité du représentant de la Souveraine dans la province."

Le dessin ci-joint en fait foi.

Proclamation

(Great Seal of Ontario)

JOHN B. AIRD

PROVINCE OF ONTARIO

ELIZABETH THE SECOND, by the Grace of God of the United Kingdom, Canada and Her other Realms and Territories, Queen, Head of the Commonwealth, Defender of the Faith.

TO ALL TO WHOM THESE PRESENTS SHALL COME,

GREETING:

ROY MCMURTRY,
Attorney General of Ontario

PROCLAMATION

WHEREAS in and by *The Statutes Revision Act, 1979*, passed at the third session of the thirty-first Legislature of Ontario, it is among other things enacted that Arthur Norman Stone, one of Her Majesty's Counsel, and Jack Allen Fader, a member of the Bar of Ontario, Senior Legislative Counsel and

Legislative Counsel respectively, are appointed Commissioners to consolidate and revise the public general statutes of Ontario in accordance with the provisions of the said Act;

AND WHEREAS it is further provided in and by the said Act that, as soon as the Commissioners report the completion of the consolidation and revision, the Lieutenant Governor may cause a printed Roll thereof, attested by his signature and countersigned by the Attorney General, to be deposited in the office of the Clerk of the Legislative Assembly;

AND WHEREAS compliance has been duly made with the aforesaid provisions;

AND WHEREAS it is further provided in and by the said Act that the Lieutenant Governor after the deposit as aforesaid of the said Roll may by proclamation declare the day upon which the same shall come into force and have effect as law by the designation "Revised Statutes of Ontario, 1980";

NOW THEREFORE KNOW YE that, having taken the premises into Our Royal Consideration, WE, by and with the advice of Our Executive Council of Our Province of Ontario and in pursuance of the provisions of *The Statutes Revision Act, 1979*, and the exercise of the power in US vested in this behalf by the said Act or otherwise howsoever, DO, by this Our Royal PROCLAMATION, declare Saturday, the first day of August, 1981, as the day upon which the said printed Roll shall come into force and have effect as law by the designation of "Revised Statutes of Ontario, 1980".

IN TESTIMONY WHEREOF We have caused these Our Letters to be made patent and the Great Seal of Ontario to be hereunto affixed.

WITNESS:

THE HONOURABLE JOHN BLACK AIRD, An Officer of the Order of Canada, One of Her Majesty's Counsel Learned in the Law, Bachelor of Arts, Doctor of Laws, LIEUTENANT GOVERNOR OF OUR PROVINCE OF ONTARIO,

at Our City of Toronto in Our said Province this eighteenth day of June, in the year of Our Lord one thousand nine hundred and eighty-one and in the thirtieth year of Our Reign.

BY COMMAND

DOUGLAS J. WISEMAN,
(7439) 26 Minister of Government Services.

The Ontario Highway Transport Board Act

The following applications for certificates under *The Public Commercial Vehicles Act*, R.S.O. 1970, Chapter 375, the *Motor Vehicle Transport Act*, R.S.C. 1970, Chapter M-14 and *The Public Vehicles Act*, R.S.O. 1970, Chapter 392, are published pursuant to Section 8, R.R.O. 1970, Regulation 632.

Section 8, R.R.O. 1970, Regulation 632 provides that the Board may dispose of these applications summarily if no objection is served and filed in the prescribed manner within twenty-nine days of this publication.

Applications to Parliament — Private Bills

PUBLIC NOTICE

LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Standing Orders governing the submission of such Bills:

NOTE: The previous Standing Orders of the Legislative Assembly have been repealed and the following put into effect by Order of the House passed on Thursday, December 14th, 1978, and on Tuesday, May 13th, 1980.

Attention is drawn to the more important changes:—

- No time limit.
- No penalties for late filing.
- Required notice of advertising reduced to four weeks from six weeks.

PRIVATE BILLS

Filing Bill with Clerk

65. (a) Any person, group or corporation may apply for a Private Bill by filing with the Clerk of the House a copy of the Bill together with a fee of \$150.00.

Applicant to pay cost of printing

(b) Every applicant for a Private Bill shall pay the cost of printing the Bill, including the cost of printing the Act in the annual Statutes.

Other charges

(c) Where a Standing Order is suspended with reference to a Bill, a charge of \$50.00 shall be levied.

Additional fees

(d) Where a Bill incorporates a company, or increases the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable in the case of an incorporation or increase of capital under The Business Corporations Act, less the sum of \$150.00 already paid to the Clerk of the House.

(e) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:—

On amounts less than \$10,000.....	\$ 25
On amounts over \$10,000 and up to \$25,000	50
On amounts over \$25,000 and up to \$40,000	75
On amounts over \$40,000 and up to \$75,000	100

On amounts over \$75,000 and up to \$125,000	125
On amounts over \$125,000 and up to \$175,000	150
On amounts over \$175,000 and up to \$250,000	200
On amounts over \$250,000 and up to \$350,000	250
and an additional fee of \$50 for every \$100,000 over \$350,000.	

Publication of Standing Orders re Private Bills

(f) The Clerk of the House shall publish weekly in *The Ontario Gazette* the Standing Orders respecting applications for Private Bills.

Required notice of applications

(g) Notice of an application for a Private Bill shall be given before it is referred to a Standing Committee by publishing it once a week for at least four weeks in each of *The Ontario Gazette* and one newspaper circulated in the municipality most affected and the notice shall,

- (i) be signed by or on behalf of the applicant;
- (ii) clearly state the nature and object of the application;
- (iii) when the application refers to any proposed work, indicate generally the location of the work; and

Bills for debenture issues

- (iv) where the application is by a municipal corporation for authority to issue debentures, set out the particulars of the existing debenture debt and the amount of the rateable property of the municipality according to the last revised assessment roll of the corporation and in brief and general terms, the object for which the new issue of debentures is required.

Clerk reports to Standing Procedural Affairs Committee

66. (a) The Clerk of the House shall refer to the Standing Procedural Affairs Committee any application that, in his opinion, does not comply with the Standing Orders.

Declaration re advertising

(b) The applicants for a Private Bill shall lodge with the Clerk of the House a declaration proving publication of the notice.

Letters Patent

67. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Charter or Agreement, shall be attached to it.

Certificate of Minister of Revenue re Letters Patent

68. No Bill relating to the status of a corporation shall be considered by any Committee until there has been deposited with the Clerk of the House a certificate of the Minister of Revenue showing that all taxes payable under The Corporations Tax Act in respect of the corporation have been paid.

Reference to Standing Committee after first reading. Exceptions

69. Every Private Bill when read a first time, shall, unless it is an Estate Bill, or a Bill providing for

a consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a municipal corporation, stand referred to the appropriate Standing Committee, and any Petitions to the House for or against the Bill stand referred to any such Committee.

Certain Municipal Applications referred to Ontario Municipal Board

70. (a) A Private Bill of a municipal corporation providing for the consolidation of a floating debt, or the consolidation or renewal of debentures (other than local improvement debentures) stand referred to the Ontario Municipal Board after first reading.

Board to report

(b) The Board, after due enquiry, shall report to the House whether or not it is reasonable that the Bill, or that part thereof relating to the matters referred to in clause (a), should pass and what, if any, alterations should be made in the Bill.

Report to Clerk

(c) A report shall be transmitted to the Clerk of the House.

Bill and report to Standing Committee

(d) The Bill and report shall stand referred to the appropriate Standing Committee.

Estate Bills referral

71. (a) Every Estate Bill or part of a Bill that contains an Estate Bill provision stands referred to the Commissioners of Estate Bills after first reading.

Report of Commissioners

(b) The Commissioners of Estate Bills, or any two of them, shall report their opinion on the Bill or the part thereof that has been submitted to them, and whether, presuming the allegations contained in the Preamble to be proven to the satisfaction of the House, it is reasonable for the Bill or the part thereof to pass and what, if any, alterations are necessary.

Report sent to Clerk

(c) A report of the Commissioners of Estate Bills shall be transmitted to the Clerk of the House.

Effect of adverse report

(d) Where the Commissioners of Estate Bills report that, in their opinion, it is not reasonable that the Bill or the part thereof submitted to them pass into law, the Bill or the part thereof shall not be further considered.

Bill and report to Committee

(e) Where the Bill or the part thereof submitted to the Commissioners of Estate Bills is reported favourably by the Commissioners, the Bill and the report shall stand referred to the appropriate Standing Committee and where only part of a Bill is submitted to the Commissioners and the Commissioners report that, in their opinion, it is not reasonable that the part pass into law, the Bill, except for the part to which the report applies, shall stand referred to the appropriate Committee.

Notice re Hearing by Standing Committee

72. (a) The Clerk of the House shall post on all notice boards five days notice of the date on which any Private Bill is to be considered by a Committee and the notice shall be published in the Notice Paper.

Notice of Next Day Meetings on Private Bills

(b) The Clerk shall also publish in the Notice Paper a notice of any meeting of a Committee to consider Private Bills to be held on the following day.

Consent of interested persons

73. Any person whose interest or property may be affected by a Private Bill, when required, shall appear before the Committee considering the Bill to express his consent or objection, or may consent in writing, proof of which may be demanded by the Committee.

On Order Paper after report

74. Private Bills when reported by Standing Committees shall be placed on the Order Paper for second reading.

Bills initialled and signed by Chairman

75. (a) The Chairman of a Committee considering a Private Bill shall initial each section of the Bill as it is passed and sign the Bill.

Amendments

(b) Amendments shall be clearly indicated in the signed copy, and the amendments or additions shall be initialled by the Chairman.

Reprinting amended Bills

76. Private Bills amended by a Committee or the Commissioners may be reprinted before further consideration as the Clerk of the House may direct and the applicant shall pay the cost of printing the Bill.

Referral after second reading

77. Private Bills, after second reading, shall be ordered for third reading, unless specially ordered referred to the Committee of the Whole House.

Notice required to dispense with Standing Orders

78. Except by unanimous consent of the House given in case of urgent and pressing necessity, no motion may be made to dispense with any Standing Order relating to Private Bills without due notice thereof.

Private Bill Register

79. A Private Bill Register shall be kept in the office of the Clerk of the House, in which shall be entered, by the Clerk appointed for that purpose, the name, description, and place of residence of the parties applying for the Bill, or of their agent, and all the proceedings thereon, such register to be open to public inspection daily, during office hours.

Parliamentary Agents

80. (a) Every Parliamentary Agent conducting proceedings before the House is personally responsi-

ble to the House and to the Speaker for the observance of the Standing Orders and Practices of Parliament, and also for the payment of all fees and charges.

Misconduct of Agent

(b) Any agent who wilfully acts in violation of the Standing Orders and Practices of Parliament,

or who wilfully misconducts himself in prosecuting any proceedings before the House, is liable to an absolute or temporary prohibition to practise as a Parliamentary Agent, at the pleasure of the Speaker.

EXPLANATORY NOTE

Burford Lions Club, 1981

The purpose of the Bill is to revive Burford Lions Club.

BILL Pr15 1981

An Act to revive Burford Lions Club

Preamble WHEREAS R. John Ney and Allan Piggott hereby represent that Burford Lions Club, herein called the Corpora-

tion, was incorporated by letters patent dated the 9th day of September, 1948; that the Minister of Consumer and Commercial Relations by order dated the 5th day of January, 1977, and made under the authority of subsection 9 of section 347 of *The Corporations Act*, being chapter 89 of the Revised Statutes of Ontario, 1970, cancelled the letters patent of the Corporation for default in filing annual returns and declared the Corporation to be dissolved on the 9th day of February, 1977; that, although the notice of default in filing annual returns was sent to each of the applicants as directors, through inadvertence, no action was taken to revive the Corporation until more than two years after the date of the said notice; that the said R. John Ney and Allan Piggott are, respectively, the secretary and the president of the Burford Lions Club; that the Corporation, at the time of its dissolution, was carrying on the activities of a service club and those activities have continued to be carried on in the name of the Corporation since the time of its dissolution; and whereas the applicants hereby apply for special legislation reviving the Corporation; and whereas it is expedient to grant the application;

Therefore, Her Majesty, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:

Burford
Lions Club
revived

1. Burford Lions Club is hereby revived and is, subject to any rights acquired by any person after its dissolution, hereby restored to its legal position as a corporation incorporated by letters patent, including all its property, rights, privileges and franchises and subject to all its liabilities, contracts, disabilities and debts as at the date of its dissolution in the same manner and to the same extent as if it had not been dissolved.

Commence-
ment

2. This Act comes into force on the day it receives Royal Assent.

ONTARIO ENERGY BOARD

NOTICE OF CERTIFICATE AND FRANCHISE APPLICATIONS AND HEARINGS

TAKE NOTICE that the Ontario Energy Board has appointed Tuesday, July 14, 1981 at 2.30 p.m. at its offices, 9th Floor, 14 Carlton Street, Toronto, Ontario, for the hearing of applications by The Consumers' Gas Company, a division of Hiram Walker-Consumers' Home Ltd., under ss. 8 and 9 of *The Municipal Franchises Act*, for certificates of public convenience and necessity for the City of Oshawa and the Town of Whitby, and for approval of a proposed by-law of the City of Oshawa authorizing the execution of an agreement between that municipality and the Applicant, granting to it a franchise for the distribution of natural gas in the municipality.

ALSO TAKE NOTICE that the Board will be asked to declare and direct that the assent of the municipal electors to the proposed franchise by-law is not necessary.

This notice does not constitute service but is published as a matter of record only.

Dated at Toronto, this 10th day of June, 1981.

S. A. C. THOMAS,
(9165) 26 Secretary to the Board.

IN THE SUPREME COURT OF ONTARIO

IN THE MATTER OF that Laneway ("Laneway") located between those premises municipally designated as 10-16 Front Street and belonging to Citicom Inc. and those premises municipally designated as 30-32 Yonge Street, in the City of Toronto and belonging to the Bank of Montreal, which Laneway comprises part of Town Lot 2, North of Front Street West, Town of York Plan; and

IN THE MATTER OF *The Quieting of Titles Act*, R.S.O. (1970) chapter 396 as amended.

NOTICE

NOTICE IS HEREBY GIVEN that the Bank of Montreal, of the City of Montreal, in the Province of Quebec, has made an application to the Supreme Court of Ontario for a Certificate of Title to the above-mentioned property, under "*The Quieting of Titles Act*", and has produced evidence, whereby it appears to be the owner thereof in fee, free from all encumbrances except a right-of-way in favour of Citicom Inc., the particulars of which are described in Instrument No. CT377340, and an Easement in favour of The Toronto Transportation Commission of all subsoil and subsurface below 249 feet above the datum line as provided for under By-law 17781 dated October 31, 1949 and registered November 23, 1949 as Instrument No. 30116ES.

Wherefore, any other person, having or pretending to have any title to or interest in the said land or any part thereof, is required on or before Tuesday, the 21st day of July, 1981, to file a statement of his claim verified by affidavit in my office at 145 Queen Street West, Toronto, Ontario and to serve a copy on Michael J. Herman, Barrister and Solicitor, Solicitor for the Bank of Montreal, at his office located at 2 Gloucester Street, Suite 202, Toronto, Ontario M4Y 1L5, and in default every such claim will be barred and the title of the said Bank of Montreal becomes absolute and indefeasible at law and in equity subject only to the reservations mentioned in Section 22 of the Said Act therein mentioned.

Dated this 22nd day of June, 1981.

G. C. SAUNDERS,
Referee of Titles.

Minimum \$400.00—ten days to arrange financing.

Delivery only on payment in full.

This sale is subject to cancellation up to the time of sale without further notice.

(9174) 26 SYBIL E. J. JACKSON,
Sheriff, District of Muskoka.

UNDER AND BY VIRTUE OF executions issued out of the County Court of the United Counties of Prescott and Russell, to me directed against the lands and tenements of C. B. Haver Ltd., Defendant, at the suite of Willis Lepine and Daniel Patry, Plaintiffs, I have seized and taken in execution all the right, title, interest and equity of redemption of C. B. Haver Ltd., Defendant, in and to:

All and Singular those certain parcels or tracts of land and premises situate, lying and being in the Township of East Hawkesbury, in the County of Prescott and Province of Ontario, and being composed of:

Firstly: All of that part of the West one-half of Lot Number Thirty-seven (37) in the Fourth (4th) Concession of the said Township of East Hawkesbury, lying South of the Canadian Pacific Railway lands and containing Fifty-five (55) acres of land be the same more or less;

Secondly: The South Half of Lot Number Thirty (30) in the Fourth (4th) Concession of the said Township formerly containing One Hundred (100) acres of land be the same more or less, excepting and reserving thereout and therefrom the following three (3) parcels of land:

(1) A parcel containing Six (6) acres more or less in the North East corner thereof as described in Deed bearing date November 24, 1853 and registered in the Registry Office for the County of Prescott in Book 13 for the said Township of East Hawkesbury on the Sixteenth day of March, 1854, as Number 6576, which said Deed conveys Six (6) acres more or less of the North East corner of the said South Half of the said Lot Thirty (30), in the Fourth (4th) Concession of the said Township of East Hawkesbury, and which said piece of land is of the following dimensions, namely: Forty-four (44) rods in length from North to South and Twenty-one (21) rods and 15 feet in width from East to West, and also free right-of-way Sixteen (16) feet wide for carriage and horses and persons along the Northern boundary of the said South Half of Lot Number Thirty (30);

(2) All that portion of said Lot 30 Concession 4, containing 31.817 acres designated as Part 9 on a reference plan deposited in the Registry Office for the Registry Division of the County of Prescott as Plan 46R-251, as expropriated by Plan 343 Part 1;

(3) All that portion of Lot 30 Concession 4, in the Township of East Hawkesbury, containing 0.446 acres and 0.048 acres, designated as Parts 1 and 2 on a reference plan deposited in the Registry Office for the Registry Division of the County of Prescott as Plan 46R-1428, which portion was granted by the said Grantor to Stavros Dalis and Walburga Maria Dalis by a Deed dated 28th day of March, 1977, and registered in the said Registry Office on the 3rd day of August, 1977, as Number 36184.

Thirdly: Lot Number 31 in the 5th Concession of the said Township formerly containing Two Hundred (200) acres of land more or less excepting and reserving thereout and therefrom the following three (3) parcels of land:

(1) Part of Lot Thirty-one (31) Concession Five (5) in the said Township, containing by admeasurement 1.349 acres more or less as shown outlined in red on a plan of Survey dated at Hawkesbury, the 11th day of October, 1962, certified by W. E. Ridout, Ontario Land Surveyor, and attached to Instrument Number 3724-C, and being more particularly described as follows:

Premising that the assumed North 65 degrees 00 minutes West of the Northerly limit of Lot 31, Concession 5, governs all bearings shown herein;

Commencing at an iron monument planted in the Northerly limit of the said Lot 31, distant 401.16 feet measured on a course of South 65 degrees, 00 minutes West along the said Northerly limit from the North Westerly corner of Lot 31, (as represented by an iron monument planted);

PUBLIC NOTICE

LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Standing Orders governing the submission of such Bills:

NOTE: The previous Standing Orders of the Legislative Assembly have been repealed and the following put into effect by Order of the House passed on Thursday, December 14th, 1978, and on Tuesday, May 13th, 1980.

Attention is drawn to the more important changes:—

- No time limit.
- No penalties for late filing.
- Required notice of advertising reduced to four weeks from six weeks.

PRIVATE BILLS

Filing Bill with Clerk

65. (a) Any person, group or corporation may apply for a Private Bill by filing with the Clerk of the House a copy of the Bill together with a fee of \$150.00.

Applicant to pay cost of printing

(b) Every applicant for a Private Bill shall pay the cost of printing the Bill, including the cost of printing the Act in the annual Statutes.

Other charges

(c) Where a Standing Order is suspended with reference to a Bill, a charge of \$50.00 shall be levied.

Additional fees

(d) Where a Bill incorporates a company, or increases the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable in the case of an incorporation or increase of capital under The Business Corporations Act, less the sum of \$150.00 already paid to the Clerk of the House.

(e) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:—

On amounts less than \$10,000.....	\$ 25
On amounts over \$10,000 and up to \$25,000	50
On amounts over \$25,000 and up to \$40,000	75

On amounts over \$125,000 and up to \$175,000	150
On amounts over \$175,000 and up to \$250,000	200
On amounts over \$250,000 and up to \$350,000	250
and an additional fee of \$50 for every \$100,000 over \$350,000.	

Publication of Standing Orders re Private Bills

(f) The Clerk of the House shall publish weekly in *The Ontario Gazette* the Standing Orders respecting applications for Private Bills.

Required notice of applications

(g) Notice of an application for a Private Bill shall be given before it is referred to a Standing Committee by publishing it once a week for at least four weeks in each of *The Ontario Gazette* and one newspaper circulated in the municipality most affected and the notice shall,

- (i) be signed by or on behalf of the applicant;
- (ii) clearly state the nature and object of the application;
- (iii) when the application refers to any proposed work, indicate generally the location of the work; and

Bills for debenture issues

(iv) where the application is by a municipal corporation for authority to issue debentures, set out the particulars of the existing debenture debt and the amount of the rateable property of the municipality according to the last revised assessment roll of the corporation and in brief and general terms, the object for which the new issue of debentures is required.

*Clerk reports to Standing Procedural Affairs
Committee*

66. (a) The Clerk of the House shall refer to the Standing Procedural Affairs Committee any application that, in his opinion, does not comply with the Standing Orders.

Declaration re advertising

(b) The applicants for a Private Bill shall lodge with the Clerk of the House a declaration proving publication of the notice.

Letters Patent

67. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Charter or Agreement, shall be attached to it.

Certificate of Minister of Revenue re Letters Patent

68. No Bill relating to the status of a corporation shall be considered by any Committee until there has been deposited with the Clerk of the House a certificate of the Minister of Revenue showing that all taxes payable under The Corporations Tax Act in respect of the corporation have been paid.

*Reference to Standing Committee after first
reading. Exceptions*

69. Every Private Bill when read a first time, shall, unless it is an Estate Bill, or a Bill providing for a consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a municipal corporation, stand referred to the appropriate Standing Committee, and any Petitions to the House for or against the Bill stand referred to any such Committee.

*Certain Municipal Applications referred to
Ontario Municipal Board*

70. (a) A Private Bill of a municipal corporation providing for the consolidation of a floating debt, or the consolidation or renewal of debentures (other than local improvement debentures) stand referred to the Ontario Municipal Board after first reading.

Board to report

(b) The Board, after due enquiry, shall report to the House whether or not it is reasonable that the Bill, or that part thereof relating to the matters referred to in clause (a), should pass and what, if any, alterations should be made in the Bill.

Report to Clerk

(c) A report shall be transmitted to the Clerk of the House.

Bill and report to Standing Committee

(d) The Bill and report shall stand referred to the appropriate Standing Committee.

Estate Bills referral

71. (a) Every Estate Bill or part of a Bill that contains an Estate Bill provision stands referred to the Commissioners of Estate Bills after first reading.

Report of Commissioners

(b) The Commissioners of Estate Bills, or any two of them, shall report their opinion on the Bill or the part thereof that has been submitted to them, and whether, presuming the allegations contained in the Preamble to be proven to the satisfaction of the House, it is reasonable for the Bill or the part thereof to pass and what, if any, alterations are necessary.

Report sent to Clerk

(c) A report of the Commissioners of Estate Bills shall be transmitted to the Clerk of the House.

Effect of adverse report

(d) Where the Commissioners of Estate Bills report that, in their opinion, it is not reasonable that the Bill or the part thereof submitted to them pass into law, the Bill or the part thereof shall not be further considered.

Bill and report to Committee

(e) Where the Bill or the part thereof submitted to the Commissioners of Estate Bills is reported favourably by the Commissioners, the Bill and the report shall stand referred to the appropriate Standing Committee and where only part of a Bill is submitted to the Commissioners and the Commissioners report that, in their opinion, it is not reasonable that the part pass into law, the Bill, except for the part to which the report applies, shall stand referred to the appropriate Committee.

Notice re Hearing by Standing Committee

72. (a) The Clerk of the House shall post on all notice boards five days notice of the date on which any Private Bill is to be considered by a Committee and the notice shall be published in the Notice Paper.

Notice of Next Day Meetings on Private Bills

(b) The Clerk shall also publish in the Notice Paper a notice of any meeting of a Committee to consider Private Bills to be held on the following day.

Consent of interested persons

73. Any person whose interest or property may be affected by a Private Bill, when required, shall appear before the Committee considering the Bill to express his consent or objection, or may consent in writing, proof of which may be demanded by the Committee.

On Order Paper after report

74. Private Bills when reported by Standing Committees shall be placed on the Order Paper for second reading.

Bills initialled and signed by Chairman

75. (a) The Chairman of a Committee considering a Private Bill shall initial each section of the Bill as it is passed and sign the Bill.

Amendments

(b) Amendments shall be clearly indicated in the signed copy, and the amendments or additions shall be initialled by the Chairman.

Reprinting amended Bills

76. Private Bills amended by a Committee or the Commissioners may be reprinted before further consideration as the Clerk of the House may direct and the applicant shall pay the cost of printing the Bill.

Referral after second reading

77. Private Bills, after second reading, shall be ordered for third reading, unless specially ordered referred to the Committee of the Whole House.

Notice required to dispense with Standing Orders

78. Except by unanimous consent of the House given in case of urgent and pressing necessity, no motion may be made to dispense with any Standing Order relating to Private Bills without due notice thereof.

Private Bill Register

79. A Private Bill Register shall be kept in the office of the Clerk of the House, in which shall be entered, by the Clerk appointed for that purpose, the

name, description, and place of residence of the parties applying for the Bill, or of their agent, and all the proceedings thereon, such register to be open to public inspection daily, during office hours.

Parliamentary Agents

80. (a) Every Parliamentary Agent conducting proceedings before the House is personally responsible to the House and to the Speaker for the observance of the Standing Orders and Practices of Parliament, and also for the payment of all fees and charges.

Misconduct of Agent

(b) Any agent who wilfully acts in violation of the Standing Orders and Practices of Parliament, or who wilfully misconducts himself in prosecuting any proceedings before the House, is liable to an absolute or temporary prohibition to practise as a Parliamentary Agent, at the pleasure of the Speaker.

EXPLANATORY NOTE

Burford Lions Club, 1981

The purpose of the Bill is to revive Burford Lions Club.

Preamble

An Act to revive Burford Lions Club

WHEREAS R. John Ney and Allan Piggott hereby represent that Burford Lions Club, herein called the Corporation, was incorporated by letters patent dated the 9th day of September, 1948; that the Minister of Consumer and Commercial Relations by order dated the 5th day of January, 1977, and made under the authority of subsection 9 of section 347 of *The Corporations Act*, being chapter 89 of the Revised Statutes of Ontario, 1970, cancelled the letters patent of the Corporation for default in filing annual returns and declared the Corporation to be dissolved on the 9th day of February, 1977; that, although the notice of default in filing annual returns was sent to each of the applicants as directors, through inadvertence, no action was taken to revive the Corporation until more than two years after the date of the said notice; that the said R. John Ney and Allan Piggott are, respectively, the secretary and the president of the Burford Lions Club; that the Corporation, at the time of its dissolution, was carrying on the activities of a service club and those activities have continued to be carried on in the name of the Corporation since the time of its dissolution; and whereas the applicants hereby apply for special legislation reviving the Corporation; and whereas it is expedient to grant the application;

Therefore, Her Majesty, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:

Burford
Lions Club
revived

1. Burford Lions Club is hereby revived and is, subject to any rights acquired by any person after its dissolution, hereby restored to its legal position as a corporation incorporated by letters patent, including all its property, rights, privileges and franchises and subject to all its liabilities, contracts, disabilities and debts as at the date of its dissolution in the same manner and to the same extent as if it had not been dissolved.

Commence-
ment

2. This Act comes into force on the day it receives Royal Assent.

Short title

3. The short title of this Act is the *Burford Lions Club Act, 1981*.

CORPORATION OF THE COUNTY OF HASTINGS

To Wit:

BY VIRTUE OF A WARRANT issued by the Warden under the Seal of the Corporation of the County of Hastings, to me directed, having date the 16th day of June, 1981, commanding me to levy upon and sell the land mentioned in the following list for arrears of taxes and costs due thereon, I hereby give notice that unless such arrears of taxes and costs are sooner paid, I shall pursuant to the provisions of *The Municipal Act* proceed to sell by public auction the said lands for the payment of taxes and costs at the County of Hastings Administration Building, in the City of Belleville, on Wednesday, the 7th day of October, 1981, beginning at 10.00 o'clock in the forenoon.

NOTICE IS HEREBY FURTHER GIVEN that if any of the said lands remain unsold, an adjourned sale will be held on Wednesday, the 21st day of October, 1981, at the same time and place, at which the municipalities may reserve the right to purchase any of the said lands.

Dated at Belleville, Ontario, this 16th day of June, 1981.

CARL E. BATEMAN,
Treasurer,
The Corporation of the
County of Hastings.

CORPORATION OF THE CITY OF PETERBOROUGH

To Wit:

BY VIRTUE OF A WARRANT issued by the Mayor of the City of Peterborough, under his hand and seal of the Corporation of the City of Peterborough, bearing date the 18th day of June, 1981, to me directed, commanding me to levy upon and sell the lands mentioned in the following list for arrears of taxes and costs due thereon, I hereby give notice that unless such arrears of taxes and costs are sooner paid I shall, pursuant to the provisions of *The Municipal Act*, proceed to sell by public auction the said lands to discharge such arrears of taxes and costs thereon, at the Council Chambers of the City Hall in the City of Peterborough on Tuesday, the 6th day of October, 1981 at the hour of 2.00 o'clock in the afternoon.

AND NOTICE IS FURTHER GIVEN, that in the event of insufficient bids being received to meet such charges and costs together with arrears due on the said lands, an adjourned sale will be held at the same place and at the same hour on Tuesday, the 13th day of October, 1981, and that at such adjourned sale it is the intention of the Corporation to purchase such lands as remain unsold.

All the said lands are patented.

Dated at Peterborough, Ontario, this 19th day of June, 1981.

C. W. WILLS,
Treasurer, City of Peterborough.

 - (xiii) is not a specialized museum as designated by the National Museums Corporation of Canada;
- (e) "open to the public" means accessible to the public at any time on those days and within those hours posted or advertised, without prior reservation or appointment. O. Reg. 398/81, s. 1.

2.—(1) Where an applicant that operates a museum and applies to the Minister in the form provided by the Minister together with such information as the Minister may require before the 1st day of September in any year for a grant in respect of the operation of the museum for the preceding year, the applicant shall,

- (a) where the museum is open to the public for 360 or more hours and sixty or more days of the year but is not eligible for a grant under clause (b), be paid a grant equal to 50 per cent of the eligible operating expenses incurred by the applicant in the preceding calendar year or \$12,500, whichever is the lesser; or
- (b) where the museum is open to the public for at least 1,080 hours and at least 180 days of the year, including a minimum of twenty days in each of eight months of the year, be paid a grant equal to the percentage set out in column 2 of Table 1 of the eligible operating expenses incurred by the applicant in the preceding calendar year set out opposite thereto in column 1 of Table 1.

(2) An applicant applying for a grant under subsection (1) who did not receive a grant in the preceding calendar year shall have operated a museum that was open to the public in the year preceding his application. O. Reg. 398/81, s. 2.

3.—(1) Where two or more applicants jointly operate a museum, the applicants shall, by agreement, determine which one of them shall be deemed to operate the museum for the purposes of section 2.

(2) Where the Minister determines that two or more museums can be operated by a single applicant the Minister shall treat such museums as a single institu-

tion for the purposes of making a grant under this Regulation. O. Reg. 398/81, s. 3.

4.—(1) Where in any year the amount voted by the Legislature for the grants under this Regulation is insufficient to pay the grants in full, the Minister may make a *pro rata* reduction in the grants.

(2) Notwithstanding clause 2 (1) (b), where in any year the amount voted by the Legislature for the grants under this Regulation results in a surplus of moneys after the payments of all of the grants in full, the Minister may make a *pro rata* increase in the grants to those applicants who received a grant equal to less than 16 per cent of their eligible operating expenses so as to bring the total grants payable to such applicant under this Regulation to an amount that is not greater than 16 per cent. O. Reg. 398/81, s. 4.

THE PUBLIC VEHICLES ACT

O. Reg. 399/81.

General.

Made—June 11th, 1981.

Filed—June 15th, 1981.

REGULATION TO AMEND
REGULATION 762 OF
REVISED REGULATIONS OF ONTARIO, 1970
MADE UNDER THE
PUBLIC VEHICLES ACT

1.—(1) Section 1 of Regulation 762 of Revised Regulations of Ontario, 1970, as remade by section 1 of Ontario Regulation 65/81, is amended by adding thereto the following clause:

(aa) “deadhead charge” means a charge included by a licensee in his total charge for a chartered trip, for moving an empty vehicle between its place of storage and the origination or termination point for a charter;

(2) Clause 1 (b) of the said Regulation is revoked and the following substituted therefor:

(b) “equipment point” means a point designated in the operating licence of a licensee or a point on a route designated in the operating licence of a licensee,

- (i) at which the licensee usually stores a public vehicle,
 - (ii) which the licensee has designated as an equipment point in a tariff of tolls filed under the Act, and
 - (iii) from which the licensee does not charge a deadhead charge;
- (3) The said section 1 is further amended by adding thereto the following clause:
- (ca) “linehaul charge” means a licensee’s charge per kilometre for a chartered trip, excluding deadhead charges and supplementary charges connected with the charter;
- (4) Clause 1 (g) of the said Regulation is revoked and the following substituted therefor:
- (g) “service point” means a point designated in the operating licence of a licensee or a point on a route designated in the operating licence of a licensee,

- (i) from which the licensee’s linehaul charge is not higher than his linehaul charge from his nearest equipment point for each class of public vehicle operated by him, and
- (ii) from which the licensee does not charge a deadhead charge.

2. Clause 12 (5) (b) of the said Regulation, as made by section 5 of Ontario Regulation 65/81, is revoked and the following substituted therefor:

(b) if the trip is originating at any other point, including a point designated in the licence of another licensee or a point on a route designated in the licence of another licensee, at least three quarters of the persons being transported on the trip board the vehicle at that point.

3. Subsection 12a (3) of the said Regulation, as made by section 5 of Ontario Regulation 65/81, is revoked and the following substituted therefor:

(3) Where a licensee indicates his fare or charge for a chartered trip in accordance with subsection (2), the fare or charge shall be itemized to show the linehaul charge per kilometre, the deadhead charge per kilometre and all supplementary charges connected with the charter. O. Reg. 399/81, s. 3.

4.—(1) Subsections 15 (1) and (2) of the said Regulation, as remade by section 8 of Ontario Regulation 65/81, are revoked and the following substituted therefor:

(1) Every licensee who operates a public vehicle on a chartered trip shall ensure that a report is completed for each chartered trip he operates.

(2) For the purposes of subsection (1), a report is not complete if it is not signed by or on behalf of the licensee and, except where a chartered trip is paid for on the basis of a fare being paid to the licensee by each passenger on the trip, signed by the person contracting for the charter. O. Reg. 399/81, s. 4 (1).

(2) Clauses 15 (3) (b) and (l) of the said Regulation, as made by section 8 of Ontario Regulation 65/81, are revoked and the following substituted therefor:

(b) the name and address of the person contracting with the licensee for the charter or where more than one person is contracting, the names and addresses of all contracting persons;

(ba) where the report is signed by the licensee, a statement to that effect or, where the report is signed on behalf of the licensee, the name and address of the employee or agent so signing;

(l) the fare or charge for the trip, itemized to show the linehaul charge per kilometre, the deadhead charge per kilometre, and all supplementary charges connected with the charter.

5. This Regulation comes into force on the 1st day of July, 1981.

THE TORONTO AREA TRANSIT OPERATING AUTHORITY ACT, 1974

O. Reg. 400/81.

General.

Made—June 3rd, 1981.

Approved—June 11th, 1981.

Filed—June 15th, 1981.

REGULATION TO AMEND ONTARIO REGULATION 102/76 MADE UNDER THE TORONTO AREA TRANSIT OPERATING AUTHORITY ACT, 1974

1.—(1) Subsection 2 (25) of Ontario Regulation 102/76, as made by subsection 1 (4) of Ontario Regulation 211/78 and amended by subsection

1 (4) of Ontario Regulation 193/80, is further amended by adding “and” at the end of clause (b), by striking out “and” at the end of clause (c) and by striking out clause (d).

(2) Subsection 2 (26) of the said Regulation, as made by subsection 1 (4) of Ontario Regulation 211/78 and amended by subsection 1 (5) of Ontario Regulation 193/80, is revoked and the following substituted therefor:

(26) Where more than one transit service is provided between two places by the Authority, a local transit system, or a combination thereof, the Authority may charge on any such service operated by it a premium fare and the amount of the premium fare shall be,

(a) for a single one-way fare, 45 cents plus the amount of the fare set out in the applicable Schedule; and

(b) for a pass or ten one-way tickets, the amount in the applicable column of the Table that corresponds to the amount in column 1 of the Table equivalent to 45 cents plus the single one-way fare for the service. O. Reg. 400/81, s. 1 (2).

2. Section 6 of the said Regulation is revoked and the following substituted therefor:

6.—(1) No person shall bring an animal on a transit system operated by or for the Authority.

(2) Subsection (1) does not apply to prohibit a seeing-eye dog from accompanying a blind passenger or a hearing-ear dog from accompanying a deaf passenger. O. Reg. 400/81, s. 2.

3. Subsection 10 (3) of the said Regulation, as remade by section 2 of Ontario Regulation 211/78, is revoked and the following substituted therefor:

(3) No person shall park a vehicle within a parking lot for a period of more than forty-eight hours without the written permission of the Authority.

(3a) No person shall park a vehicle having a gross weight in excess of 4,536 kilograms in a parking lot.

(3b) Unless directed to do so by an official of the Authority, no person shall park, stand or stop a vehicle on Authority property except in an area designated for the parking, standing or stopping of vehicles, as the case may be. O. Reg. 400/81, s. 3.

4. The Table to the said Regulation, as remade by section 3 of Ontario Regulation 193/80, is revoked and the following substituted therefor:

THE CROP INSURANCE ACT (ONTARIO)

O. Reg. 404/81.
Crop Insurance Plan—Peppers.
Made—May 27th, 1981.
Approved—June 5th, 1981.
Filed—June 16th, 1981.

REGULATION TO AMEND

ONTARIO REGULATION 601/77

MADE UNDER THE

CROP INSURANCE ACT (ONTARIO)

- Clause 3 (b) of the Schedule to Ontario Regulation 601/77, exclusive of the items, as remade by section 1 of Ontario Regulation 226/79, is revoked and the following substituted therefor:

(b) "peppers" means peppers produced in Ontario and includes the following varieties:

- Clauses 6 (b) and (c) of the said Schedule are revoked and the following substituted therefor:

(b) the application for insurance in Form 2;

(c) the final acreage report in Form 3; and

(d) an amendment to any document referred to in clause (a), (b) or (c) agreed upon in writing.
- Subsection 9 (3) of the said Schedule is revoked and the following substituted therefor:

- (3) The coverage provided under subsections (1) and (2) shall be decreased for claim years from the insured level in reverse progression to that prescribed by subsection (2), except that where a loss occurs in a year when the coverage is 70 per cent, the coverage shall be reduced to a minimum of 65 per cent.
- Section 12 of the said Schedule, as amended by section 2 of Ontario Regulation 226/79, is revoked and the following substituted therefor:

12.—(1) The premium payable by an insured person in respect of acreage planted to peppers is \$45 for each acre of the insured crop.

(2) Notwithstanding subsection (1), the minimum premium payable by an insured person in each crop year is \$100.

(3) The premium prescribed by subsections (1) and (2) is in addition to any payments in respect of premiums made by the Government of Canada under the *Crop Insurance Act* (Canada).

12a.—(1) Where a contract of insurance is in force, a premium shall be paid in respect of each crop year in which the insured person seeds acreage to peppers.

(2) Where a premium is payable in respect of a crop year, the insured person shall pay the premium, less the premium deposit, if any, to the Commission at the time he files the final acreage report prescribed by section 15.

- The said Schedule is amended by adding thereto the following sections:

FINAL ACREAGE REPORTS

- (1) Every insured person shall file with the Commission in each crop year a final acreage report in Form 3 within ten days after seeding is completed or within such other time as may be determined by the Commission.
- A final acreage report filed with the Commission shall not be amended without the consent in writing of the Commission.

16.—(1) The Commission may revise the final acreage report in any or all respects and adjust the

premium accordingly and, in such case, shall notify the insured person in writing forthwith respecting such revision and adjustment.

(2) The insured person shall be deemed to have agreed with the revision of the final acreage report and adjustment of premium made by the Commission under subsection (1) unless, within ten days after the mailing or delivery of the notification by the Commission, he notifies the Commission in writing that he rejects the revision and adjustment.

(3) Where the Commission receives notice from an insured person under subsection (2), it shall notify the insured person in writing that the contract of insurance does not apply for the crop year in respect of which the final acreage report was filed and shall refund any premium or premium deposit paid in respect of that crop year.

(4) A final acreage report revised under this section shall, failing notice under subsection (2), constitute the final acreage report for the crop year.

17.—(1) Where an insured person in any crop year fails to file a final acreage report in the form and manner prescribed by this Regulation, the Commission may,

- (a) prepare the final acreage report; or
- (b) declare the insured acreage to be nil.

(2) Where the Commission prepares a final acreage report under subsection (1), the Commission shall mail or deliver a copy of the report to the insured person.

(3) Every insured person shall pay the premium for the crop year in respect of which a final acreage report

is prepared by the Commission within ten days after the mailing or delivery to him of a copy of the report.

6.—(1) Subparagraph 2 (3) of Form 1 of the said Regulation, as remade by subsection 3 (3) of Ontario Regulation 226/79, is revoked.

(2) Subparagraph 4 (1) of the said Form 1, exclusive of the clauses, is revoked and the following substituted therefor:

(1) All acreage planted to the insured crop in the crop year shall be harvested unless the Commission, upon application therefor in writing, consents in writing to,

(3) Subparagraphs 9 (2) and (3) of the said Form 1 are revoked and the following substituted therefor:

(2) Where the damaged acreage is replanted to the insured crop in accordance with clause (1) (a), a benefit of \$125 for each acre so replanted shall be paid and the contract of insurance shall continue to apply to such replanted acreage.

(3) Where the damaged acreage is used for any other purpose or the insured crop is abandoned or destroyed in accordance with clause (1) (b), a benefit of \$125 for each acre so abandoned or destroyed shall be paid and the contract of insurance shall cease to apply to such acreage.

7. Form 2 of the said Regulation, as remade by section 4 of Ontario Regulation 226/79, is revoked and the following substituted therefor:

THE ENVIRONMENTAL ASSESSMENT
ACT, 1975

O. Reg. 405/81.
Exemption—Urban Transportation
Development Corporation Ltd. Metro
Canada Limited—UTDC-2.
Made—June 3rd, 1981.
Approved—June 5th, 1981.
Filed—June 17th, 1981.

ORDER MADE UNDER
THE ENVIRONMENTAL ASSESSMENT
ACT, 1975

EXEMPTION—URBAN TRANSPORTATION
DEVELOPMENT CORPORATION LTD.
METRO CANADA LIMITED—UTDC-2

Having received a request from the Urban Transportation Development Corporation Ltd. and Metro Canada Limited, hereinafter referred to as “UTDC” and “MCL”, respectively, both public bodies reporting

to the Minister of Transportation and Communications, that an undertaking namely:

The activity of constructing,

- (a) an assembly building;
- (b) a storage facility;
- (c) two office buildings;
- (d) an extension to existing test maintenance facility building;
- (e) an extension to the existing test track facility,

be exempt from the application of the Act pursuant to Section 30; and

Having been advised that if the undertaking is subject to the application of the Act, the following injury, damage or interference with the persons and property indicated will occur:

- A. UTDC and MCL will be unable to construct these facilities in such a time that pending contracts and negotiations for the sale of Automated Light Rapid Transit Systems will be jeopardized; and

Having weighed such injury, damage or interference with the betterment of the people of the whole or any part of Ontario by the protection, conservation and wise management in Ontario of the environment which would result from the undertaking being subject to the application of the Act;

I am of the opinion that it is in the public interest to order and do order that the undertaking is exempt from the application of the Act for the following reasons:

- 1. The undertaking is unlikely to have a significant adverse effect on the environment, and will provide research and development of environmentally acceptable public transit.
- 2. The undertaking is for the safety, comfort and convenience of the public in that it will assist in the development of more effective and efficient public transit systems.

This exemption is subject to the following terms and conditions:

The construction of the undertaking shall be completed not later than the 31st day of December, 1984.

O. Reg. 405/81.

Minister of the Environment

Dated this 3rd day of June, 1981.

THE ENVIRONMENTAL ASSESSMENT ACT, 1975

O. Reg. 406/81.

Exemption—Ministry of Transportation and Communication—MTC-40.

Made—June 3rd, 1981.

Approved—June 5th, 1981.

Filed—June 17th, 1981.

ORDER MADE UNDER THE ENVIRONMENTAL ASSESSMENT ACT, 1975

EXEMPTION— MINISTRY OF TRANSPORTATION AND COMMUNICATIONS—MTC-40

Having received a request from the Minister of Transportation and Communications that an undertaking, namely:

The activity of carrying out archaeological salvage excavation at two sites, the stripping of top soil at five additional locations, and subsequent archaeological salvage where necessary, within the right-of-way of the proposed Highway 403 between Rest Acres Road and Horners Creek, being an action required prior to the construction of the proposed highway facility,

be exempt from the application of the Act pursuant to Section 30; and

Having been advised by the proponent that if the undertaking is subject to the application of the Act, the following injury, damage or interference with the persons and property indicated will occur:

- A. The public and the Ministry of Transportation and Communications will be damaged and interfered with by the delay in carrying out of the highway project which would be caused by application of the Act to the salvage excavation.

Having weighed such injury, damage, or interference against the betterment of the people of the whole or any part of Ontario by the protection, conservation and wise management in Ontario of the environment which would result from the undertaking being subject to the application of the Act;

The undersigned is of the opinion that it is in the public interest to order and orders that the undertaking is exempt from the application of the Act for the following reasons:

- A. The completion of the undertaking in advance of the approval for Highway 403 road construction is an integral component of the construction staging and, owing to the uncertainty of the extent of artifactual mat-

erial at the sites and thus of the time required to complete the necessary salvage operations, must be completed prior to the award date for proposed Highway 403 to ensure that this project remains on schedule; and

- B. The planning phase for this segment of Highway 403, which results in the identification of a preferred highway route has been exempted from the requirements of the *Environmental Assessment Act, 1975* by Exemption Order MTC 21/2, Ontario Regulation No. 755/80. The location of the salvage excavation sites and stripping sites is such that, whichever design alternative is approved for Highway 403, all sites will be affected by road construction; and
- C. The environmental effects of the salvage are expected to be very limited; and
- D. The Ministry of Transportation and Communications will ensure that all salvage operations will be carried out in accordance with accepted archaeological technique as specified by the Ministry of Culture and Recreation.

This exemption is subject to the following terms and conditions:

1. The Ministry of Transportation and Communications shall ensure that any adverse effects on the environment resulting from the stripping and salvage activities, will be mitigated in a manner consistent with good construction practice. This will include stabilization and erosion control measures.
2. A copy of all archaeological salvage reports as required by the *Ontario Heritage Act* shall be provided to the Ministry of the Environment for its project and public record files.
3. This exemption is restricted to the stripping and salvage excavation of identified archaeological sites as indicated in the following list and does not include any other activity which is part of the construction activity associated with the proposed Highway 403.

	Borden Number*
Sites currently requiring salvage	AgHc - 5
	AgHc - 7
Sites currently requiring top soil stripping and which may require salvage	AgHc - 2
	AgHc - 3
	AgHc - 4
	AgHc - 8
	AgHc - 11

*The Borden Number is a unique identifier for each archaeological site. It is based on longitudinal and latitudinal blocks, and is the standard means of site identification used by Canadian archaeologists.

THE ENVIRONMENTAL ASSESSMENT
ACT, 1975

O. Reg. 407/81.
Exemption—Township of Huron—Hur-1.
Made—June 5th, 1981.
Approved—June 5th, 1981.
Filed—June 17th, 1981.

ORDER MADE UNDER
THE ENVIRONMENTAL ASSESSMENT
ACT, 1975

EXEMPTION—TOWNSHIP OF
HURON—HUR-1

Having received a request from the Corporation of the Township of Huron, Bruce County that an undertaking, namely:

The construction and operation by 440510 Ontario Inc., of the waterworks located at Blairs Grove, Huron Township and the subsequent transfer of ownership and operation to the Corporation of the Township of Huron,

be exempt from the application of the Act pursuant to Section 30; and

Having been advised that if the undertaking is subject to the application of the Act, the following interference with the person indicated will occur:

- A. The developer would be damaged and interfered with by the undue expense and delay required to prepare an environmental assessment for an undertaking which is a small portion of a large development the rest of which is not subject to the Act and which has received final approval from the Province of Ontario.

Having weighed such interference against the betterment of the people of the whole or any part of Ontario by the protection, conservation and wise management in Ontario of the environment which would result from the undertaking being subject to the application of the Act;

The undersigned is of the opinion that it is in the public interest to order and orders that the undertaking is exempt from the application of the Act for the following reasons:

- A. The proposed water production facility is being developed as part of a one hundred and eight lot subdivision by 440501 Ontario Inc. a private developer. The waterworks becomes an undertaking subject to the Act due to the requirement by the Ministry of the Environment that the developer turn over the facility to the Municipality within a reasonable time.
- B. As the subdivision plan has received all required approvals, including that of the Ontario Municipal Board following a hearing in January, 1981, the application of the Act to this waterworks proposal would be superfluous. O. Reg. 407/81.

Note
The use of tetracyclines during tooth development (last half of pregnancy, infancy and childhood to the age of 8 years) may cause permanent tooth discoloration (yellow-grey-brown). This reaction is more common during long-term use of the tetracyclines, but has been observed following short-term courses. Enamel hypoplasia has also been reported. Tetracyclines should therefore not be used in this age group unless other antibiotics are not likely to be effective or are contraindicated.

Hypertension: Fixed Combination Drugs

A fixed combination drug is not indicated for initial therapy of hypertension. Hypertension requires therapy titrated to the individual patient. Recognizing this, if the fixed combination drug meets that titrated dose of its individual components, its use may be more convenient in the management of the individual patient. The treatment of hypertension is not static; it must be re-evaluated as conditions in each patient warrant. Adapted from F-D-C Reports, Sept. 11, 1972, p 8 (FDA Cardiovascular Advisory Committee)

Hypertension: Fixed Combination Drugs

A fixed combination drug is not indicated for initial therapy of hypertension. Hypertension requires therapy titrated to the individual patient. Recognizing this, if the fixed combination drug meets that titrated dose of its individual components, its use may be more convenient in the management of the individual patient. The treatment of hypertension is not static; it must be re-evaluated as conditions in each patient warrant. Adapted from F-D-C Reports, Sept. 11, 1972, p 8 (FDA Cardiovascular Advisory Committee)

Filed—June 19th, 1981.

REGULATION TO AMEND
ONTARIO REGULATION 407/78
MADE UNDER
THE EDUCATION ACT, 1974

1. Subclause 1 (m) (iii) of Ontario Regulation 407/78 is revoked and the following substituted therefor:

(iii) one of,

- (A) five years of wage-earning, business or industrial experience in the area or areas of technological studies selected as options in the program of professional education, or
- (B) a combination of education related to the area or areas of technological studies selected as options in the program of professional education beyond that referred to in subclause (i) and business or industrial experience in the area or areas of technological studies selected as options in the program of technological studies that totals five years, including at least two years of wage-earning experience, no less than sixteen months of which is continuous employment;

- 2.—(1) Clause 28 (1) (c) of the said Regulation is revoked and the following substituted therefor:

- (c) in the case of a candidate for a qualification listed in Schedule C at the advanced level, has produced evidence of twelve months of business or industrial experience in the area of the qualification; and
- (d) has demonstrated competence in the area referred to in clause (c).

- (2) Subsection 28 (2) of the said Regulation is revoked and the following substituted therefor:

(2) An additional qualification may not be entered under subsection (1) on the Ontario Teacher's Qualifications Record Card of a candidate whose areas of concentration in the program of professional education that qualified him for the Ontario Teacher's Certificate were not in technological studies unless the candidate meets the requirement of subclause 1 (m) (iii).

O. Reg. 415/81, s. 2 (2).

- 3.—(1) Clause 36 (3) (b) of the said Regulation is revoked and the following substituted therefor:

- (b) has entries on his Ontario Teacher's Qualifications Record Card indicating qualifications in at least,

- (i) three of the subjects listed in Schedule C including at least one at both the basic and the advanced level, or
- (ii) four of the subjects listed in Schedule C at the basic level and an entry indicating the Specialist qualification in one of the subjects in Schedule E listed as exceptions in subclause 31 (a) (i);

(2) The said section 36, as amended by section 8 of Ontario Regulation 97/79, section 4 of Ontario Regulation 16/80 and section 25 of Ontario Regulation 557/80, is further amended by adding thereto the following subsection:

(4) The entry on a candidate's Ontario Teacher's Qualifications Record Card indicating that he has completed successfully the first session of a three-session course leading to the Specialist qualification in Industrial Arts is deemed to be equivalent to one basic level entry for purposes of clause (3) (b).

- 4. Schedule C to the said Regulation is amended by striking out "Industrial Arts" where it appears under the sub-subheadings Materials, Processes and Design under the subheadings Basic Level and Advanced Level.
- 5. This Regulation comes into force on the 1st day of October, 1981.

The Assessment Act

Chapter 32, R.S.O. 1970 as amended

The Ministry of Revenue in accordance with section 71, subsection 3, of *The Assessment Act* publishes the 1981 Provincial Equalized Assessments and Equalization Factors for each Municipality and Locality of Ontario.

The equalized assessment is expressed in dollars and the equalization factor is the percentage that the real property assessment, as returned, bears to this same assessment as equalized.

The equalized assessment includes Rateable Real Property and Business Assessment only.

Applications to Parliament — Private Bills

PUBLIC NOTICE

LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Standing Orders governing the submission of such Bills:

NOTE: The previous Standing Orders of the Legislative Assembly have been repealed and the following put into effect by Order of the House passed on Thursday, December 14th, 1978, and on Tuesday, May 13th, 1980.

Attention is drawn to the more important changes:—

— No time limit.

— No penalties for late filing.

— Required notice of advertising reduced to four weeks from six weeks.

PRIVATE BILLS

Filing Bill with Clerk

65. (a) Any person, group or corporation may apply for a Private Bill by filing with the Clerk of the House a copy of the Bill together with a fee of \$150.00.

Applicant to pay cost of printing

(b) Every applicant for a Private Bill shall pay the cost of printing the Bill, including the cost of printing the Act in the annual Statutes.

Other charges

(c) Where a Standing Order is suspended with reference to a Bill, a charge of \$50.00 shall be levied.

Additional fees

(d) Where a Bill incorporates a company, or increases the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable in the case of an incorporation or increase of capital under The Business Corporations Act, less the sum of \$150.00 already paid to the Clerk of the House.

(e) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:—

On amounts less than \$10,000.....	\$ 25
On amounts over \$10,000 and up to \$25,000	50
On amounts over \$25,000 and up to \$40,000	75
On amounts over \$40,000 and up to \$75,000	100
On amounts over \$75,000 and up to \$125,000	125
On amounts over \$125,000 and up to \$175,000	150
On amounts over \$175,000 and up to \$250,000	200
On amounts over \$250,000 and up to \$350,000	250
and an additional fee of \$50 for every \$100,000 over \$350,000.	

Publication of Standing Orders re Private Bills

(f) The Clerk of the House shall publish weekly in *The Ontario Gazette* the Standing Orders respecting applications for Private Bills.

Required notice of applications

(g) Notice of an application for a Private Bill shall be given before it is referred to a Standing Committee by publishing it once a week for at least four weeks in each of *The Ontario Gazette* and one newspaper circulated in the municipality most affected and the notice shall,

(i) be signed by or on behalf of the applicant;

(ii) clearly state the nature and object of the application;

- (iii) when the application refers to any proposed work, indicate generally the location of the work; and

Bills for debenture issues

- (iv) where the application is by a municipal corporation for authority to issue debentures, set out the particulars of the existing debenture debt and the amount of the rateable property of the municipality according to the last revised assessment roll of the corporation and in brief and general terms, the object for which the new issue of debentures is required.

Clerk reports to Standing Procedural Affairs Committee

66. (a) The Clerk of the House shall refer to the Standing Procedural Affairs Committee any application that, in his opinion, does not comply with the Standing Orders.

Declaration re advertising

(b) The applicants for a Private Bill shall lodge with the Clerk of the House a declaration proving publication of the notice.

Letters Patent

67. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Charter or Agreement, shall be attached to it.

Certificate of Minister of Revenue re Letters Patent

68. No Bill relating to the status of a corporation shall be considered by any Committee until there has been deposited with the Clerk of the House a certificate of the Minister of Revenue showing that all taxes payable under The Corporations Tax Act in respect of the corporation have been paid.

Reference to Standing Committee after first reading. Exceptions

69. Every Private Bill when read a first time, shall, unless it is an Estate Bill, or a Bill providing for a consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a municipal corporation, stand referred to the appropriate Standing Committee, and any Petitions to the House for or against the Bill stand referred to any such Committee.

Certain Municipal Applications referred to Ontario Municipal Board

70. (a) A Private Bill of a municipal corporation providing for the consolidation of a floating debt, or the consolidation or renewal of debentures (other than local improvement debentures) stand referred to the Ontario Municipal Board after first reading.

Board to report

(b) The Board, after due enquiry, shall report to the House whether or not it is reasonable that the Bill, or that part thereof relating to the matters referred to in clause (a), should pass and what, if any, alterations should be made in the Bill.

Report to Clerk

(c) A report shall be transmitted to the Clerk of the House.

Bill and report to Standing Committee

(d) The Bill and report shall stand referred to the appropriate Standing Committee.

Estate Bills referral

71. (a) Every Estate Bill or part of a Bill that contains an Estate Bill provision stands referred to the Commissioners of Estate Bills after first reading.

Report of Commissioners

(b) The Commissioners of Estate Bills, or any two of them, shall report their opinion on the Bill or the part thereof that has been submitted to them, and whether, presuming the allegations contained in the Preamble to be proven to the satisfaction of the House, it is reasonable for the Bill or the part thereof to pass and what, if any, alterations are necessary.

Report sent to Clerk

(c) A report of the Commissioners of Estate Bills shall be transmitted to the Clerk of the House.

Effect of adverse report

(d) Where the Commissioners of Estate Bills report that, in their opinion, it is not reasonable that the Bill or the part thereof submitted to them pass into law, the Bill or the part thereof shall not be further considered.

Bill and report to Committee

(e) Where the Bill or the part thereof submitted to the Commissioners of Estate Bills is reported favourably by the Commissioners, the Bill and the report shall stand referred to the appropriate Standing Committee and where only part of a Bill is submitted to the Commissioners and the Commissioners report that, in their opinion, it is not reasonable that the part pass into law, the Bill, except for the part to which the report applies, shall stand referred to the appropriate Committee.

Notice re Hearing by Standing Committee

72. (a) The Clerk of the House shall post on all notice boards five days notice of the date on which any Private Bill is to be considered by a Committee and the notice shall be published in the Notice Paper.

Notice of Next Day Meetings on Private Bills

(b) The Clerk shall also publish in the Notice Paper a notice of any meeting of a Committee to consider Private Bills to be held on the following day.

Consent of interested persons

73. Any person whose interest or property may be affected by a Private Bill, when required, shall appear before the Committee considering the Bill to express his consent or objection, or may consent in writing, proof of which may be demanded by the Committee.

On Order Paper after report

74. Private Bills when reported by Standing Committees shall be placed on the Order Paper for second reading.

Bills initialled and signed by Chairman

75. (a) The Chairman of a Committee considering a Private Bill shall initial each section of the Bill as it is passed and sign the Bill.

Amendments

(b) Amendments shall be clearly indicated in the signed copy, and the amendments or additions shall be initialled by the Chairman.

Reprinting amended Bills

76. Private Bills amended by a Committee or the Commissioners may be reprinted before further consideration as the Clerk of the House may direct and the applicant shall pay the cost of printing the Bill.

Referral after second reading

77. Private Bills, after second reading, shall be ordered for third reading, unless specially ordered referred to the Committee of the Whole House.

Notice required to dispense with Standing Orders

78. Except by unanimous consent of the House given in case of urgent and pressing necessity, no

motion may be made to dispense with any Standing Order relating to Private Bills without due notice thereof.

Private Bill Register

79. A Private Bill Register shall be kept in the office of the Clerk of the House, in which shall be entered, by the Clerk appointed for that purpose, the name, description, and place of residence of the parties applying for the Bill, or of their agent, and all the proceedings thereon, such register to be open to public inspection daily, during office hours.

Parliamentary Agents

80. (a) Every Parliamentary Agent conducting proceedings before the House is personally responsible to the House and to the Speaker for the observance of the Standing Orders and Practices of Parliament, and also for the payment of all fees and charges.

Misconduct of Agent

(b) Any agent who wilfully acts in violation of the Standing Orders and Practices of Parliament, or who wilfully misconducts himself in prosecuting any proceedings before the House, is liable to an absolute or temporary prohibition to practise as a Parliamentary Agent, at the pleasure of the Speaker.

RODERICK LEWIS, Q.C.,
Clerk of the Legislative Assembly of Ontario.

EXPLANATORY NOTE

Burford Lions Club, 1981

The purpose of the Bill is to revive Burford Lions Club.

BILL Pr15 1981

An Act to revive Burford Lions Club

Preamble

WHEREAS R. John Ney and Allan Piggott hereby represent that Burford Lions Club, herein called the Corporation, was incorporated by letters patent dated the 9th day of September, 1948; that the Minister of Consumer and Commercial Relations by order dated the 5th day of January, 1977, and made under the authority of subsection 9 of section 347 of *The Corporations Act*, being chapter 89 of the Revised Statutes of Ontario, 1970, cancelled the letters patent of the Corporation for default in filing annual returns and declared the Corporation to be dissolved on the 9th day of February, 1977; that, although the notice of default in filing annual returns was sent to each of the applicants as directors, through inadvertence, no action was taken to revive the Corporation until more than two years after the date of the said notice; that the said R. John Ney and Allan Piggott are, respectively, the secretary and the president of the Burford Lions Club; that the Corporation, at the time of its dissolution, was carrying on the activities of a service club and those activities have continued to be carried on in the name of the Corporation since the time of its dissolution; and whereas the applicants hereby apply for special legislation reviving the Corporation; and whereas it is expedient to grant the application;

Therefore, Her Majesty, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:

Burford
Lions Club
revived

1. Burford Lions Club is hereby revived and is, subject to any rights acquired by any person after its dissolution, hereby restored to its legal position as a corporation incorporated by letters patent, including all its property, rights, privileges and franchises and subject to all its liabilities, contracts, disabilities and debts as at the date of its dissolution in the same manner and to the same extent as if it had not been dissolved.

Commence-
ment

2. This Act comes into force on the day it receives Royal Assent.

Short title

3. The short title of this Act is the *Burford Lions Club Act, 1981*.

Beginning at the intersection of the centre line of that part of the King's Highway known as No. 105 with the centre line of the English River; thence easterly along that centre line and the easterly production of that centre line to the centre line of Lac Seul; thence in a southeasterly and easterly direction along that centre line

through Shanty Narrows, Poplar Narrows, Mani'ou Narrows and Sen Bay and Bindo Lake to the most easterly extremity of Bindo Lake; thence southeasterly to the most northerly extremity of Stranger Lake; thence in a southwesterly direction along the centre line of Stranger Lake, the creek between McDougall Bay of Marchington Lake and Stranger Lake and McDougall Bay to the most southwesterly extremity thereof; thence south astronomically to the centre line of the right of way of the Canadian National Railway Company; thence easterly along that centre line to the connecting waters between Singapore Lake and Tawatina Lake; thence in a northeasterly direction along the centre line of that stream, Tawatina Lake, Tawatina River and Lewis Lake to the portage at the northerly limit of Lewis Lake; thence northeasterly along that portage to the southerly extremity of Farrington Lake; thence in a northerly and westerly direction along the centre line of Farrington Lake and Schist Lake, both forming part of the Marchington River, to a stream flowing from Runway Lake; thence northeasterly along that stream to the most southerly extremity of Runway Lake; thence in a westerly direction along small lakes and portages to the most southerly extremity of Moose Lake; thence in a northeasterly direction along the centre line of Moose Lake, Moose Creek and Elam Lake to the most southerly bay of Ragged Wood Lake; thence westerly and northerly along the centre line of the most southerly bay of Ragged Wood Lake, the connecting waters between the most southerly bay of Ragged Wood Lake and Mask Lake, and Mask Lake to the centre line of the Vermilion River; thence northerly and westerly along that centre line, the waters connecting the Vermilion River and Enrae Lake, and Enrae Lake to the high-water mark along the northerly bank of the waters connecting Enrae Lake and Sleen Lake; thence westerly along that high-water mark and the high-water mark along the northerly shore of Sleen Lake to the most northerly extremity of Sleen Lake; thence westerly in a straight line to the most southerly extremity of McNeely Lake; thence in a northeasterly direction along the centre lines of McNeely Lake, Free Creek, Adamhay Lake, Root River, Root Bay and the West Channel of Lake St. Joseph, Blackstone Lake, Roadhouse Lake, Bamaji Lake and North Bamaji Lake to the centre line of the right of way of Ontario Hydro at Slate Falls; thence in a westerly direction along that centre line to the intersection with the centre line of the north-south right of way of Ontario Hydro in the geographic Township of Dent; thence in a southwesterly direction along that centre line to the intersection with the centre line of that part of the King's Highway known as Secondary Highway No. 657; thence in a westerly direction along that centre line to the intersection with the centre line of that part of the King's Highway known as No. 105; thence in a southeasterly direction along that centre line to the place of beginning.

Part 5

All those lands in the Territorial District of Kenora described as follows:

Beginning at the intersection of the centre line of the right of way of the Canadian National Railway Company with the centre line of that part of the King's Highway known as Secondary Highway No. 647 in the Town of McIntosh; thence in a southeasterly direction along the centre line of that King's Highway to the intersection with the southwesterly production of the centre line of Smellie Lake; thence in a northeasterly direction along that production and the centre line of Smellie Lake and along the centre line of the stream connecting Smellie Lake and Bowden Lake to the intersection with the centre line of the right of way of the Canadian National Railway Company; thence in an easterly direction along that centre line to the intersection with the westerly boundary of the geographic Township of Breithaupt; thence southerly and easterly along the westerly and southerly boundaries of that township to the northeasterly corner of the geographic Township of Drope; thence southerly along the easterly boundary of the geographic townships of Drope and Brownridge to the southeast corner of the geographic Township of Brownridge; thence easterly along the southerly boundary of the geographic Township of Laval to the northwest corner of the geographic Township of Hartman; thence southerly and easterly along the westerly and southerly boundary of that township to the intersection with the centre line of that part of the King's Highway known as No. 72; thence in a southwesterly direction along that centre line to the intersection with the centre line of that part of the King's Highway known as No. 17; thence in a southeasterly direction along that centre line to the intersection with the easterly boundary of the geographic Township of Hodgson; thence northerly along that boundary, the easterly boundary of the geographic Township of Hyndman and the production of that boundary to the intersection with the centre line of the stream flowing into Basket Lake; thence in a northeasterly direction along that centre line to the intersection of the high-water mark at the most southerly extremity of Basket Lake; thence in a northerly and northeasterly direction along the centre line of that lake to the intersection with the high-water mark of the most northeasterly bay of that lake; thence northerly in a straight line to the inter-

section with the high-water mark of the most southwesterly lake connecting with the Amik River; thence northerly along the centre line of that lake to the intersection with the centre line of the Amik River; thence in a northerly and north-easterly direction along that centre line composed of Amik Lake and Loggers Lake to the intersection with the centre line of the English River; thence in an easterly direction along that centre line composed of Flying Loon Lake and Jarvis Lake to the intersection with the centre line of Jarvis Lake; thence in a northeasterly direction along that centre line to the intersection with the high-water mark at the most northerly extremity of that lake; thence northerly along a straight line to the intersection with the high-water mark at the most westerly extremity of Lake of Bays; thence in a northeasterly and northwesterly direction along a centre line connecting Lake of Bays, Lake of Bays River, Conver Lake and Singapore Lake to the intersection of the connecting waters between Singapore Lake and Tawatina Lake with the centre line of the right of way of the Canadian National Railway Company; thence westerly along that centre line to a line drawn south astronomically from the most southwesterly extremity of McDougall Bay; thence north astronomically along that line to the southwesterly extremity of McDougall Bay; thence northeasterly along the centre line of McDougall Bay, the stream between McDougall Bay and Stranger Lake, and the centre line of Stranger Lake to the most northerly extremity thereof; thence northwesterly to the most easterly extremity of Bindo Lake; thence westerly and northerly along the centre line of Bindo Lake to the centre line of Sen Bay of Lac Seul; thence in a westerly and northwesterly direction along the centre line of Sen Bay and the centre line of Lac Seul composed of Manitou Narrows, Poplar Narrows and Shanty Narrows to the easterly production of the centre line of the English River; thence westerly along that production in a southwesterly, southerly and southeasterly direction along the centre line of the English River composed of Camping Lake, Barnston Lake, Wegg Lake, Goose Lake, Wilcox Lake, Oak Lake, Maynard Lake, Tide Lake and Ball Lake and the Wabigoon River composed of Segise Lake and Canyon River to the most northerly extremity of Outlet Bay of Canyon Lake; thence in a southerly and easterly direction along the centre line of Outlet Bay and Canyon Lake to the intersection with a straight line extending northerly from the

high-water mark of Canyon Lake at the Town of McIntosh; thence southerly along that straight line to the place of beginning.

Part 6

All those lands in the Territorial District of Kenora described as follows:

Beginning at the intersection of the Inter-provincial Boundary between Ontario and Manitoba with the centre line of the right of way of the Canadian National Railway Company; thence easterly along that centre line to the intersection with a straight line extending southerly from the high-water mark of Canyon Lake at the Town of McIntosh; thence northerly along that straight line to the intersection of the high-water mark of Canyon Lake; thence northwesterly, northerly and westerly along a centre line connecting Canyon Lake, Outlet Bay, Canyon River, Segise Lake and the Wabigoon River to the intersection with the centre line of the English River System; thence in a northwesterly, northeasterly and northerly direction along that centre line composed of Ball Lake, Tide Lake and Maynard Lake to the intersection with the 7th Base Line; thence westerly along that base line to the intersection with the Interprovincial Boundary between Ontario and Manitoba; thence southerly along that Interprovincial Boundary to the place of beginning.

Part 7

All those lands in the territorial districts of Kenora and Rainy River described in Parts 7A and 7B.

Part 7A

Aulneau Peninsula west of Turtle Portage excluding all off-shore islands in Lake of the Woods.

Part 7B

Beginning at the intersection of the Inter-provincial Boundary between Ontario and Manitoba

with the International Boundary between Canada and the United States of America; thence easterly and southerly along that boundary to the intersection with latitude 49°00'; thence easterly along that latitude to the intersection with the high-water mark on the easterly shore of Lake of the Woods; thence northerly following that high-water mark to the intersection with the centre line of a road known as No. 4; thence easterly along that road to the intersection with the centre line of that part of the King's Highway known as Secondary Highway No. 619; thence southerly along that centre line to the intersection with the centre line of that part of the King's Highway known as Secondary Highway No. 600; thence easterly along that centre line to the intersection with the centre line of the southerly production of a road running north and east across the geographic townships of Dewart, Rowe and Menary; thence northerly and easterly along that production and that centre line to the intersection with the centre line of that part of the King's Highway known as No. 71; thence northerly along that centre line to the intersection with the centre line of Regina Bay of Lake of the Woods at Sioux Narrows; thence easterly along that centre line and its easterly production to the centre line of Dogpaw Lake; thence easterly, northerly and westerly along the centre lines of lakes and connecting waterways composed of Dogpaw Lake, Caviar Lake, Denmark Lake, Atikwa Lake, Populus Lake and Betula Lake to the intersection with the high-water mark on the westerly shore of the most westerly extremity of Betula Lake; thence westerly in a straight line to the intersection with the high-water mark on the easterly shore of the most easterly extremity of Warclub Lake; thence westerly, northerly and easterly along the centre line of Warclub Lake, Dryberry Lake, Point Bay, Point Lake, Teggau Lake and Vermilion Bay to the intersection with the high-water mark on the northerly shore of Vermilion Bay at the Town of Vermilion Bay; thence northerly in a straight line to the intersection with the centre line of that part of the King's Highway known as Secondary Highway No. 647; thence northwesterly along that centre line to the intersection with the centre line of the right of way of the Canadian National Railway Company; thence westerly along that centre line to the intersection with the Interprovincial Boundary between Ontario and Manitoba; thence southerly along that boundary to the place of beginning.

Saving and excepting therefrom all those lands known as Aulneau Peninsula west of Turtle Portage excluding all off-shore islands in Lake of the Woods.

Part 8

All those lands in the Territorial District of Kenora described as follows:

Beginning at the intersection of the centre line of that part of the King's Highway known as No. 17 with the centre line of that part of the King's Highway known as Secondary Highway No. 647; thence northwesterly along the centre line of that part of the King's Highway known as Secondary Highway No. 647 to the intersection with the southwesterly production of the centre line of Smellie Lake; thence in a northeasterly direction along that production and the centre line of Smellie Lake, along the centre line of the stream connecting Smellie Lake and Bowden Lake to the intersection with the centre line of the right of way of the Canadian National Railway Company; thence easterly along that centre line to the intersection with the westerly boundary of the geographic Township of Breithaupt; thence southerly and easterly along the westerly and southerly boundaries of that township to the northeast corner of the geographic Township of Drope; thence southerly along the easterly boundaries of the geographic townships of Drope and Brownridge to the southeast corner of the geographic Township of Brownridge; thence easterly along the southerly boundary of the geographic Township of Laval to the northwest corner of the geographic Township of Hartman; thence southerly and easterly along the westerly and southerly boundary of that township to the intersection with the centre line of that part of the King's Highway known as No. 72; thence southwesterly along that centre line to the intersection with the centre line of that part of the King's Highway known as No. 17; thence southeasterly along that centre line to the intersection with the centre line of McKenzie Creek; thence westerly, southwesterly and southerly along that centre line and connecting waters composed of McKenzie Creek, Dinorwic Lake, Stanawan Bay, Minnehaha Lake and Peak Lake to the intersection with the production of the centre line of the portage between Peak Lake and Sasakwei Lake; thence westerly along that centre line to the intersec-

tion with the centre line of Sasakwei Lake; thence southerly along that centre line and connecting waters and portage composed of Sasakwei Lake and Kabagukski Lake to the intersection with the easterly production of a straight line from the most northerly extremity of Trafalgar Bay of Upper Manitou Lake; thence westerly along that straight line to the intersection with the centre line of Trafalgar Bay; thence southwesterly, northwesterly, westerly and northerly along that centre line and connecting waters and portage composed of Upper Manitou Lake, Manitou Straits, Lower Manitou Lake, Calder Lake, Syndicate Lake, Picture Narrows Lake, Cleftrock Lake, Pan Lake, Lawrence Lake, Hill Lake, Brooks Bay, Rowan Lake, Denmark Lake, Atikwa Lake, Populus Lake and Betula Lake to the intersection with the high-water mark on the westerly shore of the most westerly extremity of Betula Lake; thence westerly in a straight line to the intersection with the high-water mark on the easterly shore of the most easterly extremity of Warclub Lake; thence westerly, northerly and easterly along the centre line of Warclub Lake and connecting waters composed of Warclub Lake, Dryberry Lake, Point Bay, Point Lake, Teggau Lake and Vermilion Bay to the intersection with the high-water mark on the northerly shore of Vermilion Bay at the Dispersed Rural Community of Vermilion Bay; thence northerly in a straight line to the place of beginning.

Part 9

All those lands in the territorial districts of Kenora and Rainy River described in Parts 9A and 9B.

Part 9A

Beginning at the intersection of that part of the King's Highway known as No. 17 with the centre line of McKenzie Creek; thence westerly, southwesterly and southerly along the centre line of McKenzie Creek and connecting waters composed of McKenzie Creek, Dinorwic Lake, Stanawan Bay, Minnehaha Lake and Peak Lake to the intersection with the production of the centre line of the portage between Peak Lake and Sasakwei Lake; thence westerly along that centre line to the intersection with the centre line of Sasakwei Lake; thence southerly along that centre line and connecting

waters and portages composed of Sasakwei Lake and Kabagukski Lake to the intersection with the easterly production of a straight line from the most northerly extremity of Trafalgar Bay of Upper Manitou Lake; thence westerly along that straight line to the intersection with the centre line of Trafalgar Bay; thence southwesterly, northwesterly, westerly and northerly along the centre line of lakes, connecting waters and portage composed of Upper Manitou Lake, Manitou Straits, Lower Manitou Lake, Calder Lake, Syndicate Lake, Picture Narrows Lake, Cleftrock Lake, Pan Lake, Lawrence Lake, Hill Lake, Brooks Bay, Rowan Lake, Denmark Lake, Caviar Lake, Dogpaw River, Dogpaw Lake, the westerly production of the centre line of Dogpaw Lake and Regina Bay of Lake of the Woods to the intersection with the centre line of that part of the King's Highway known as No. 71 at Sioux Narrows; thence in a southerly direction along that centre line to the intersection with the southerly boundary of the Territorial District of Kenora; thence in an easterly direction along that boundary to the intersection with the centre line of Eltrut Lake, being part of the Turtle River System; thence in a northerly, easterly and north-easterly direction along the centre line of that river system composed of Eltrut Lake, Jones Lake, Pekagoning Lake, Bending Lake and Bending Creek to the intersection with the southerly boundary of the geographic Township of Hodgson; thence easterly along that boundary to the intersection with the centre line of Revell Lake; thence northerly along that centre line to the intersection with the centre line of the Revell River; thence northerly along that centre line to the intersection with the centre line of that part of the King's Highway known as No. 17; thence northwesterly along that centre line to the place of beginning.

Part 9B

Beginning at the intersection of the northerly boundary of the Territorial District of Rainy River with the centre line of that part of the King's Highway known as No. 71; thence in a southerly direction along that centre line to the intersection with the centre line of a road known as Camp 404 Road; thence easterly along that centre line to the intersection with the centre line of the right of way of Onario Hydro; thence southeasterly along that centre line to the intersection with the westerly production of the south-

erly boundary of Indian Reserve 16A; thence easterly along that production and that southerly boundary to the intersection with the high-water mark on the westerly shore of Sand Bay of Rainy Lake; thence in a northeasterly and northerly direction along that high-water mark to the intersection with the centre line of that part of the King's Highway known as No. 11; thence in an easterly direction along that centre line to the intersection with a straight line drawn south from the most easterly extremity of Little Turtle Lake; thence northerly along that straight line to the high-water mark of that extremity of Little Turtle Lake; thence westerly, northeasterly, northerly and easterly along the centre line of that part of the Turtle River System composed of Little Turtle Lake, Turtle River, Robinson Lake and Eltrut Lake to the intersection with the northerly boundary of the Territorial District of Rainy River; thence westerly along that boundary to the place of beginning.

Part 10

All those lands in the Territorial District of Rainy River described as follows:

Beginning at the intersection of the International Boundary between the United States of America and Canada with latitude 49°00'; thence easterly along that latitude to the intersection with the high-water mark on the easterly shore of Lake of the Woods; thence northerly following that high-water mark to the intersection with the centre line of a road known as No. 4; thence easterly along that road to the intersection with the centre line of that part of the King's Highway known as Secondary Highway No. 619; thence southerly along that centre line to the intersection with the centre line of that part of the King's Highway known as Secondary Highway No. 600; thence easterly along that centre line to the intersection with the centre line of the southerly production of a road running north, east and west across the geographic townships of Dewart, Rowe and Menary; thence northerly and easterly along that production and that centre line to the intersection with the centre line of that part of the King's Highway known as No. 71; thence continuing easterly along the centre line of a road known as Camp 404 Road to the intersection with the centre line of the right of way of Ontario Hydro; thence southeasterly along that

centre line to the intersection with the westerly production of the southerly boundary of Indian Reserve 16A; thence easterly along that production and that southerly boundary to the intersection with the high-water mark on the westerly shore of Sand Bay of Rainy Lake; thence southerly along that high-water mark to the intersection with the centre line of the right of way of the former Duluth, Winnipeg and Pacific Railway Company, now the right of way of the Canadian National Railway Company; thence easterly along that centre line to the intersection with the International Boundary between the United States of America and Canada; thence westerly, southerly and northerly along that boundary to the place of beginning.

Part 11

All those lands in the territorial districts of Rainy River and Thunder Bay described in Parts 11A and 11B.

Part 11A

Beginning at the intersection of the centre line of the right of way of the former Duluth, Winnipeg and Pacific Railway Company, now the right of way of the Canadian National Railway Company, with the International Boundary between the United States of America and Canada; thence in a general easterly direction along that boundary to the intersection with the centre line of Saganaga Lake; thence in a northeasterly direction along that centre line to the intersection with the easterly boundary of Quetico Provincial Park; thence in a northerly direction along that boundary and its northerly production to the intersection with the centre line of that part of the King's Highway known as No. 11; thence in a westerly and southwesterly direction along that centre line to the intersection with the high-water mark on the westerly shore of Rainy Lake; thence in a general southerly direction along that high-water mark to the intersection with the centre line of the former Duluth, Winnipeg and Pacific Railway Company, now the centre line of the Canadian National Railway Company; thence in an easterly direction along that centre line to the place of beginning.

Part 11B

Beginning at the intersection of the centre line of that part of the King's Highway known as No. 11 with the northerly production of the easterly boundary of Quetico Provincial Park; thence in a southerly direction along that northerly production and that easterly boundary to the intersection with the centre line of Saganaga Lake; thence in a northeasterly direction along the centre line of interconnecting lakes and waterways composed of Saganaga Lake, Northeast Arm, North Channel, Trafalgar Bay, Weikwabinow River, Nelson Creek and Nelson Lake to the intersection with the high-water mark at the most northerly extremity of Nelson Lake; thence in a northeasterly direction along a straight line to the intersection with the centre line of Clovenhoof Lake; thence in a general easterly direction along that centre line to the intersection with the high-water mark at the most easterly extremity of Clovenhoof Lake; thence in a southeasterly direction along a straight line to the intersection with the high-water mark at the most westerly extremity of Hoof Lake; thence in a general easterly and northerly direction along the centre line of interconnecting lakes and waterways composed of Hoof Lake, Hoof Creek, Kekekuab Lake, Kekek Creek, Blossom Lake, Matawin River, Shebandowan River and the Oskondaga River to the intersection with the centre line of that part of the King's Highway known as No. 11; thence in a westerly direction along that centre line to the place of beginning.

Part 12

All those lands in the territorial districts of Kenora, Rainy River and Thunder Bay described in Parts 12A and 12B.

Part 12A

Beginning at the intersection of the centre line of that part of the King's Highway known as No. 17 with the centre line of the Revell River; thence in a southerly direction along that centre line and the centre line of Revell Lake to the intersection with the southerly boundary of the geographic Township of Hodgson; thence in a westerly direction along that boundary to the intersection with the centre line of Bending Creek,

being part of the Turtle River System; thence in a southerly, westerly and southwesterly direction along the centre line of that river system composed of Bending Creek, Bending Lake, Pekagoning Lake, Turtle River, Jones Lake and Eltrut Lake to the intersection with the southerly boundary of the Territorial District of Kenora; thence in an easterly direction along that boundary to the westerly boundary of the Territorial District of Thunder Bay; thence in a southerly direction along that boundary to latitude 49°00'; thence in an easterly direction along that latitude to the Seine River Indian Reserve 22A2; thence in a southeasterly direction following the southerly limit of that Indian Reserve and the centre line of the Seine River to the Ontario Hydro dam which is at the end of the Blind Bay Road; thence in a northeasterly direction along the centre line of the Blind Bay Road to the intersection with the centre line of that part of the King's Highway known as No. 17; thence in a northwesterly direction along that centre line to the place of beginning.

Part 12B

Beginning at the intersection of the centre line of that part of the King's Highway known as No. 17 with the centre line of that part of the King's Highway known as No. 11 west of the City of Thunder Bay; thence westerly along that centre line to the intersection with a straight line drawn south astronomically from the most easterly extremity of Little Turtle Lake; thence northerly along that line to the intersection with the high-water mark on the most easterly extremity of Little Turtle Lake; thence in a westerly, northeasterly, northerly and easterly direction along that part of the Turtle River System composed of Little Turtle Lake, Turtle River, Robinson Lake and Eltrut Lake to the intersection with the northerly boundary of the Territorial District of Rainy River; thence in an easterly direction along that boundary to the westerly boundary of the Territorial District of Thunder Bay; thence in a southerly direction along that boundary to latitude 49°00'; thence in an easterly direction along that latitude to the Seine River Indian Reserve 22A2; thence in a southeasterly direction following the southerly limit of that Indian Reserve and the centre line of the Seine River to the Ontario Hydro dam which is at the end of the Blind Bay Road; thence in a northeasterly direction along the centre line of the Blind Bay Road to the

intersection with the centre line of that part of the King's Highway known as No. 17; thence in a southeasterly and southerly direction along that centre line to the place of beginning.

Part 13

All those lands in the Territorial District of Thunder Bay described as follows:

Beginning at the intersection of the centre line of that part of the King's Highway known as No. 17 with the centre line of the right of way of TransCanada PipeLines Limited in the geographic Township of Gibbard; thence in an easterly direction along the last mentioned centre line to the intersection with the centre line of the Nipigon River; thence in a southerly direction along the centre line of the Nipigon River System composed of the Nipigon River, Helen Lake and Nipigon Bay of Lake Superior to the intersection with a straight line drawn west astronomically from Hughes Point to the intersection of the centre line of the right of way of the Canadian National Railway Company with the centre line of that part of the King's Highway known as Secondary Highway No. 628; thence in a westerly direction along that straight line to that intersection; thence in a southwesterly direction along the centre line of the right of way of the Canadian National Railway Company to the intersection with the centre line of the Black Sturgeon River; thence in a general southeasterly and southwesterly direction along that centre line to the intersection with the high-water mark of Black Bay of Lake Superior; thence in a westerly and southwesterly direction along that high-water mark to the most southerly extremity of Middlebrun Point of Sibley Peninsula; thence south astronomically to the intersection with the International Boundary between the United States of America and Canada; thence in a southwesterly and westerly direction along that boundary to the intersection with the centre line of Saganaga Lake; thence in a northeasterly direction along the centre line of interconnecting lakes and waterways composed of Saganaga Lake, Northeast Arm, North Channel, Trafalgar Bay, Weikwabinonaw River, Nelson Creek and Nelson Lake to the intersection with the high-water mark at the most northerly extremity of Nelson Lake; thence in a northeasterly direction along a straight line to the intersection with the centre

line of Clovenhoof Lake; thence in a generally easterly direction along that centre line to the intersection with the high-water mark at the most easterly extremity of Clovenhoof Lake; thence in a southeasterly direction along a straight line to the high-water mark at the most westerly extremity of Hoof Lake; thence in a generally easterly and northerly direction along the centre line of interconnecting lakes and waterways composed of Hoof Lake, Hoof Creek, Kekekuab Lake, Kekek Creek, Blossom Lake, Matawin River, Shebandowan River and the Oskondaga River to the intersection with the centre line of that part of the King's Highway known as No. 17; thence in a northerly and north-westerly direction along that centre line to the place of beginning.

Part 14

All those lands in the Territorial District of Thunder Bay described as follows:

Beginning at the intersection of the right of way of the Canadian National Railway Company with the centre line of that part of the King's Highway known as Secondary Highway No. 628 in the geographic Township of Nipigon; thence east astronomically to the intersection with the high-water mark of Nipigon Bay at Hughes Point; thence in an easterly direction along that high-water mark to the most westerly extremity of Schreiber Point; thence due south astronomically to the intersection with the International Boundary between the United States of America and Canada; thence in a westerly direction along that boundary to the intersection with a straight line running due south astronomically from the high-water mark at the most southerly extremity of Middlebrun Point; thence due north astronomically along that line to the high-water mark of Lake Superior at Middlebrun Point; thence in a northeasterly direction along that high-water mark to the intersection with the centre line of the Black Sturgeon River in Black Bay; thence in a general northeasterly and north-westerly direction along that centre line to the intersection with the centre line of the right of way of the Canadian National Railway Company; thence in a northeasterly direction along that centre line to the place of beginning.

Part 15

All those lands in the territorial districts of Kenora and Thunder Bay described as follows:

Beginning at the intersection of the right of way of the Canadian National Railway Company with the centre line of the Little Jackfish River; thence in a southerly direction along that centre line to the intersection with the high-water mark of Lake Nipigon in Ombabika Bay; thence in a general westerly, southerly and easterly direction along that high-water mark to the intersection with the centre line of the Nipigon River east of Jardine Island; thence in a southerly direction along the centre line of the Nipigon River System composed of the Nipigon River, Forgan Lake and Jessie Lake to the intersection with the centre line of the right of way of TransCanada PipeLines Limited; thence in a westerly direction along that centre line to the intersection with the centre line of that part of the King's Highway known as No. 17; thence in a northwesterly direction along that centre line to the intersection with the easterly boundary of the geographic Township of Hodgson; thence in a northerly direction along that boundary, the easterly boundary of the geographic Township of Hyndman and the northerly production of that boundary to the intersection with the centre line of the stream flowing into Basket Lake; thence in a northeasterly direction along that centre line to the intersection with the high-water mark at the most southerly extremity of Basket Lake; thence in a northerly and northeasterly direction along the centre line of that lake to the intersection with the high-water mark of the most northeasterly bay of that lake; thence northerly in a straight line to the intersection with the high-water mark of the most southeasterly lake connecting with the Amik River; thence northerly along the centre line of that lake to the intersection with the centre line of the Amik River; thence in a northerly and northeasterly direction along that centre line composed of Amik Lake and Loggers Lake to the intersection with the centre line of the English River; thence in an easterly direction along that centre line composed of Flying Loon Lake and Jarvis Lake to the intersection with the centre line of Jarvis Lake; thence in a northeasterly direction along that centre line to the intersection with the high-water mark at the most northerly extremity of that lake; thence northerly along a straight line to

the intersection with the high-water mark at the most westerly extremity of Lake of Bays; thence in a northeasterly and northwesterly direction along a centre line connecting Lake of Bays, Lake of Bays River, Conver Lake and Singapore Lake to the intersection with the connecting waters between Singapore Lake and Tawatina Lake and the centre line of the right of way of the Canadian National Railway Company; thence in an easterly direction along that centre line to the place of beginning.

Part 16

All those lands in the territorial districts of Kenora (Patricia Portion) and Thunder Bay described as follows:

Beginning at the intersection of the centre line of the Trading River with the 11th Base Line; thence in a westerly direction along the 11th Base Line to the intersection with the centre line of the most northerly bay of Goose Lake; thence in a southerly and southeasterly direction along the centre line of Goose Lake and the waters connecting Goose Lake and Mamakwash Lake, Mamakwash Lake, Upper Goose Lake, the Berens River and Mainprize Lake to the intersection with the most southeasterly extremity of Mainprize Lake; thence southeasterly in a straight line to the intersection with the most northerly extremity of Little Shabumeni Lake; thence in a southerly direction along the high-water mark along the easterly shore of Little Shabumeni Lake and Shabumeni Lake to the intersection with the centre line of the right of way of Ontario Hydro; thence in a southerly, southeasterly and easterly direction along that centre line to Slate Falls on North Bamaji Lake; thence in a general southerly direction along the centre line of North Bamaji Lake and Bamaji Lake, the waters connecting Bamaji Lake and Roadhouse Lake, the centre line of Roadhouse Lake and Blackstone Lake, the waters connecting Roadhouse Lake and the West Channel of Lake St. Joseph, the centre line of the West Channel of Lake St. Joseph and Root Bay of Lake St. Joseph to the intersection with the centre line of the Root River; thence in a southerly direction along the centre line of the Root River, Adamhay Lake, Free Creek and McNeely Lake to the intersection with the most southerly extremity of McNeely Lake; thence easterly in a straight line to the intersection with the most northerly extremity of Sleen Lake; thence

THE HIGHWAY TRAFFIC ACT

O. Reg. 428/81.
Security of Loads.
Made—June 18th, 1981.
Filed—June 22nd, 1981.

REGULATION MADE UNDER THE
HIGHWAY TRAFFIC ACT

SECURITY OF LOADS

1. In this Regulation,

- (a) “dunnage” means a device or material that distributes the restraining force of a tiedown assembly or assemblies over a greater portion of the load than it normally would affect;
- (b) “nominal”, when used to describe lumber, means commercially dressed sizes generally designated by the dimensions indicated;
- (c) “tiedown assembly” means a fastening device or attachment used to secure a load to the vehicle on which it is being carried so as to prevent the adverse movement of the load in any direction, including but not limited to, chains, cables, steel straps and fibre webbing;
- (d) “working load limit” means the rated capacity assigned by the manufacturer of a tiedown assembly or component thereof representing the maximum load in kilograms that may be applied to that assembly or component during normal service. O. Reg. 428/81, s. 1.

2.—(1) Every commercial motor vehicle or combination of commercial motor vehicle and trailer or trailers carrying a load on a highway shall,

- (a) have sides, sideboards or stakes and rear stakes, endgate or endboard,
 - (i) securely attached to the vehicle,
 - (ii) strong enough and high enough to ensure that the load that the vehicle is carrying will not shift upon or fall from the vehicle, and
 - (iii) that have no aperture large enough to permit any of the load that the vehicle is carrying to pass through;
- (b) have at least one tiedown assembly that meets the requirements of section 3 for each three linear metres of lading or fraction thereof, and as many additional tiedown assemblies that meet the requirements of

section 3 as are necessary to secure each part of the load being carried, either by,

- (i) direct contact between the load and the tiedown assemblies, or
- (ii) dunnage that is in contact with the load and is secured by tiedown assemblies; or
- (c) have other means of protecting against a shifting or falling load that are similar to, and at least as effective as, those means specified in clause (a) or (b).

(2) For the purposes of clause (1) (b), a tiedown assembly or dunnage in contact with exterior, topmost items of the load and securely holding each interior and lower item, complies with this requirement.

(3) Where a commercial motor vehicle or combination of commercial motor vehicle and trailer or trailers on a highway carries a load that may shift in transit, the load shall be blocked, restrained or contained in such a manner that it will not shift in a forward direction when the vehicle decelerates at a rate of six metres per second per second and the load shall be,

- (a) securely blocked or braced against the sides, sideboards or stakes of the vehicle; or
- (b) secured by devices that conform to the requirements set out in clause (1) (b) or (c).

(4) This section does not apply to,

- (a) any vehicle or combination of vehicles transporting,
 - (i) containers designed for the transportation of containerized, intermodal cargo, secured to the vehicle in accordance with section 4,
 - (ii) coils of metal secured in accordance with section 5,
 - (iii) a load of miscellaneous metal articles, secured in accordance with section 6, or
 - (iv) articles that, because of their size, shape or weight, must be carried on a special-purpose vehicle or must be fastened by special methods, if the articles are securely and adequately fastened to the vehicle;

(b) a vehicle operating under the authority of a permit issued under section 66 of the Act, where the permit specifically provides for exemption from this Regulation; or

(c) a motor vehicle or road-building machine, operated by or on behalf of an authority

having jurisdiction and control of a highway, where the vehicle or machine is engaged in construction, maintenance or marking activities on a highway. O. Reg. 428/81, s. 2.

3.—(1) Tiedown assemblies used on a commercial motor vehicle or combination of commercial motor vehicle and trailer or trailers to secure a load against movement in any direction shall have an aggregate working load limit equal to at least the weight of the article being secured.

(2) Where a tiedown assembly attached to a vehicle,

- (a) passes over, through or around the load or is attached to the load; and
- (b) is again attached to the vehicle,

each tensioned portion of the tiedown assembly acting between the load and the vehicle shall be considered as a separate tiedown in the determination of the aggregate working load limit.

(3) The working load limit of a tiedown assembly shall be rated at the working load limit of the weakest component of that assembly.

(4) Where a tiedown assembly or component thereof is not permanently identified with its grade or working load limit, the working load limit shall be deemed to be that of the lowest grade or classification for that type and size of tiedown assembly or component.

(5) The strength of,

- (a) hooks, bolts, welds or other connectors by which a tiedown assembly is attached to a vehicle; and
- (b) the mounting place and means of mounting the connector,

shall be at least as strong as the tiedown assembly when the connector is loaded in any direction in which the tiedown assembly may load it.

(6) No tiedown assembly shall be used where,

- (a) the active portion has knots therein;
- (b) any component thereof exhibits stretch, deformation, wear or damage beyond the limits specified by the manufacturer; or
- (c) the tiedown has been repaired or shortened other than in accordance with the manufacturer's specifications.

(7) Where an "over-the-centre" type of tiedown tensioner is used, the handle shall be locked in place and secured by an adequate secondary means to prevent its inadvertent release.

(8) Except in the case of steel, fibre or synthetic strapping that is permanently crimped, tiedown assemblies used on a commercial motor vehicle or combination of commercial motor vehicle and trailer or trailers to secure the load against movement in any direction shall be designed, constructed and maintained in such a manner that the driver of the vehicle can tighten the assembly in transit. O. Reg. 428/81, s. 3.

4. Containers designed for the transportation of containerized, intermodal cargo and having integral securement devices shall be fastened to a load-bearing surface of the vehicle with securement devices that prevent the containers from being unintentionally unfastened and restrain the containers from movement under normal operating conditions. O. Reg. 428/81, s. 4.

5. Where a commercial motor vehicle or combination of commercial motor vehicle and trailer or trailers transports on a highway coils of metal that, individually or in a combination that is banded together, weigh 2,300 kilograms or more, the coils may be restrained against movement in relationship to the vehicle in accordance with Schedule A. O. Reg. 428/81, s. 5.

6.—(1) In this section, "miscellaneous metal articles" means cut-to-length bars, plates, rods, sheet and tin mill products, billets, blooms, ingots, slabs, structural shapes, pipe and other tubular products, or any combination thereof.

(2) Where a commercial motor vehicle or combination of commercial motor vehicle and trailer or trailers transports on a highway a load of miscellaneous metal articles that, individually or in a combination that is banded or boxed together and handled as a single unit, weigh more than 1,000 kilograms, such articles may be restrained against movement in relationship to the vehicle in accordance with Schedule B. O. Reg. 428/81, s. 6.

7. Where timber is used for blocking it shall be sound timber. O. Reg. 428/81, s. 7.

8. This Regulation comes into force on the 1st day of November, 1981. O. Reg. 428/81, s. 8.

Schedule A

SECUREMENT REQUIREMENTS FOR COILED METAL

1. In this Schedule,

(a) "coil insert" means a device that when used in conjunction with a tiedown assembly restrains the coil against movement; and

(b) "eye" means the hole through the centre of a coil.

2.—(1) Where coils of metal are transported with eyes vertical, the coils shall be secured,

(a) by a tiedown assembly or by blocking placed against the front of a coil, where there is only one, or row of coils, where the coils are in rows, so as to restrain against forward motion;

(b) by a tiedown assembly or by blocking placed against the rear of the coil, where there is only one, or row of coils, where the coils are in rows, so as to restrain against rearward motion; and

(c) by a tiedown assembly over the top of each coil or, where the coils are in transverse rows, over the top of each row, so as to restrain against vertical motion.

(2) Only where a tiedown assembly over the top of a coil or a transverse row of coils is used in conjunction with a coil insert or inserts may the same tiedown assembly be used to comply with more than one requirement of subsection (1).

3.—(1) Where coils of metal are transported with eyes crosswise, the coils shall be secured,

(a) by a tiedown assembly, making an angle of less than 45 degrees with the horizontal when viewed from the side of the vehicle, running through the eye of each coil so as to restrain against forward motion;

(b) by a tiedown assembly, making an angle of less than 45 degrees with the horizontal when viewed from the side of the vehicle, running through the eye of each coil so as to restrain against rearward motion; and

(c) by timber, having a nominal cross section of at least ten centimetres by ten centimetres and a length that blocks at least 75 per cent of the width of a coil, tightly placed against both the front and rear of each coil or, where the coils are in rows, each row of coils so as to prevent movement of any coil in a forward or rearward direction.

(2) Where coils of metal being transported with eyes crosswise are loaded in contact with each other in the longitudinal direction of the vehicle, clause (1) (b) does not apply to any interior coil or interior transverse row of coils if timber, having a nominal cross section of at least five centimetres by ten centimetres, is tightly placed against both ends of each such coil or row of coils so as to prevent lateral movement.

4.—(1) Where coils of metal are transported with eyes lengthwise, the coils shall be restrained by timber, having a nominal cross section of at least ten centimetres by ten centimetres, tightly placed against the sides of each coil or, where the coils are in transverse rows, against the outboard sides of each row of coils, and the coils shall be secured by,

- (a) one or more tiedown assemblies over the top of each coil or transverse row of coils;
- (b) two or more tiedown assemblies through the eye of each coil; or
- (c) one or more tiedown assemblies crossing diagonally from one side of the vehicle to the other, through the eye of each coil.

(2) Where only one tiedown assembly is used over the top of each coil or transverse row of coils, additional timber, having a nominal cross section of at least five centimetres by ten centimetres, shall be,

- (a) placed tightly against the front and rear of each coil or row of coils; and
- (b) firmly secured to the longitudinal timber,

in such manner as to restrain against forward and rearward movement.

5. Notwithstanding sections 3 and 4, the use of timber is not required on vehicles that have depressions in the floor or that are equipped with restraining devices that perform the functions specified for timber in those sections. O. Reg. 428/81, Sched. A.

Schedule B

SECUREMENT REQUIREMENTS FOR MISCELLANEOUS METAL ARTICLES

1.—(1) Miscellaneous metal articles shall be restrained,

- (a) in the case of articles banded or otherwise secured together and handled as a single unit, by at least two tiedown assemblies;
- (b) in the case of a single article, a group of articles or a combination of articles loaded side-

by-side across the width of the vehicle, by at least one tiedown assembly over the top of the article or articles for at least every 2.5 metres of its or their length;

- (c) in the case of articles that individually have a length of not more than 2.5 metres and that are securely butted against each other in the forward and rearward direction,

- (i) by metal angles secured by tiedown assemblies, or

- (ii) by timber having a nominal cross section of at least ten centimetres by ten centimetres, placed longitudinally over the articles and secured by tiedown assemblies,

that shall not be located beyond the ends of the articles being secured; or

- (d) in the case of tiered articles where each tiered article rests securely on the one beneath it, by securing the tier in the same manner as a single level of those articles is secured in accordance with this section.

(2) Subsection (1) does not apply to,

- (a) pole trailers that have at least two tiedown assemblies securing the load to the forward bolster and at least two tiedown assemblies securing the load to the rear bolster; or
- (b) vehicles carrying special loads of machinery or fabricated structural items, such as beams, girders, or trusses, that are fastened by special methods provided that such special loads are securely and adequately fastened to the vehicle. O. Reg. 428/81, Sched. B.

Exemption—Ministry of Government
Services—MGS-45.

Made—June 11th, 1981.

Approved—June 11th, 1981.

Filed—June 23rd, 1981.

ORDER MADE UNDER THE ENVIRONMENTAL ASSESSMENT ACT, 1975

EXEMPTION—MINISTRY OF GOVERNMENT SERVICES—MGS-45

Having received a request from the Minister of Government Services that an undertaking, namely:

The construction of the Cochrane Registry Office addition on a site legally referred to as Lots 216, 217, 218, 219 and 220, Plan M114, North Bay, Town of Cochrane, District of Cochrane,

be exempt from the application of the Act pursuant to Section 30; and

Having been advised that if the undertaking is subject to the application of the Act, the following damage or interference with the persons indicated will occur:

- A. The Crown will be damaged and interfered with by the undue expense required to prepare an environmental assessment for an undertaking that will have no significant adverse effect on the environment, and that is needed by the Ministry of Consumer and Commercial Relations to expand the existing Registry Office to overcome accommodation inadequacies;
- B. The public will be interfered with in that the level of service available from the Ministry of Consumer and Commercial Relations, the efficiency with which it is effected, and the access to that service is impaired by the inadequacies of the existing accommodation.

Having weighed such damage, or interference against the betterment of the people of the whole or any part of Ontario by the protection, conservation and wise management in Ontario of the environment which would result from the undertaking being subject to the application of the Act;

The undersigned is of the opinion that it is in the public interest to order and orders that the undertaking is exempt from the application of the Act for the following reasons:

- A. The proposed undertaking will provide additional office space for the Registry

Offices located in the Cochrane Court House, which are inadequate for current or future program requirements;

- B. The Minister of Government Services has assured me that the zoning at the proposed site is compatible with the proposed undertaking and that adequate municipal services exist at the site to permit the proposed development; and

- C. The proposed undertaking will have no significant adverse effect on the environment.

This exemption is subject to the following terms and conditions:

1. That tenders for construction of the facility be let no later than December 31, 1981.
2. That the Ministry of Government Services notify the Environmental Approvals Branch, Ministry of the Environment, between 30 and 100 days prior to the calling of tenders for the undertaking, advising that the Ministry of Government Services has reviewed the undertaking and is of the opinion that the current situation under which the undertaking is proposed is unchanged from the situation that existed on the date that this exemption order was issued. THE ENVIRONMENTAL ASSESSMENT ACT, 1975

O. Reg. 431/81.

Exemption—Ministry of Natural
Resources—MNR-19/3.

Made—June 11th, 1981.

Approved—June 11th, 1981.

Filed—June 23rd, 1981.

ORDER MADE UNDER THE ENVIRONMENTAL ASSESSMENT ACT, 1975

EXEMPTION—MINISTRY OF NATURAL RESOURCES—MNR-19/3

Having received class environmental assessments with respect to projects within the undertaking exempted by Order MNR-19/2 published in THE ONTARIO GAZETTE on May 17, 1980, and Order 18/3 published in THE ONTARIO GAZETTE, November 15, 1980, and whereas the exemptions under those orders for the undertaking, namely:

The activity of constructing or implementing:

- (1) dams, dykes;
- (2) landfill sites, dumps and transfer stations;
- (3) canoe routes;
- (4) reclamation of lakes by use of mechanical devices or other methods other than chemicals;
- (5) water-related excavation, dredge and fill;
- (6) shoreline and bank stabilization;
- (7) ponds;
- (8) fishways; and,
- (9) access points and docks,

expired December 31, 1980, and March 31, 1981; and,

Having been advised that if the projects within the undertaking are subject to the application of the Act while the class environmental assessments are being reviewed, the following injury, damage or interference with the persons indicated will occur:

- A. The Crown and the public will be interfered with by the delay in implementing the plans and associated projects.

Having weighed such injury, damage or interference against the betterment of the people of the whole or any part of Ontario by the protection, conservation and wise management in Ontario of the environment which would result from the undertaking being subject to the application of the Act;

The undersigned is of the opinion that it is in the public interest to order and orders that the undertaking is exempt from the application of the Act for the following reasons:

- A. The processing of the reviews of the class environmental assessments for the projects within the undertaking are nearing completion. This exemption provides new expiry dates for the MNR-19/2 and MNR-18/3 exemptions in order to allow the Ministry of Natural Resources to continue to implement the undertaking until review of these class environmental assessments are completed and the necessary decisions taken under the Act;
- B. Satisfactory progress has been made towards the approval of the projects which are part of the undertaking for which class environmental assessments have been submitted and not yet approved;

- C. The Ministry of Natural Resources will carry out individual environmental assessment procedures for those projects within the undertaking which are liable to have such significant effects that an individual environmental assessment would be carried out as proposed in the class environmental assessments as submitted and not yet approved; and

- D. I have been advised by the Minister of Natural Resources that he will continue to apply the provisions of the class environmental assessments as submitted and not yet approved to some of the projects within the proposed undertaking to gain experience so that the class environmental assessments may be readily applied to the undertaking after they are approved, and that the Ministry of Natural Resources will continue to advise the Environmental Assessment Section of the Ministry of the Environment of the progress being made from time to time in applying such provisions.

This exemption is subject to the following terms and conditions:

1. Where the carrying out of a project requires that some activity for which an environmental assessment has been done and an approval to proceed received, be conducted, that project shall be carried out in accordance with the environmental assessment and approval to proceed.
2. This exemption shall not apply with respect to a project after the earlier of December 31, 1981, and the granting of an approval to proceed with respect to a class environmental assessment which applies to the project.

This order comes into force and has effect on and after the date which it is signed. O. Reg. 431/81.

INCOME ACT, 1974

GUARANTEED INCOME LIMIT

1. Commencing with the month of July, 1981 the guaranteed income limit is,

- (a) in the case of a beneficiary who is described in any of subclauses 1 (d) (i), (iv) or (vi) of the Act, or who is described in subclause 1 (d) (iii) of the Act and is married to a spouse who is not entitled to receive a spouse's allowance authorized to be paid under Part II.1 of the *Old Age Security Act* (Canada) the amount of \$5,753.52;
- (b) in the case of a beneficiary who is described in either subclauses 1 (d) (ii) or (v) of the Act, the amount of \$5,423.52;
- (c) in the case of a beneficiary described in subclause 1 (d) (iii) of the Act and who is married to a spouse who is entitled to receive a spouse's allowance authorized to be paid under Part II.1 of the *Old Age Security Act* (Canada), the amount of \$5,160.72; and
- (d) in the case of a beneficiary described in subclause 1 (d) (vii) of the Act, the amount of \$10,847.04. O. Reg. 432/81, s. 1.

2. Ontario Regulation 345/81 is revoked. O. Reg. 432/81, s. 2.

O. Reg. 433/81.

Exemption—Ministry of Natural Resources—MNR-34.

Made—April 2nd, 1981.

Approved—April 2nd, 1981.

Filed—June 24th, 1981.

ORDER MADE UNDER
THE ENVIRONMENTAL ASSESSMENT
ACT, 1975EXEMPTION—MINISTRY OF NATURAL
RESOURCES—MNR-34

Having received a request from the Minister of Natural Resources that an undertaking, namely:

The activities of operation, maintenance and retirement associated with the Ringwood Fish Culture Station,

be exempt from the application of the Act, pursuant to Section 30; and

Having been advised that if the undertaking is subject to the application of the Act, the following damage or interference with the persons indicated will occur:

- A. The Crown will be interfered by having to prepare and submit an Environmental Assessment to the Ministry of the Environment for this component of the Ministry of Natural Resources' Fish Culture Program. Such an interference will prevent the Ministry from fulfilling its commitment to provide recreational angling opportunities for the people of Ontario.

Having weighed such injury, damage or interference with the betterment of the people of the whole or any part of Ontario by the protection, conservation and wise management in Ontario of the Environment which would result from the undertaking being subject to the application of the Act;

The undersigned is of the opinion that it is in the public interest to order and does order subject to the terms and conditions set out below, that the undertaking is exempt from the application of the Act for the following reasons:

- A. The development of Ringwood Fish Culture Station and associated property acquisition was initiated without obtaining approval under the Act in response to an emergency situation arising within the fish culture program and has now reached such an advanced stage that the benefits of requiring an Environmental Assessment are limited;
- B. The activities consisting of operation, maintenance, and retirement, which are described in material filed by the Ministry of Natural Resources in connection with request for this order, will not compromise future management options;
- C. Conditions 4, 5 and 6 protect against adverse effects of any water taking and discharging activities which are to be carried out at the Ringwood Fish Culture Station.

This exemption order is subject to the following terms and conditions:

- 1. Notice of all projects and any supporting documentation pertaining to this undertaking, including the material referred to in reason B, shall be made available to the public at the Ministry of Natural Resources District Office in Maple, Ontario, and a copy of such documentation sent to the Environmental Approvals Branch of the Ministry of the Environment to be kept with the records of Environmental Assessments and made available to the public in the same way as such records.

2. The Ministry of Natural Resources shall, before implementing any new activity which is not described in the material referred to in reason B, notify the Environmental Approvals Branch of the Ministry of the Environment to enable a determination to be made as to whether the new activity should remain part of the undertaking exempt under this order.
3. When the carrying out of the undertaking requires some activity for which an Environmental Assessment has been done and approval to proceed received or an exemption granted, be conducted, that activity is not exempt under this order which shall be carried in accordance with the Environmental Assessment and approval to proceed or the condition to exemption whichever is applicable.
4. In carrying out the undertaking, the Ministry of Natural Resources will comply with the *Ontario Water Resources Act* and Regulations as though they bound the Crown and in doing so it shall,
 - (a) apply for and obtain a permit under Section 37 of the *Ontario Water Resources Act* and not take or allow to remove from or to flow from any well or combination of wells on the property more than 50,000 L of water in any day except pursuant to such a permit;
 - (b) not construct any further facilities from which water may be discharged until it has obtained approval under Section 42 of the *Ontario Water Resources Act*.
5. If any water taking by MNR at the present time adversely affects any neighbouring wells, the water taking shall be stopped except when an adequate alternate supply of water is being supplied by MNR to any user of the neighbouring well.
6. For purposes of condition 5, the provision of a connection to a Municipal Waterworks capable of supplying water of equivalent quality and quantity shall be deemed to be an adequate alternative supply.

THE ENVIRONMENTAL ASSESSMENT ACT, 1975

O. Reg. 434/81.

Exemption—The City of Toronto and the City of Toronto Non-Profit Housing Corporation (Cityhome)—TOR-3.

Made—June 18th, 1981.

Approved—June 18th, 1981.

Filed—June 24th, 1981.

ORDER MADE UNDER THE ENVIRONMENTAL ASSESSMENT ACT, 1975

EXEMPTION—THE CITY OF TORONTO AND THE CITY OF TORONTO NON-PROFIT HOUSING CORPORATION (CITYHOME)—TOR-3

Having received a request from the Corporation of the City of Toronto and the City of Toronto Non-Profit Housing Corporation (Cityhome), that an undertaking namely:

The activity of purchasing land for the development of municipal non-profit rental housing, and constructing and operating such housing,

be exempt from the application of the Act pursuant to Section 30; and

Having been advised that if the undertaking is subject to the application of the Act, the following injury, damage or interference with the persons and property indicated will occur:

- A. Delay in the provision of new non-profit rental housing which would arise by the preparation of individual environmental assessments while the program environmental assessment referred to in condition 1 is being prepared would damage low income tenant households on Cityhome's waiting list.

Having weighed such injury, damage, or interference against the betterment of the people of the whole or any part of Ontario by the protection, conservation and wise management in Ontario of the environment which would result from the undertaking being subject to the application of the Act;

The undersigned is of the opinion that it is in the public interest to order and orders that the undertaking is exempt from the application of the Act for the following reasons:

- A. The approval process which governs Cityhome developments explicitly takes account of environmental concerns—both, those relating to existing or potential problems in developing sites so that they offer a

full satisfactory living environment, as well as those relating to the impact of the proposed development on the surroundings. This approval process involves several political and regulatory organizations at the municipal and provincial level and it extends opportunities for public participation at a number of stages. Individual project environmental assessments will duplicate much of the approval process already established;

- B. The development and approval process applied to the Cityhome projects makes it unnecessary to submit individual project assessments for every project.

This exemption is subject to the following terms and conditions:

1. The City of Toronto and the City of Toronto Non-Profit Housing Corporation (Cityhome) shall prepare and submit a program environmental assessment covering the construction and operation of all Cityhome projects.
2. This exemption order shall expire one year after it comes into force, unless at the time set for expiry an environmental assessment has been submitted pursuant to condition 1 and an approval or disapproval of the undertaking has not been issued in which case the exemption shall remain in effect until such approval or disapproval has been issued.
3. Where an approval to proceed has been obtained under the Act for an undertaking which includes all or part of a project included in the undertaking, such work or part thereof shall be carried out in accordance with the terms and conditions of the approval. O. Reg. 434/81.

REGULATION 811 OF
REVISED REGULATIONS OF ONTARIO, 1970
MADE UNDER
THE THEATRES ACT

1. Clauses 1 (a) and (b) of Regulation 811 of Revised Regulations of Ontario, 1970 are revoked.
2. Sections 3, 4 and 5, section 6, as amended by section 3 of Ontario Regulation 698/75, sections 7 to 45, section 46, as amended by section 4 of Ontario Regulation 698/75, section 47, as amended by section 5 of Ontario Regulation 698/75, section 47a, as made by section 6 of Ontario Regulation 698/75 and section 48 of the said Regulation are revoked and the following substituted therefor:

BUILDING PLANS AND REQUIREMENTS

3.—(1) The plans required to be submitted to the Director under section 52 of the Act shall be a copy of those plans, including any amendments thereto, submitted to and approved by the chief official of the municipality in which the theatre or film exchange is located or will be constructed.

(2) In this section, "chief official" means a chief official as defined in clause 1 (d) of the *Building Code Act, 1974*.

4.—(1) On and after the 1st day of July, 1981, every new building or premises intended for use as a theatre or to be occupied for the first time by a film exchange shall be so constructed as to comply with the requirements of the *Building Code Act, 1974* and the regulations made thereunder.

(2) Where it is intended to alter a theatre or film exchange for which a licence is issued on the 30th day of June, 1981 and the person making the alteration requires a building permit under the *Building Code Act, 1974* in order to alter the theatre or film exchange, as the case may be, the alteration to the theatre or film exchange shall be in compliance with the requirements of the *Building Code Act, 1974* and the regulations made thereunder.

(3) Where it is intended to alter a theatre or film exchange for which a licence is issued on the 30th day of June, 1981 and the person making the alteration does not require a building permit under the *Building Code Act, 1974* in order to alter the theatre or film exchange, as the case may be, the alteration to the

theatre or film exchange shall be in compliance with the requirements of this Regulation as they existed on the 30th day of June, 1981. O. Reg. 438/81, s. 2, *part*.

5. Every exit in a theatre shall be indicated by an illuminated sign with the word "exit" clearly displayed. O. Reg. 438/81, s. 2, *part*.

6. Every emergency exit door in a theatre shall be tested each day at the time of the opening of the theatre for the admission of the public. O. Reg. 438/81, s. 2, *part*.

7. At all times when the public has access to a theatre,

- (a) every door leading out of the theatre shall, if fastened, be fastened only by panic-bolt hardware of a type approved by the Director; and
- (b) corridors, stairways, passageways, rest rooms, foyers, aisles and lobbies in the theatre shall be kept lit. O. Reg. 438/81, s. 2, *part*.

8. Except in the boxes, all seats in any part of the auditorium of a theatre shall be securely attached to the floor. O. Reg. 438/81, s. 2, *part*.

9. Exterior lighting and lighting in passageways in a theatre shall be lit at all times after sunset until all patrons have left the theatre. O. Reg. 438/81, s. 2, *part*.

10. No fuel shall be stored in a furnace room in a theatre except fuel oil stored in storage tanks. O. Reg. 438/81, s. 2, *part*.

11. Every projection room in a theatre will have at least one projection room door that is left unfastened while a projectionist is in the room. O. Reg. 438/81, s. 2, *part*.

12. All entrance and exit driveways at a Class D theatre shall be lit at all times that the theatre is used by the public. O. Reg. 438/81, s. 2, *part*.

13. All fire extinguishing equipment located in a theatre under the requirements of this Regulation as they existed on the 30th day of June, 1981 or under the requirements of the *Building Code Act, 1974* and the regulations made thereunder shall be kept in good working condition. O. Reg. 438/81, s. 2, *part*.

PROJECTIONISTS

14.—(1) A projectionist shall have his licence in his possession at all times that he is on duty in a theatre and shall produce it when so required by an inspector.

(2) Every theatre shall, while it is exhibiting a film to the public, have a projectionist who is responsible for the operation of the projection equipment and who

shall remain on the theatre premises while the film is being exhibited. O. Reg. 438/81, s. 2, *part*.

15. No projectionist shall,

- (a) operate or permit the operation of any projection equipment that he knows to be defective; or
- (b) use defective or overloaded reels. O. Reg. 438/81, s. 2, *part*.

16. A projectionist shall, while on duty in a theatre,

- (a) take all steps necessary to ensure that the,
 - (i) projection equipment,
 - (ii) porthole shutters,
 - (iii) fire-fighting equipment, and
 - (iv) emergency lighting system,

are at all times in good repair and in good working condition;

- (b) inspect and keep in good repair all film in his charge. O. Reg. 438/81, s. 2, *part*.

17. No person holding an apprentice licence shall operate projection equipment in a theatre, except under the direct supervision of a projectionist holding a licence as a first class projectionist or a second class projectionist. O. Reg. 438/81, s. 2, *part*.

SIGNS AND NOTICES

18.—(1) Where film classified as adult entertainment is exhibited, the person exhibiting the film shall prominently display at the principal entrance to the theatre or other premises where the film is being exhibited a sign with the words "adult entertainment".

(2) Where a film that is classified on or after the 1st day of August, 1981 as "adult entertainment" is exhibited, in addition to the sign required by subsection (1), the person exhibiting the film shall prominently display at the principal entrance to the theatre or other premises where the film is being exhibited, a notice that persons under fourteen years of age must be accompanied by a person eighteen years of age or over.

(3) Where film classified as restricted entertainment is exhibited, the person exhibiting the film shall

prominently display at the principal entrance to the theatre or other premises where the film is being exhibited a sign bearing on both sides a black silhouette of a key on a white background above which is printed in black letters the word "admittance" and below which is printed in black letters the words "to persons eighteen years of age or over" with the word "restricted" printed in white letters on the key.

(4) Where the board requires that information be included in any advertising used in connection with the exhibition of a film, a notice shall be prominently displayed at the principal entrance to the theatre or part of the building where the film is being exhibited that sets out the information required. O. Reg. 438/81, s. 2, *part*.

ADMISSION RESTRICTIONS

19.—(1) No person shall exhibit a film classified as restricted entertainment where any person apparently under eighteen years of age is present.

(2) Where a film is classified on or after the 1st day of August, 1981 as adult entertainment, no person shall exhibit the film where a person apparently under fourteen years of age is present unless accompanied by a person eighteen years of age or over. O. Reg. 438/81, s. 2, *part*.

ADVERTISING

20.—(1) All advertising matter in connection with any film shall indicate the classification of the film and any other information respecting the film that is required by the Board.

(2) Advertising matter used in connection with a film that is classified as restricted entertainment shall bear a reproduction of the sign required under subsection 18 (3).

(3) Where a film is classified by the board on or after the 1st day of August, 1981 as adult entertainment, all advertising matter used in connection with the film shall indicate that persons under fourteen years of age shall be accompanied by a person eighteen years of age or over. O. Reg. 438/81, s. 2, *part*.

3. This Regulation comes into force on the 1st day of July, 1981. O. Reg. 438/81, s. 3.

THE MILK ACT

O. Reg. 442/81.

Milk—Transportation.

Made—June 25th, 1981.

Filed—June 26th, 1981.

REGULATION MADE UNDER THE
MILK ACT

MILK—TRANSPORTATION

INTERPRETATION

1. In this Regulation,

- (a) "marketing board" means The Ontario Milk Marketing Board;
- (b) "milk" means milk from cows;
- (c) "producer" means a producer of milk;
- (d) "transporter" means a person appointed by the marketing board as its agent for the transportation of milk, but does not include a person whose appointment as a transporter is terminated. O. Reg. 442/81, s. 1.

APPLICATION OF REGULATION

2. This Regulation provides for the control and regulation in any or all respects of the marketing within Ontario of milk, including the prohibition of such marketing in whole or in part. O. Reg. 442/81, s. 2.

TRANSPORTATION

3.—(1) Every transporter shall transport milk on the terms and conditions prescribed in this Regulation and in the order of the marketing board appointing him.

(2) No person other than a transporter shall transport milk. O. Reg. 442/81, s. 3.

4.—(1) Subject to subsection (2), a transporter shall transport the milk of the producers assigned to him by the marketing board in its order appointing him.

(2) Subject to subsection (3), the marketing board may assign two or more producers to or from a transporter only by notice in writing to the transporter not less than fifteen days before the assignment takes effect.

(3) Subject to subsection (4), the marketing board may assign an individual producer to or from a transporter without prior written notice.

(4) Where the marketing board assigns an individual producer to or from a transporter, the marketing

board shall confirm that assignment by notice in writing to the transporter within five days of the date of the assignment. O. Reg. 442/81, s. 4.

5. A transporter shall,

- (a) take delivery of the milk of the producers from time to time assigned to him by the marketing board,
 - (i) on the days prescribed by the marketing board, and
 - (ii) between 8 a.m. and 5 p.m. or at such other time in the day as a producer may permit; and
- (b) transport such milk to the plant or plants designated by the marketing board.

O. Reg. 442/81, s. 5.

6. The marketing board may from time to time direct a transporter to transport milk to a plant or plants other than the plant or plants designated in the order appointing him. O. Reg. 442/81, s. 6.

7.—(1) A transporter shall deliver milk to a plant on the days and at the time agreed upon by the transporter and the operator of the plant.

(2) Where a transporter and the operator of a plant fail to make an agreement under subsection (1), the transporter shall forthwith notify the marketing board. O. Reg. 442/81, s. 7.

8. Where,

- (a) a plant designated to receive milk from a transporter does not receive milk daily; and
- (b) the truck of the transporter arrives at the plant before the normal closing hour of the plant on the day preceding a day on which the plant does not receive milk,

the marketing board shall ensure that the milk is unloaded at the plant on such preceding day. O. Reg. 442/81, s. 8.

9. Where access to the premises of,

- (a) a producer assigned to a transporter; or
- (b) a plant designated to receive milk from a transporter,

is such that transportation of the milk is impracticable, the transporter shall forthwith notify the marketing board. O. Reg. 442/81, s. 9.

10. Where milk is delayed in transit for a period in excess of four hours, the transporter shall compensate the marketing board for any loss incurred thereby unless such delay resulted from a direction of the marketing board. O. Reg. 442/81, s. 10.

11.—(1) Subject to subsection (3), no transporter shall take delivery from a farm bulk tank of milk that he is required to reject under section 47 of Ontario Regulation 1127/80.

(2) Subject to subsection (3), where a transporter takes delivery of milk mentioned in subsection (1), he shall compensate the marketing board for any loss incurred thereby.

(3) Where,

- (a) a transporter refuses to take delivery of milk under subsection (1);
- (b) the producer of the milk notifies the marketing board; and
- (c) the marketing board directs the transporter to take delivery of the milk,

the transporter is not liable to compensate the marketing board under subsection (2). O. Reg. 442/81, s. 11.

12. Where the marketing board directs a transporter,

- (a) to take delivery of milk referred to in subsection 11 (1); or
- (b) to take delivery of milk of a producer who has not been assigned to him,

the marketing board shall pay the transporter for any extra distance travelled for that purpose at the rates prescribed in Schedule 2 of the order appointing the transporter. O. Reg. 442/81, s. 12.

13. Except as otherwise provided in this Regulation, where a transporter fails to take delivery of and transport the milk of a producer assigned to him,

- (a) the transporter shall compensate the marketing board for any extra costs incurred by it in transporting the milk of the producer; and
- (b) the marketing board may deduct such extra costs from the moneys payable by the marketing board to the transporter. O. Reg. 442/81, s. 13.

14.—(1) The marketing board shall pay any moneys payable to a transporter for milk transported in any month not later than the twentieth day of the next following month.

(2) Every payment made by the marketing board under subsection (1) shall be accompanied by an itemized statement showing the amounts payable to and deducted from the transporter. O. Reg. 442/81, s. 14.

15.—(1) At the time of taking delivery of milk from a producer on a route of a transporter, every operator of a tank-truck shall,

- (a) make and sign in quadruplicate a milk collection report in the form provided by the marketing board;
- (b) deliver the third copy of the milk collection report to the producer;
- (c) deliver the original and first copy of the milk collection report to the operator of the plant to which the milk is delivered; and
- (d) deliver the second copy of the milk collection report to the transporter.

(2) No operator of a tank-truck, in recording the volume of milk delivered to him by a producer, shall record on the milk collection report the volume of any milk that was not actually delivered to him by that producer. O. Reg. 442/81, s. 15.

16.—(1) Where a transporter is requested by the operator of a plant to which he delivered milk, or by the marketing board, as the case may be, to verify the volume of milk transported by him in a tank-truck, the transporter shall verify the volume of the milk.

(2) A transporter shall verify the volume of milk under subsection (1),

- (a) by weighing the tank-truck of milk on a platform-type weighing machine,
 - (i) inspected, verified and stamped under the *Weights and Measures Act* (Canada),
 - (ii) capable of weighing the gross weight, including all axles of the tank-truck, and
 - (iii) so located that the tare weight may be measured without moving the tank-truck; or
- (b) by weighing the milk in the tank-truck by means of a weighing machine,
 - (i) inspected, verified and stamped under the *Weights and Measures Act* (Canada), and
 - (ii) equipped with a tank having a capacity of not less than one-third of the capacity of the tank-truck and, where so weighed, the volume of the milk shall be calculated by converting the kilograms to litres on the basis that one litre of milk weighs 1.0297 kilograms at 4 degrees C; or

(c) by measuring the volume in litres of the milk in the tank-truck by means of a measuring machine equipped with a meter and a meter installation and inspected, verified and

stamped under the *Weights and Measures Act* (Canada).

(3) Where the volume of a tank-truck of milk is verified under subsection (2), the operator of the tank-truck shall sign the weigh-slip or meter-slip, as the case may be. O. Reg. 442/81, s. 16.

17.—(1) Where,

- (a) a transporter verifies the volume of milk in every tank-truck load of milk in respect of the route of the transporter under subsection 16 (1);
- (b) the total volume for the month is less than the total volume recorded on the milk collection reports therefor; and
- (c) the shortage in volume exceeds .35 per cent of the volume recorded,

the transporter shall pay the marketing board for that portion of the shortage that exceeds .35 per cent of the volume recorded at the price determined by the marketing board for Class 5 milk.

(2) Where,

- (a) a transporter verifies the volume of milk from time to time in any tank-truck of milk under subsection 16 (1);
- (b) the volume is less than the volume recorded on the milk collection report therefor; and
- (c) the shortage in volume exceeds .70 per cent of the volume recorded,

the transporter shall pay the marketing board for that portion of the shortage that exceeds .70 per cent of the volume recorded at the price determined by the marketing board for Class 5 milk.

(3) No payment shall be made under subsection (2) in respect of a tank-truck of milk included in a payment under subsection (1). O. Reg. 442/81, s. 17.

18. Where a transporter is requested by the operator of a plant to which he delivers milk, or by the marketing board, as the case may be, to verify the volume of a tank-truck of milk for any purpose other than to establish a payment under section 17, the transporter shall verify the volume by weighing the tank-truck of milk on a weighing machine inspected, verified and stamped under the *Weights and Measures Act* (Canada) and converting the kilograms to litres on the basis that one litre of milk weighs 1.0297 kilograms at 4 degrees C. O. Reg. 442/81, s. 18.

19. Where a transporter verifies the volume of milk under section 16 or section 18, the operator of the plant or the marketing board, as the case may be, shall pay,

(a) any weighing charges; and

(b) where extra distance is required in transporting the milk for the purpose of weighing, any charges therefor in respect of each tank-truck if the extra distance for the tank-truck exceeds 32 kilometres in any month, calculated in accordance with the rates contained in Schedule 2 of the order of the marketing board appointing the transporter as its agent. O. Reg. 442/81, s. 19.

20.—(1) Where it occurs regularly that,

- (a) the total volume of milk of producers on a route of a transporter is less than the total volume recorded on the milk collection report for such producers; and
- (b) the shortage in volume exceeds .35 per cent of the volume recorded,

the marketing board on a request in writing by the transporter shall ensure that the calibration of the farm bulk tank of every producer on the route complies with the provisions of Ontario Regulation 1127/80.

(2) Where a request is made by a transporter under subsection (1), he shall not be required to make any payment to the marketing board under subsection 17 (1) if the calibration of the farm bulk tanks fails to comply with the provisions of Ontario Regulation 1127/80. O. Reg. 442/81, s. 20.

21. Where on verifying the volume under subsection 16 (2) of two consecutive tank-trucks of milk transported by a transporter, the volumes,

- (a) exceed the volumes recorded on the milk collection reports in respect thereof; or
- (b) are less than the volumes recorded on the milk collection reports in respect thereof and the shortages in volume exceed .35 per cent of the volumes recorded,

the transporter shall forthwith furnish the marketing board with particulars in writing of the shortages. O. Reg. 442/81, s. 21.

22.—(1) Where the farm bulk tank of a producer assigned to a transporter is moved, the transporter shall forthwith notify the marketing board.

(2) On receipt of a notice under subsection (1), the marketing board shall forthwith ensure that the calibration of the farm bulk tank complies with the provisions of Ontario Regulation 1127/80. O. Reg. 442/81, s. 22.

23.—(1) Where milk of a producer is spilled during the course of delivery or transportation, the transporter shall,

(a) where all the milk of the producer is spilled, furnish in writing to the operator of the plant to which the producer is assigned by the marketing board particulars of the amount of milk made available or delivered, as the case may be, to the transporter by the producer;

(b) where part of the milk of the producer is spilled, furnish in writing to the operator of the plant to which the remainder of the milk of the producer is delivered, particulars of the amount of milk made available or delivered, as the case may be, to the transporter by the producer; and

(c) notify the operator of the plant referred to in clause (a) or (b), as the case may be, that all or part of the milk of the producer was spilled.

(2) The transporter shall pay the marketing board for the amount of milk spilled at the price determined by the marketing board for Class 5 milk. O. Reg. 442/81, s. 23.

24. Where a transporter has knowledge of an impending strike by his employees, he shall forthwith notify the marketing board. O. Reg. 442/81, s. 24.

25. Where the observance, performance or carrying out of any provision of this Regulation is prevented in whole or in part by an act of God, adverse weather, fire, strike, lock-out, invasion or order of a civil or military authority, a failure by the marketing board or a transporter, as the case may be, to observe, perform or carry out the provision by reason of such prevention shall not be deemed to be a contravention of this Regulation. O. Reg. 442/81, s. 25.

26. A transporter shall notify the marketing board in writing by prepaid registered mail of any change in his address and such notice shall be deemed to have been received by the marketing board on the second day that is not a holiday after the date of mailing. O. Reg. 442/81, s. 26.

27. Every transporter shall,

(a) effect, maintain and pay for insurance on milk transported by him in accordance with the *Public Commercial Vehicles Act* and the regulations thereunder; and

(b) if requested by the marketing board, furnish the marketing board with a certified copy of the insurance policy. O. Reg. 442/81, s. 27.

28. Ontario Regulation 193/78 is revoked.

O. Reg. 442/81, s. 28.

Order-in Council

O.C. 1835/81

On the recommendation of the undersigned, the Lieutenant Governor, by and with the advice and concurrence of the Executive Council, orders that:

WHEREAS in and by chapter 23 of the Statutes of Ontario, 1978, entitled "*The Public Vehicles Amendment Act, 1978*", as amended by the Statutes of Ontario, 1980, chapter 46, section 17, it is enacted that the Lieutenant Governor in Council may by order from time to time issue policy statements setting out matters to be considered by the Ontario Highway Transport Board when determining questions of public necessity and convenience and the Ontario Highway Transport Board shall take such matters into consideration together with such other matters as the Ontario Highway Transport Board considers appropriate where the hearing or review is commenced after the policy statement is gazetted;

The Honourable the Minister of Transportation and Communications therefore recommends that the following be taken into consideration by the Ontario Highway Transport Board when determining questions of public necessity and convenience in relation to charter trips:

Evidence that public necessity and convenience warrant the issue of a licence to operate a public vehicle on charter trips for which one fare or charge only is paid for the chartering of the bus constitutes such evidence with respect to charter trips for which a fare is paid by each passenger, which fare includes a charge for accommodation, meals or tickets of admission, unless there is substantial evidence to the contrary.

Recommended JAMES SNOW,
Minister of Transportation
and Communications.

Concurred GEORGE R. MCCAGUE,
Chairman.

Approved and Ordered, June 26, 1981.

(7742) 29 JOHN B. AIRD,
Lieutenant Governor.

The Land Transfer Tax Act, 1974

GRANT OF EXEMPTION OR REMISSION

The following conditional exemptions and remissions were granted on the dates indicated pursuant to authority conferred by Ontario Regulation 250/76 under this Act, by which the Minister of Revenue is authorized to exempt from or remit that part of the tax payable under subsection 2 of section 2 of the *Land Transfer Tax Act, 1974*, that exceeds the amount of tax that would result if the rates under subsection 1 of the said section 2 were applied any person tendering for registration a conveyance, where security has been furnished to the Minister for the performance of certain undertakings given by the non-resident person.

Section 1 (1) (c)

Undertaking:

Applications to Parliament — Private Bills

PUBLIC NOTICE

LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Standing Orders governing the submission of such Bills:

NOTE: The previous Standing Orders of the Legislative Assembly have been repealed and the following put into effect by Order of the House passed on Thursday, December 14th, 1978, and on Tuesday, May 13th, 1980.

Attention is drawn to the more important changes:—

- No time limit.
- No penalties for late filing.
- Required notice of advertising reduced to four weeks from six weeks.

PRIVATE BILLS

Filing Bill with Clerk

65. (a) Any person, group or corporation may apply for a Private Bill by filing with the Clerk of the House a copy of the Bill together with a fee of \$150.00.

Applicant to pay cost of printing

(b) Every applicant for a Private Bill shall pay the cost of printing the Bill, including the cost of printing the Act in the annual Statutes.

Other charges

(c) Where a Standing Order is suspended with reference to a Bill, a charge of \$50.00 shall be levied.

Additional fees

(d) Where a Bill incorporates a company, or increases the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable in the case of an incorporation or increase of capital under The Business Corporations Act, less the sum of \$150.00 already paid to the Clerk of the House.

(e) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:—

On amounts less than \$10,000.....	\$ 25
On amounts over \$10,000 and up to \$25,000	50
On amounts over \$25,000 and up to \$40,000	75
On amounts over \$40,000 and up to \$75,000	100
On amounts over \$75,000 and up to \$125,000	125
On amounts over \$125,000 and up to \$175,000	150
On amounts over \$175,000 and up to \$250,000	200
On amounts over \$250,000 and up to \$350,000	250
and an additional fee of \$50 for every \$100,000 over \$350,000.	

Publication of Standing Orders re Private Bills

(f) The Clerk of the House shall publish weekly in *The Ontario Gazette* the Standing Orders respecting applications for Private Bills.

Required notice of applications

(g) Notice of an application for a Private Bill shall be given before it is referred to a Standing Committee by publishing it once a week for at least four weeks in each of *The Ontario Gazette* and one newspaper circulated in the municipality most affected and the notice shall,

- (i) be signed by or on behalf of the applicant;
- (ii) clearly state the nature and object of the application;
- (iii) when the application refers to any proposed work, indicate generally the location of the work; and

Bills for debenture issues

- (iv) where the application is by a municipal corporation for authority to issue debentures, set out the particulars of the existing debenture debt and the amount of the rateable property of the municipality according to the last revised assessment roll of the corporation and in brief and general terms, the object for which the new issue of debentures is required.

Clerk reports to Standing Procedural Affairs Committee

66. (a) The Clerk of the House shall refer to the Standing Procedural Affairs Committee any application that, in his opinion, does not comply with the Standing Orders.

Declaration re advertising

(b) The applicants for a Private Bill shall lodge with the Clerk of the House a declaration proving publication of the notice.

Letters Patent

67. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Charter or Agreement, shall be attached to it.

Certificate of Minister of Revenue re Letters Patent

68. No Bill relating to the status of a corporation shall be considered by any Committee until there

has been deposited with the Clerk of the House a certificate of the Minister of Revenue showing that all taxes payable under The Corporations Tax Act in respect of the corporation have been paid.

Reference to Standing Committee after first reading. Exceptions

69. Every Private Bill when read a first time, shall, unless it is an Estate Bill, or a Bill providing for a consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a municipal corporation, stand referred to the appropriate Standing Committee, and any Petitions to the House for or against the Bill stand referred to any such Committee.

Certain Municipal Applications referred to Ontario Municipal Board

70. (a) A Private Bill of a municipal corporation providing for the consolidation of a floating debt, or the consolidation or renewal of debentures (other than local improvement debentures) stand referred to the Ontario Municipal Board after first reading.

Board to report

(b) The Board, after due enquiry, shall report to the House whether or not it is reasonable that the Bill, or that part thereof relating to the matters referred to in clause (a), should pass and what, if any, alterations should be made in the Bill.

Report to Clerk

(c) A report shall be transmitted to the Clerk of the House.

Bill and report to Standing Committee

(d) The Bill and report shall stand referred to the appropriate Standing Committee.

Estate Bills referral

71. (a) Every Estate Bill or part of a Bill that contains an Estate Bill provision stands referred to the Commissioners of Estate Bills after first reading.

Report of Commissioners

(b) The Commissioners of Estate Bills, or any two of them, shall report their opinion on the Bill or the part thereof that has been submitted to them, and whether, presuming the allegations contained in the Preamble to be proven to the satisfaction of the House, it is reasonable for the Bill or the part thereof to pass and what, if any, alterations are necessary.

Report sent to Clerk

(c) A report of the Commissioners of Estate Bills shall be transmitted to the Clerk of the House.

Effect of adverse report

(d) Where the Commissioners of Estate Bills report that, in their opinion, it is not reasonable that the Bill or the part thereof submitted to them pass into law, the Bill or the part thereof shall not be further considered.

Bill and report to Committee

(e) Where the Bill or the part thereof submitted to the Commissioners of Estate Bills is reported favourably by the Commissioners, the Bill and the report shall stand referred to the appropriate Standing Committee and where only part of a Bill is submitted to the Commissioners and the Commissioners report that, in their opinion, it is not reasonable that the part pass into law, the Bill, except for the part to which the report applies, shall stand referred to the appropriate Committee.

Notice re Hearing by Standing Committee

72. (a) The Clerk of the House shall post on all notice boards five days notice of the date on which any Private Bill is to be considered by a Committee and the notice shall be published in the Notice Paper.

Notice of Next Day Meetings on Private Bills

(b) The Clerk shall also publish in the Notice Paper a notice of any meeting of a Committee to consider Private Bills to be held on the following day.

Consent of interested persons

73. Any person whose interest or property may be affected by a Private Bill, when required, shall appear before the Committee considering the Bill to express his consent or objection, or may consent in writing, proof of which may be demanded by the Committee.

On Order Paper after report

74. Private Bills when reported by Standing Committees shall be placed on the Order Paper for second reading.

Bills initialled and signed by Chairman

75. (a) The Chairman of a Committee considering a Private Bill shall initial each section of the Bill as it is passed and sign the Bill.

Amendments

(b) Amendments shall be clearly indicated in the signed copy, and the amendments or additions shall be initialled by the Chairman.

Reprinting amended Bills

76. Private Bills amended by a Committee or the Commissioners may be reprinted before further consideration as the Clerk of the House may direct and the applicant shall pay the cost of printing the Bill.

Referral after second reading

77. Private Bills, after second reading, shall be ordered for third reading, unless specially ordered referred to the Committee of the Whole House.

Notice required to dispense with Standing Orders

78. Except by unanimous consent of the House given in case of urgent and pressing necessity, no

motion may be made to dispense with any Standing Order relating to Private Bills without due notice thereof.

Private Bill Register

79. A Private Bill Register shall be kept in the office of the Clerk of the House, in which shall be entered, by the Clerk appointed for that purpose, the name, description, and place of residence of the parties applying for the Bill, or of their agent, and all the proceedings thereon, such register to be open to public inspection daily, during office hours.

Parliamentary Agents

80. (a) Every Parliamentary Agent conducting proceedings before the House is personally responsi-

ble to the House and to the Speaker for the observance of the Standing Orders and Practices of Parliament, and also for the payment of all fees and charges.

Misconduct of Agent

(b) Any agent who wilfully acts in violation of the Standing Orders and Practices of Parliament, or who wilfully misconducts himself in prosecuting any proceedings before the House, is liable to an absolute or temporary prohibition to practise as a Parliamentary Agent, at the pleasure of the Speaker.

EXPLANATORY NOTE

Burford Lions Club, 1981

The purpose of the Bill is to revive Burford Lions Club.

BILL Pr15 1981
An Act to revive Burford Lions Club

Preamble

WHEREAS R. John Ney and Allan Piggott hereby represent that Burford Lions Club, herein called the Corporation, was incorporated by letters patent dated the 9th day of September, 1948; that the Minister of Consumer and Commercial Relations by order dated the 5th day of January, 1977, and made under the authority of subsection 9 of section 347 of *The Corporations Act*, being chapter 89 of the Revised Statutes of Ontario, 1970, cancelled the letters patent of the Corporation for default in filing annual returns and declared the Corporation to be dissolved on the 9th day of February, 1977; that, although the notice of default in filing annual returns was sent to each of the applicants as directors, through inadvertence, no action was taken to revive the Corporation until more than two years after the date of the said notice; that the said R. John Ney and Allan Piggott are, respectively, the secretary and the president of the Burford Lions Club; that the Corporation, at the time of its dissolution, was carrying on the activities of a service club and those activities have continued to be carried on in the name of the Corporation since the time of its dissolution; and whereas the applicants hereby apply for special legislation reviving the Corporation; and whereas it is expedient to grant the application;

Therefore, Her Majesty, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:

Burford
Lions Club
revived

1. Burford Lions Club is hereby revived and is, subject to any rights acquired by any person after its dissolution, hereby restored to its legal position as a corporation incorporated by letters patent, including all its property, rights, privileges and franchises and subject to all its liabilities, contracts, disabilities and debts as at the date of its dissolution in the same manner and to the same extent as if it had not been dissolved.

Commence-
ment 2. This Act comes into force on the day it receives Royal Assent.

Short title 3. The short title of this Act is the *Burford Lions Club Act, 1981*.

POLICY STATEMENT

Item:

Complementary authorities.

Objective:

To streamline existing procedures.

Background:

The standard policy in Canadian jurisdictions is that a carrier wishing to provide an extra-provincial service is expected first to obtain authority from its home jurisdiction where the home jurisdiction is involved in the transportation service, before applying for complementary authority in the other jurisdictions involved.

Certificates of public necessity and convenience for extra-provincial operating licences have in the past contained a provision similar to the following:

"PROVIDED that this authority expires on the _____ day of _____, 19____, unless prior to that date complementary authority as issued by the Manitoba Highway Transport Board is filed with The Ontario Highway Transport Board".

More recently such certificates have contained a provision similar to the following:

"PROVIDED that any extra-provincial operating licence issued pursuant to this certificate shall expire on the _____ day of _____, 19____, unless prior to that date complementary authorities as issued by the Provinces of Manitoba and Saskatchewan are filed with The Ontario Highway Transport Board".

In both examples the licensee is required to obtain and file with the Board the requisite complementary authorities within a restricted time period.

If the necessary authorities are filed, the Board will amend its certificate by substituting a provision similar to the following:

PROVIDED this authority be operated only in conjunction with the complementary authority as issued by the Interstate Commerce Commission of the United States of America, No. _____ dated _____ and filed with The Ontario Highway Transport Board.

Present practice is that the Board reviews the file three months prior to the expiration of the time allotted and if one or more authorities are not filed the licensee will be advised that unless it files them immediately or submits an application to extend the time for filing them, the Board will revoke its certificate or the portion of the certificate that relates to the missing complementary authority.

If an extension of time application is submitted it is advertised in the usual manner and applicants are asked to explain why the complementary authority was not obtained. Unless the carrier provides a reasonable explanation the Board will direct that the matter be set down for a public hearing.

Policy:

In all certificates of public necessity and convenience issued for extra-provincial authority provisions similar to the following will appear:

Complementary authorities as issued by the Boards and/or Commissions of the Provinces of

Manitoba, Saskatchewan and Alberta must be filed with the Ontario Highway Transport Board by the _____ day of _____, 19____.

Any extra-provincial operating licence issued pursuant to this certificate shall expire on the _____ day of _____, 19____ with respect to those jurisdictions for which complementary authority has not been filed.

Under these provisions extra-provincial operating licences or appropriate portions thereof will expire unless necessary complementary authorities or an application for an extension of time is filed with the Board prior to the specified termination date. The time limit *cannot* be extended by application to the Board after the licence has terminated. Where some but not all of the complementary authorities are filed with the Board, only that portion of the operating licence for which no complementary authority has been filed will expire.

Complementary authorities should be filed three months in advance of the expiration date. If complementary authorities cannot be filed before the expiration date an extension of one year may be obtained upon application to the Board. A longer period may be granted if reasonable under the circumstances. Applications for extensions of time should be filed at least one month prior to the expiration date.

The Board must be satisfied that justification exists for the additional period and may require that the application be considered at a public hearing.

Certificates will normally provide for a minimum filing period of 3 years.

Applications to Parliament — Private Bills

PUBLIC NOTICE

LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Standing Orders governing the submission of such Bills:

NOTE: The previous Standing Orders of the Legislative Assembly have been repealed and the following put into effect by Order of the House passed on Thursday, December 14th, 1978, and on Tuesday, May 13th, 1980.

Attention is drawn to the more important changes:—

- No time limit.
- No penalties for late filing.
- Required notice of advertising reduced to four weeks from six weeks.

PRIVATE BILLS

Filing Bill with Clerk

65. (a) Any person, group or corporation may apply for a Private Bill by filing with the Clerk of the House a copy of the Bill together with a fee of \$150.00.

Applicant to pay cost of printing

(b) Every applicant for a Private Bill shall pay the cost of printing the Bill, including the cost of printing the Act in the annual Statutes.

Other charges

(c) Where a Standing Order is suspended with reference to a Bill, a charge of \$50.00 shall be levied.

Additional fees

(d) Where a Bill incorporates a company, or increases the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable in the case of an incorporation or increase of capital under The Business Corporations Act, less the sum of \$150.00 already paid to the Clerk of the House.

(e) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:—

On amounts less than \$10,000.....	\$ 25
On amounts over \$10,000 and up to \$25,000	50
On amounts over \$25,000 and up to \$40,000	75
On amounts over \$40,000 and up to \$75,000	100
On amounts over \$75,000 and up to \$125,000	125
On amounts over \$125,000 and up to \$175,000	150
On amounts over \$175,000 and up to \$250,000	200
On amounts over \$250,000 and up to \$350,000	250
and an additional fee of \$50 for every \$100,000 over \$350,000.	

Publication of Standing Orders re Private Bills

(f) The Clerk of the House shall publish weekly in *The Ontario Gazette* the Standing Orders respecting applications for Private Bills.

Required notice of applications

(g) Notice of an application for a Private Bill shall be given before it is referred to a Standing Committee by publishing it once a week for at least four weeks in each of *The Ontario Gazette* and one newspaper circulated in the municipality most affected and the notice shall,

- (i) be signed by or on behalf of the applicant;
- (ii) clearly state the nature and object of the application;
- (iii) when the application refers to any proposed work, indicate generally the location of the work; and

Bills for debenture issues

- (iv) where the application is by a municipal corporation for authority to issue debentures, set out the particulars of the existing debenture debt and the amount of the rateable property of the municipality according to the last revised assessment roll of the corporation and in brief and general terms, the object for which the new issue of debentures is required.

THE ENVIRONMENTAL ASSESSMENT ACT, 1975

O. Reg. 465/81.

Exemption—Ministry of Transportation
and Communications—MTC-42.

Made—June 18th, 1981.

Filed—July 10th, 1981.

ORDER MADE UNDER THE ENVIRONMENTAL ASSESSMENT ACT, 1975

EXEMPTION—MINISTRY OF TRANSPORTA- TION AND COMMUNICATIONS

Having received a request from the Minister of Transportation and Communications that an undertaking namely:

The activity of carrying out planning, design, construction and utilization of the Highway 652 Extension, (Detour Lake Access Road and associated campsites, gravel extraction areas and other activities from 17.7 kilometres east of Cochrane, northerly for approximately 158 kilometres,

be exempted from the application of the Act pursuant to Section 30; and

Having been advised that if the undertaking is subject to the application of the Act, the following damage or interference with the persons indicated will occur:

- A. The public will be interfered with by the resulting delays in construction or postponement of this project which is viewed as being of significant benefit to the people and economy of Ontario;
- B. The Amoco Canada Petroleum—Dome Mines—Campbell Red Lake Mines consortium, being a mineral extraction joint venture to carry out the development of the Detour Lake resource, will be interfered with and damaged by delays caused by the application of the Act to the undertaking;
- C. The Crown will be damaged by an increase in the costs of, and interfered with by the delay in the completion of, a project which Cabinet has indicated it wishes to proceed with in an expeditious manner in order to meet a commitment to the mine development consortium that the road will be completed early in 1983 to facilitate the opening of the mine.

Having weighed such damage or interference against the betterment of the people of the whole or any part of Ontario by the protection, conservation

and wise management in Ontario of the environment, which would result from the undertaking being subject to the application of the Act;

The undersigned is of the opinion that it is in the public interest to order and orders, subject to the terms and conditions set out below, that the undertaking is exempt from the application of the Act for the following reasons:

- A. The Government of Ontario has made a commitment to provide access to Detour Lake to facilitate the opening of the mine in early 1983;
- B. An environmental assessment examining a range of options and their potential impacts was carried out by the proponent which included consultation with government agencies and the public;
- C. The concerns of government reviewing agencies have been addressed and these agencies are willing to accept the recommended alignment, subject to the conditions outlined below;
- D. The construction of the access road must be commenced immediately in order to ensure that the total of approximately 158 km. of road will be open on schedule to serve the Detour Lake mine by early 1983;
- E. The completion of this undertaking as committed will provide significant economic benefits to the people of Ontario in general and in particular to the economy of North-eastern Ontario. This and future economic benefits accruing from potential development of this region of Ontario may be lost if the road is not provided by 1983.

Conditions:

1. MTC shall hold a public information drop-in meeting in Cochrane as soon as possible after the approval of this exemption and before initiation of construction to inform the local public of the project.
2. MTC shall maintain ongoing contact with concerned ministries and agencies to ensure their input to the construction of the road and the choice of appropriate mitigation measures.
3. MTC shall submit for the public record to MOE, MNR, MCR and the Royal Commission of the Northern Environment a monitoring report after each construction season, outlining the degree of success of the mitigation measures with respect to sensitive areas as identified before and/or during construction. In the case of necessary changes in the construction methods or mitigation meas-

ures, MTC shall inform the relevant ministries prior to the following construction season as to what the new activities will be.

4. MTC shall adhere to its "Highway Construction Practices and Potential Environmental concerns manual 1978" in implementing this undertaking.
5. MTC shall follow the proposed actions as outlined in Section VII of the revised environmental assessment document (pages VII-1 to VII-8) and in particular the following:
 - i. Construction of three access points (MNR standards)
 - (a) Little Abitibi River
 - (b) Floodwood River
 - (c) Kattawagami River

The above will be based on designs to be prepared by MNR.
 - ii. Retain a heritage resource consultant to survey possible aggregate sources and the right-of-way. MTC shall seek the advice of MCR in the selection of a heritage resource consultant.
 - iii. Contacting the MCR Regional Archaeologist regarding the granular pits to be used.
 - iv. Controlling public access in the construction contract areas.
 - v. Maintain contact with MNR Cochrane District who will assist in the field review and selection of gravel pits and stream crossings during the construction regarding mitigation measures instituted and monitor their effectiveness.
 - vi. Instituting staged erosion control methods at stream crossings and other erosion susceptible areas.
6. MTC and contractors shall keep all petroleum products at least 60 m away from any surface waters such as lakes, streams, ponds, etc., where possible. A contingency plan for potential spills shall be submitted to MOE district office in Timmins within two weeks after approval has been granted. Such a plan shall include the availability of equipment at site and immediate notification of MOE office in Timmins in event of a spill.

Applications to Parliament — Private Bills

PUBLIC NOTICE

LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Standing Orders governing the submission of such Bills:

NOTE: The previous Standing Orders of the Legislative Assembly have been repealed and the following put into effect by Order of the House passed on Thursday, December 14th, 1978, and on Tuesday, May 13th, 1980.

Attention is drawn to the more important changes:—

- No time limit.
- No penalties for late filing.
- Required notice of advertising reduced to four weeks from six weeks.

PRIVATE BILLS

Filing Bill with Clerk

65. (a) Any person, group or corporation may apply for a Private Bill by filing with the Clerk of the House a copy of the Bill together with a fee of \$150.00.

Applicant to pay cost of printing

(b) Every applicant for a Private Bill shall pay the cost of printing the Bill, including the cost of printing the Act in the annual Statutes.

Other charges

(c) Where a Standing Order is suspended with reference to a Bill, a charge of \$50.00 shall be levied.

Additional fees

(d) Where a Bill incorporates a company, or increases the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable in the case of an incorporation or increase of capital under The Business Corporations Act, less the sum of \$150.00 already paid to the Clerk of the House.

(e) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:—

On amounts less than \$10,000.....	\$ 25
On amounts over \$10,000 and up to \$25,000	50
On amounts over \$25,000 and up to \$40,000	75
On amounts over \$40,000 and up to \$75,000	100
On amounts over \$75,000 and up to \$125,000	125
On amounts over \$125,000 and up to \$175,000	150
On amounts over \$175,000 and up to \$250,000	200
On amounts over \$250,000 and up to \$350,000	250
and an additional fee of \$50 for every \$100,000 over \$350,000.	

Publication of Standing Orders re Private Bills

(f) The Clerk of the House shall publish weekly in *The Ontario Gazette* the Standing Orders respecting applications for Private Bills.

Required notice of applications

(g) Notice of an application for a Private Bill shall be given before it is referred to a Standing Committee by publishing it once a week for at least four weeks in each of *The Ontario Gazette* and one newspaper circulated in the municipality most affected and the notice shall,

- (i) be signed by or on behalf of the applicant;
- (ii) clearly state the nature and object of the application;
- (iii) when the application refers to any proposed work, indicate generally the location of the work; and

Bills for debenture issues

- (iv) where the application is by a municipal corporation for authority to issue debentures, set out the particulars of the existing debenture debt and the amount of the rateable property of the municipality according to the last revised assessment roll of the corporation and in brief and general terms, the object for which the new issue of debentures is required.

Clerk reports to Standing Procedural Affairs Committee

66. (a) The Clerk of the House shall refer to the Standing Procedural Affairs Committee any application that, in his opinion, does not comply with the Standing Orders.

Declaration re advertising

(b) The applicants for a Private Bill shall lodge with the Clerk of the House a declaration proving publication of the notice.

Letters Patent

67. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Charter or Agreement, shall be attached to it.

Certificate of Minister of Revenue re Letters Patent

68. No Bill relating to the status of a corporation shall be considered by any Committee until there

has been deposited with the Clerk of the House a certificate of the Minister of Revenue showing that all taxes payable under The Corporations Tax Act in respect of the corporation have been paid.

Reference to Standing Committee after first reading. Exceptions

69. Every Private Bill when read a first time, shall, unless it is an Estate Bill, or a Bill providing for a consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a municipal corporation, stand referred to the appropriate Standing Committee, and any Petitions to the House for or against the Bill stand referred to any such Committee.

Certain Municipal Applications referred to Ontario Municipal Board

70. (a) A Private Bill of a municipal corporation providing for the consolidation of a floating debt, or the consolidation or renewal of debentures (other than local improvement debentures) stand referred to the Ontario Municipal Board after first reading.

Board to report

(b) The Board, after due enquiry, shall report to the House whether or not it is reasonable that the Bill, or that part thereof relating to the matters referred to in clause (a), should pass and what, if any, alterations should be made in the Bill.

Report to Clerk

(c) A report shall be transmitted to the Clerk of the House.

Bill and report to Standing Committee

(d) The Bill and report shall stand referred to the appropriate Standing Committee.

Estate Bills referral

71. (a) Every Estate Bill or part of a Bill that contains an Estate Bill provision stands referred to the Commissioners of Estate Bills after first reading.

Report of Commissioners

(b) The Commissioners of Estate Bills, or any two of them, shall report their opinion on the Bill or the part thereof that has been submitted to them, and whether, presuming the allegations contained in the Preamble to be proven to the satisfaction of the House, it is reasonable for the Bill or the part thereof to pass and what, if any, alterations are necessary.

Report sent to Clerk

(c) A report of the Commissioners of Estate Bills shall be transmitted to the Clerk of the House.

Effect of adverse report

(d) Where the Commissioners of Estate Bills report that, in their opinion, it is not reasonable that the Bill or the part thereof submitted to them pass into law, the Bill or the part thereof shall not be further considered.

Bill and report to Committee

(e) Where the Bill or the part thereof submitted to the Commissioners of Estate Bills is reported favourably by the Commissioners, the Bill and the report shall stand referred to the appropriate Standing Committee and where only part of a Bill is submitted to the Commissioners and the Commissioners report that, in their opinion, it is not reasonable that the part pass into law, the Bill, except for the part to which the report applies, shall stand referred to the appropriate Committee.

Notice re Hearing by Standing Committee

72. (a) The Clerk of the House shall post on all notice boards five days notice of the date on which any Private Bill is to be considered by a Committee and the notice shall be published in the Notice Paper.

Notice of Next Day Meetings on Private Bills

(b) The Clerk shall also publish in the Notice Paper a notice of any meeting of a Committee to consider Private Bills to be held on the following day.

Consent of interested persons

73. Any person whose interest or property may be affected by a Private Bill, when required, shall appear before the Committee considering the Bill to express his consent or objection, or may consent in writing, proof of which may be demanded by the Committee.

On Order Paper after report

74. Private Bills when reported by Standing Committees shall be placed on the Order Paper for second reading.

Bills initialled and signed by Chairman

75. (a) The Chairman of a Committee considering a Private Bill shall initial each section of the Bill as it is passed and sign the Bill.

Amendments

(b) Amendments shall be clearly indicated in the signed copy, and the amendments or additions shall be initialled by the Chairman.

Reprinting amended Bills

76. Private Bills amended by a Committee or the Commissioners may be reprinted before further consideration as the Clerk of the House may direct and the applicant shall pay the cost of printing the Bill.

Referral after second reading

77. Private Bills, after second reading, shall be ordered for third reading, unless specially ordered referred to the Committee of the Whole House.

Notice required to dispense with Standing Orders

78. Except by unanimous consent of the House given in case of urgent and pressing necessity, no

motion may be made to dispense with any Standing Order relating to Private Bills without due notice thereof.

Private Bill Register

79. A Private Bill Register shall be kept in the office of the Clerk of the House, in which shall be entered, by the Clerk appointed for that purpose, the name, description, and place of residence of the parties applying for the Bill, or of their agent, and all the proceedings thereon, such register to be open to public inspection daily, during office hours.

Parliamentary Agents

80. (a) Every Parliamentary Agent conducting proceedings before the House is personally responsi-

ble to the House and to the Speaker for the observance of the Standing Orders and Practices of Parliament, and also for the payment of all fees and charges.

Misconduct of Agent

(b) Any agent who wilfully acts in violation of the Standing Orders and Practices of Parliament, or who wilfully misconducts himself in prosecuting any proceedings before the House, is liable to an absolute or temporary prohibition to practise as a Parliamentary Agent, at the pleasure of the Speaker.

RODERICK LEWIS, Q.C.,

Clerk of the Legislative Assembly of Ontario.

Treasurers' Sales of Lands for Taxes

Each year, municipal and county treasurers compile a list of properties against which taxes are outstanding for at least two successive years, which is a period sufficient to permit sale of the owner's assets to reimburse the municipality. These lists are submitted by the municipal representative to the Ministry of Government Services for publication in THE ONTARIO GAZETTE.

The Gazette is published every Saturday. Tax sale lands are included only in the issue of the first Saturday of each month. Each property is described so that it may be properly identified. Also shown are the amount of tax arrears and costs, and the date, time and place where the sale will be held, which is usually in a public building in the locality. Sales are held three months or later following the date of publication in the Gazette and are subject to a reserve bid equal to the amount of tax arrears and costs.

The previous owner may by law redeem the property any time within one year and one day after the date of tax sale by paying to the municipality all arrears plus costs levied. Where redemption occurs, the municipality reimburses the purchaser of tax sale lands for the amount paid at the sale plus an additional amount to be determined in each case.

If the land is not redeemed in the manner described above, the purchaser at sale, receives from the municipality a tax deed or certificate which should be registered in the appropriate Land Titles or Registry Office. A purchaser should ascertain from either of these offices, information relating to any of the charges or liens against the land and consider the advisability of employing the services of a solicitor to determine the extent, if any, of his liability.

The foregoing applies to tax sale lands which were privately owned. In the event the land is the property of the Crown as represented by the Province of Ontario, only the improvements on the property, such as buildings, may be sold. In this case, an intending purchaser should for his own protection ascertain from the local office of the Ministry of Natural Resources whether or not the land or any part can be purchased or leased from the Ministry. If it cannot, then the purchaser of the improvements would be required to remove them from the land.

In some cases, land advertised for sale in the Gazette may be bought by the municipality, or the owner, prior to sale, may pay the tax arrears and costs. Where this occurs, the land is removed from the tax sale lists.

To James Lundy, Treasurer,
Municipality of the County of Kent.

WHEREAS there has been submitted to me a list in triplicate of lands in the County of Kent liable, under the provisions of *The Municipal Act*, to be sold for taxes, with the amount of arrears against each lot set opposite the same, and the name and address of the owner, where known.

I, Robert Metcalfe, Warden of the County of Kent, do hereby command you, the Treasurer of the said County of Kent to levy upon the lands for the arrears due thereon, together with your costs.

IN WITNESS WHEREOF I have hereunto set my hand and the seal of the said County of Kent this 10th day of July, 1981.

ROBERT METCALFE,
Warden,
County of Kent.

COUNTY OF KENT

To Wit:

BY VIRTUE OF A WARRANT under the hand of the Warden and the Seal of the Corporation of the County of Kent, bearing date the 10th day of July, 1981 and to me directed, commanding me to levy on the lands hereinafter described for the Arrears of Taxes respectively due thereon, together with all costs incurred, I hereby give notice that unless the said arrears and costs are sooner paid, I will proceed to sell by public auction the said lands or as much thereof as may be necessary for the payment of the said taxes and costs thereon, on Tuesday, the 10th day of November, 1981 at the hour of Two o'clock p.m. in the Kent County Municipal Building, 435 Grand Avenue West, in the City of Chatham, in compliance with the provisions of *The Municipal Act*.
